UTILITY EASEMENT AGREEMENT

This Utility Easement Agreement (this "**Agreement**") is made and entered into as of this 12th day of May, 2023 (the "**Effective Date**"), by and between Brent C. Christensen, a single person (the "**Grantor**"), and WAVEDIVISION HOLDINGS, LLC a Delaware limited liability company ("**Astound**").

Background

Grantor owns certain real property located in Skagit County, Washington, comprised of approximately 1.29 acres, commonly known as 6708 State Route 20, and having Skagit County Assessor's Tax Parcel No. 340207-0-010-0405, as more particularly described on **Schedule 1** to this Agreement (the "**Property**"). Astound provides its customers with a variety of telecommunications, high speed data transmission, broadband Internet access and other similar services. Grantor desires to grant Astound a utility easement allowing Astound to install and maintain to install and maintain certain coaxial and/or fiber optic cable and associated equipment and facilities (collectively, the "**Network Facilities**") on, in, over, under, upon and through a portion of the Property, under the terms and conditions contained in this Agreement.

Agreement

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Astound now agree as follows:

1. Grant of Easement and Right of Access. Grantor hereby grants and conveys to Astound a perpetual, non-exclusive easement in gross (the "**Easement**") over, under, upon and across the following portion of the Property (the "**Easement Area**"):

A right-of-way ten (10) feet in width with five (5) feet on each side of a centerline described as follows:

Commencing at an existing power pole due southwest of the southwest corner of the above described parcel; Thence northerly along the westerly side of parcel, an approximate distance of 260.00 feet; Thence northwesterly a distance of 115.0 feet, more or less, to an existing power pole on the west side of SR 20 and the terminus of said centerline. Centerline length within property is approximately 285 feet.

Astound may use the Easement Area solely for installing, maintaining and operating its Network Facilities (the "**Permitted Use**"). In connection with the Easement, Grantor also grants to Astound a continuing right of access (the "**Access Right**") over, across, upon and through those portions of the Property that are reasonably necessary for Astound to access in order to reach the Easement Area and perform the Permitted Use.

2. Ownership of the Network Facilities. The Network Facilities are and shall at all times be and remain the sole and exclusive property of Astound and subject to Astound's sole and exclusive management and control, and neither Grantor nor any subsequent owner(s) of the Property or any part thereof shall acquire any right, title, or interest in any Network Facilities.

3. Covenants of the Parties. Grantor covenants and agrees that Grantor shall not grant to any other individual or entity, any easements, licenses or other rights in or to the Property that could materially and adversely interfere with Astound's Permitted Use of the Easement Area and Astound's Network Facilities installed on the Easement Area. Grantor further covenants and agrees Grantor shall in no way disturb, alter or move any part of the Network Facilities or otherwise interfere with Astound's rights and obligations as provided under this Agreement. Astound covenants and agrees to use its commercially reasonable efforts to promptly remediate any damage to the Property proximately resulting from Astound's use of the Easement Area. Astound covenants and agrees to indemnify and hold Grantor harmless from any loss, cost and expense incurred by Grantor as a direct consequence of any third party claim proximately resulting from Astound's use of the Easement Area.

4. Easement Runs With the Land. The Easement and Access Right granted to Astound by this Agreement are intended to touch and concern the Property, and shall run with the Property and be binding on Grantor's successors in title to the Property in perpetuity. Astound shall hold the rights and benefits granted by this Agreement in gross, and Astound's rights under this Agreement shall be freely assignable.

5. Representations of the Parties. Each of the parties represents and warrants to the other that: (i) they have all necessary power and authority to enter into and perform the terms of this Agreement; and (ii) they have duly executed and acknowledged this Agreement and that this Agreement constitutes a valid and binding agreement of such party, enforceable in accordance with its terms.

6. Miscellaneous. Grantor agrees to take or cause to be taken such further actions, to execute, deliver and file such further documents and instruments and to obtain such consents as may be necessary or may be reasonably requested by Astound to fully effectuate the purposes of this Agreement and the Easement granted by this Agreement. Astound shall be responsible for personal property taxes, if any, that are assessed with respect to the Network Facilities and Grantor shall be responsible for all real property and personal property taxes, if any, assessed with respect to the Property. This Agreement shall not be amended, altered or modified except by an instrument in writing duly executed and acknowledged by the parties hereto. This Agreement shall be governed and construed in accordance with the laws of the State in which the Property is located. This Agreement may be executed in multiple counterparts, and all counterparts shall collectively constitute a single agreement.

7. Termination. The term of this Agreement shall expire, and the rights granted hereunder be of no further force and effect, at such time as when Astound has no further need for the Permitted Use and all Network Facilities are removed from the Easement Area, which the parties anticipate shall occur upon completion of that certain Washington State Department of Transportation Unnamed Tributary to Campbell Lake Restoration Project.
