RECITALS:

1. This conveyance is made pursuant to the powers, including the power of sale, conferred upon the current Trustee by that certain Deed of Trust between MICHEAL STREET, AN UNMARRIED PERSON, as original Grantor, to FIDELITY NATIONAL TITLE COMPANY OF WASHINGTON, A WASHINGTON CORPORATION, as original trustee, and MORTGAGE ELECTRONIC REGISTRATION SYSTEMS, INC., AS NOMINEE FOR GUILD MORTGAGE COMPANY, A CALIFORNIA CORPORATION, ITS SUCCESSORS AND ASSIGNS, as original Beneficiary, dated 8/16/2016 and recorded 8/26/2016 as Instrument No. 201608260201 and modified as per Modification Agreement recorded 10/24/2018 as Instrument No. 201810240026 of the Official Records in the office of the Recorder of SKAGIT, Washington.
2. The Deed of Trust was executed to secure, together with other undertakings, the payment of one or more promissory note(s) ("Note") in the sum of \$194,085.00 with interest thereon, according to the terms thereof, and other sums of money which might become due and payable under the terms of said Deed of Trust.

3. The Deed of Trust provided that the Property is not used principally for agricultural or farming purposes and the current Trustee has no actual knowledge that the Property is used principally for agricultural or farming purposes.
4. That a Default occurred in the obligations secured and/or covenants of the Deed of Trust referenced in paragraph one (1), as set forth in the Notice of Trustee's Sale described below, and that the Trustee of record, transmitted the Notice of Default to the required parties, and that a copy of said Notice was posted or served in accordance with law.
5. The current Trustee has been instructed to exercise the power of sale in accordance with and under the relevant terms of the above referenced Deed of Trust and the Washington Deed of Trust Act.
6. That because the defaults specified in the "Notice of Default" were not cured, the Trustee of record, in compliance with the terms of the Deed of Trust, recorded on 12/12/2022 in the SKAGIT County, Washington recorder's Office, a "Notice of Trustee's Sale" of the Property as instrument no. 202212120049.
7. The Trustee of record fixed the place of sale as: **At the Main Entrance to the Skagit County Courthouse, located at 205 W. Kincaid St. (3rd & Kincaid St.), Mount Vernon, WA 98273**, in the State of Washington, a public place, at 9:00 AM. In accordance with the law caused copies of the statutory "Notice of Trustee's Sale" to be transmitted by mail to all known persons entitled thereto and either posted or served prior to the statutory minimum number of days before the final sale; further, the Trustee of record caused a copy of said "Notice of Trustee's Sale" to be published in a legal newspaper in each county in which the property or any part thereof is situated, once between the thirty-fifth and twenty-eighth day before the date of the sale, and once between the fourteenth and the seventh day before the date of the sale; and further, included with the Notice, which was transmitted to or served upon the Deed of Trust grantor or his successor in interest, a "Notice of Foreclosure."
8. During foreclosure, no action, as referenced in RCW 61.21.030(4), by the beneficiary, its successors or assigns, was pending to seek satisfaction of the obligation in any court by reason of the borrower's or grantor's default on the obligation secured by the Deed of Trust.
9. All legal requirements and all provisions of said Deed of Trust have been complied with, as to acts to be performed and notices to be given, as provided in chapter 61.24 RCW.
10. That because the defaults specified in the "Notice of Trustee's Sale" were not cured at least ten days prior to the date scheduled for the Trustee's Sale and said obligation secured by said Deed of trust remained unpaid, on 6/30/2023, the date of sale, which was not less than 190 days from the date of default in the obligation secured, the GRANTOR then and there sold the Property at public auction to said GRANTEE, the highest bidder therefore, for the sum of **\$273,800.00**, in the form of cash, certified check, cashier's check, money order, or funds received by verified electronic transfer, as provided in chapter 61.24.070 RCW.

This conveyance is made without representations or warranties of any kind, expressed or implied. By recording this Trustee's Deed, GRANTEE understands, acknowledges and agrees that the Property was purchased in the context of a foreclosure, that the current Trustee made no representations to GRANTEE concerning the Property and that the current Trustee owed no duty to make disclosures to GRANTEE concerning the Property, GRANTEE relying solely upon his/her/their/its own due diligence investigation before electing to bid for the Property.

In witness thereof, **QUALITY LOAN SERVICE CORPORATION**, as GRANTOR, has this day, caused its name to be hereunto affixed by its officer thereunto duly authorized by its corporation by-laws.

**QUALITY MAY BE CONSIDERED A DEBT COLLECTOR ATTEMPTING TO COLLECT A DEBT AND ANY INFORMATION OBTAINED WILL BE USED FOR THAT PURPOSE.**

### Right to Manage Natural Resource Lands Disclosure

Skagit County's policy is to enhance and encourage Natural Resource Land management by providing County residents notification of the County's recognition and support of the right to manage Natural Resource Lands, e.g., farm and forest lands.

Skagit County Code 14.38.030(2) requires, in specified circumstances, recording of the following disclosure in conjunction with the deed conveying the real property:

This disclosure applies to parcels designated or within 1 mile of designated agricultural land or designated or within 1/4 mile of rural resource, forest or mineral resource lands of long-term commercial significance in Skagit County.

A variety of Natural Resource Land commercial activities occur or may occur in the area that may not be compatible with non-resource uses and may be inconvenient or cause discomfort to area residents. This may arise from the use of chemicals; or from spraying, pruning, harvesting or mineral extraction with associated activities, which occasionally generates traffic, dust, smoke, noise, and odor. Skagit County has established natural resource management operations as a priority use on designated Natural Resource Lands, and area residents should be prepared to accept such incompatibilities, inconveniences or discomfort from normal, necessary Natural Resource Land operations when performed in compliance with Best Management Practices and local, State, and Federal law.

In the case of mineral lands, application might be made for mining-related activities including extraction, washing, crushing, stockpiling, blasting, transporting and recycling of minerals. If you are adjacent to designated NR Lands, you will have setback requirements from designated NR Lands.

Washington State Law at RCW 7.48.305 also establishes that:

...agricultural activities conducted on farmland and forest practices, if consistent with good agricultural and forest practices and established prior to surrounding nonagricultural and nonforestry activities, are presumed to be reasonable and shall not be found to constitute a nuisance unless the activity or practice has a substantial adverse effect on public health and safety. ...An agricultural activity that is in conformity with such laws and rules shall not be restricted as to the hours of the day or day or days of the week during which it may be conducted.
