UTILITY EASEMENT AGREEMENT

Grantor(s): **Margaret Jane Berkhouse McLaskey**
Grantee: **Wave Business Solutions, LLC**
Abbreviated Legal: **portion of NW¼ SE¼ S13, T35N, R8E, W.M. (part of)**
Assessor's Parcel No.: **P43843/350813-0-035-0005 (a portion of)**
Reference Nos. of Documents Assigned or Releases: **N/A**

This Utility Easement Agreement (this "Agreement") is made and entered into as of this 27th day of April, 2022 (the "Effective Date"), by and between **Margaret Jane Berkhouse McLaskey, as her separate property** (the "Grantor"), and **WAVE BUSINESS SOLUTIONS, LLC**, a Washington limited liability company ("Wave").

Background

Grantor owns certain real property located in Skagit County, Washington, commonly known as **47667 State Route 20, Concrete, WA 98237**, as more particularly described on **Schedule 1** to this Agreement (the "Property"). Wave provides its customers with a variety of telecommunications, high speed data transmission, broadband Internet access and other similar services. Grantor desires to grant Wave a utility easement allowing Wave to install and maintain certain guy wires, fiber optic cable and associated equipment and facilities (collectively, the "Network Facilities") over a portion of the Property.

Agreement

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Wave now agree as follows:

1. Grant of Easement and Right of Access. Grantor hereby grants and conveys to Wave a perpetual, non-exclusive easement in gross (the "Easement") over, under, upon and across the following portion of the Property (the "Easement Area"):

That portion of the herein described property being a strip 3 feet in width lying 1½ feet on each side of the centerline of the communications facilities situated therein and co-located with the Puget Sound Energy poles extending within the Southwesterly 15 feet of said property.

Wave may use the Easement Area solely for anchoring and installing their Network Facilities (the "Permitted Use"). In connection with the Easement, Grantor also grants to Wave a continuing right of access (the "Access Right") over, across, upon and through those portions of the Property that are reasonably necessary for Wave to access in order to reach the Easement Area and perform the Permitted Use.

2. Ownership of the Network Facilities. The Network Facilities are and shall at all times be and remain the sole and exclusive property of Wave and subject to Wave's sole and exclusive management and control, and neither Grantor nor any subsequent owner(s) of the Property or any part thereof shall acquire any right, title, or interest in any Network Facilities. Wave shall keep and maintain the Network Facilities in good condition and repair.

3. Covenants and Representations of the Parties. Wave covenants and agrees to use its commercially reasonable efforts to promptly remediate any damage to the Property proximately resulting from Wave's use of the Easement Area. Grantor covenants and agrees that Grantor: (i) shall not grant to any other individual or entity, any easements, licenses or other rights in or to the Property that could materially and adversely interfere with Wave's Permitted Use of the Easement Area and Wave's Network Facilities installed on the Easement Area; (ii) shall in no way disturb, alter or move any part of the Network Facilities or otherwise interfere with Wave's rights and obligations as provided under this Agreement; and (iii) shall not install any improvements in the Easement Area that will need to be damaged in order for Wave to perform regular maintenance on the Network Facilities or that would otherwise hinder or make unduly difficult Wave's ability to engage in the Permitted Use. Each of the parties represents and warrants to the other that it has all necessary power and authority to enter into and perform the terms of this Agreement.

4. Easement Runs With the Land. The Easement and Access Right granted to Wave by this Agreement are intended to touch and concern the Property, and shall run with the Property and be binding on Grantor's successors in title to the Property in perpetuity. Wave shall hold the rights and benefits granted by this Agreement in gross, and Wave's rights under this Agreement shall be freely assignable.

5. Miscellaneous. This Agreement shall not be amended, altered or modified except by an instrument in writing duly executed and acknowledged by the parties hereto. This Agreement shall be governed and construed in accordance with the laws of the State in which the Property is located. This Agreement may be executed in multiple counterparts, and all counterparts shall collectively constitute a single agreement.

IN WITNESS WHEREOF, the parties, intending to be legally bound hereby, have duly executed this Agreement for the purposes and consideration expressed in it and delivered this Agreement as of the date first written above.
