The Trustor warrants that it is well and truly seized of good and marketable fee simple title to the real property comprising the Premises and it is the lawful owner of the personal property comprising the Premises, except for liens for taxes and assessments not yet due and payable, building and use restrictions of record, zoning ordinances, and any other encumbrances disclosed to the Beneficiary in writing as of the date of this Deed of Trust ("Permitted Encumbrances"). The Trustor shall forever warrant and defend the same unto the Beneficiary and its successors and assigns against all claims whatsoever, except for the Permitted Encumbrances. If the Premises are encumbered by Permitted Encumbrances, the Trustor shall perform all obligations and make all payments as required by the Permitted Encumbrances. The Trustor shall provide the Beneficiary copies of all writings pertaining to Permitted Encumbrances and the Beneficiary is authorized to request and receive that information from any other person without the consent or knowledge of the Trustor.

The term "Borrower" means the Trustor or any other person or entity liable to the Beneficiary under any instrument or agreement described in the definition of "Liabilities" herein, whether under any promissory note, guaranty, letter of credit application, this Deed of Trust, any other Related Documents or otherwise.

This Deed of Trust secures the Liabilities.

The term "Liabilities" means all indebtedness, liabilities and obligations of every kind and character of each Borrower to the Beneficiary, whether the indebtedness, liabilities and obligations are individual, joint or several, contingent or otherwise, now or hereafter existing, related to:

- (1) That certain SBA 7a Note, dated November 20, 2024 in the original principal amount of One Million One Hundred Sixty-Eight Thousand Three Hundred and 00/100 Dollars (\$1,168,300.00), executed and delivered by ALLIXO TECHNOLOGIES, LLC to the Beneficiary; and
- (2) All renewals, extensions, modifications, consolidations, rearrangements, restatements, replacements or substitutions of any of the foregoing; and
- (3) The performance of all of the promises and agreements contained in this Deed of Trust.

The Trustor and the Beneficiary specifically contemplate that Liabilities include indebtedness hereafter incurred by the Borrower to the Beneficiary.

This Deed of Trust shall not apply to any obligation or debt incurred for personal, household or family purposes unless the note or guaranty evidencing such personal, household or family debt expressly states that it is secured by this Deed of Trust. The Trustor represents and warrants that: (a) the Premises are not used principally for agricultural or farming purposes; and (b) the Premises constitute one or more legally created and separately conveyable lots, parcels, or tracts, and that the Premises can be legally conveyed without obtaining any further governmental approval for a subdivision, partition, lot line adjustment, or plat.

The term "Related Documents" in this Deed of Trust means all loan agreements, credit agreements, reimbursement agreements, security agreements, mortgages, deeds of trust, pledge agreements, assignments, guaranties, or any other instrument or document executed in connection with any of the Liabilities.

The Trustor promises and agrees with the Beneficiary that each of the following is true and will remain true until termination of this Deed of Trust and full and final payment of all Liabilities:

1. Payment of Liabilities; Performance of Obligations. The Trustor shall promptly pay when due, whether by acceleration or otherwise, the Liabilities for which the Trustor is liable, and shall promptly perform all obligations to which the Trustor has agreed under the terms of this Deed of Trust and any of the other Related Documents, together with all costs, fees, and expenses in connection with this Deed of Trust, including the expenses of the Trustee incurred in enforcing the obligations secured hereby and the Trustee's and attorneys' fees actually incurred, as provided by statute.

2. **Taxes and Liens.** The Trustor shall pay, when due, before any interest, collection fees or penalties shall accrue, all taxes, assessments, fines, impositions, and other charges which may become a lien prior to this Deed of Trust. Should the Trustor fail to make those payments, the Beneficiary may at its option and at the expense of the Trustor, pay the amounts due for the account of the Trustor. Upon the request of the Beneficiary, the Trustor shall immediately furnish to the Beneficiary all notices of amounts due and receipts evidencing payment. The Trustor shall promptly notify the Beneficiary of any lien on all or any part of the Premises and shall promptly discharge any unpermitted lien or encumbrance.

3. **Change in Taxes.** In the event of the passage of any law or regulation, state, federal or municipal, subsequent to the date of this Deed of Trust, which changes or modifies the laws now in force governing the taxation of mortgages, deeds of trust or debts secured by mortgages or deeds of trust, or the manner of collecting those taxes, the Liabilities shall become due and payable immediately at the option of the Beneficiary.

4. **Insurance.** The Trustor shall keep the Premises and the present and future buildings and other improvements (the "Improvements") on the Premises continuously insured for the benefit of the Beneficiary, in an amount not less than the full insurable value, on a replacement costs basis (without deduction for depreciation) of the Improvements and contents, if applicable, and without any reduction based upon the Trustor's acts, against fire and such other hazards and risks customarily covered by the standard form of extended coverage endorsement available in the state where the Premises are located, including risks of vandalism and malicious mischief. If at any time, the Improvements or any part thereof, lies within a "special flood hazard area" as designated from time to time on maps prepared and issued by the Federal Emergency Management Agency (FEMA), as a one hundred year flood plain or other area identified by the Beneficiary as having a high or moderate risk of flooding, the Trustor shall maintain a flood insurance policy or policies (whether or not coverage is available from the National Flood Insurance Program or otherwise) required by the "Flood Laws" (hereinafter defined), in form and substance acceptable to Beneficiary covering the Improvements and contents (to the extent the contents secure the Liabilities). As used in this paragraph, the term "Flood Laws" collectively means the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973, the National Flood Insurance Reform Act of 1994, the Biggert-Waters Flood Insurance Act of 2012, as such statutes may be amended or re-codified from time to time, any substitution therefor, any regulations promulgated thereunder, and all other laws, regulations, and other legal requirements relating to flood insurance. Such flood insurance policy shall be in the amount required from time to time by the Beneficiary (which may exceed the amount required under the Flood Laws) and include a non-contributing mortgagee clause naming the Beneficiary as mortgagee. The Trustor shall additionally provide such other appropriate insurance as the Beneficiary may require from time to time. All insurance policies and renewals must be in form and substance acceptable to the Beneficiary, must provide for payment to the Beneficiary in the event of loss, regardless of any act or omission by the Trustor, must require thirty (30) days' notice to the Beneficiary in the event of nonrenewal or cancellation and must be delivered to the Beneficiary within thirty (30) days prior to their respective effective dates. In the event of loss or damage, the proceeds of the insurance shall be paid to the Beneficiary alone. No loss or damage shall itself reduce the Liabilities. The Beneficiary is authorized to adjust and compromise a loss without the consent of the Trustor, to collect, receive and receipt for any proceeds in the name of the Beneficiary and the Trustor and to endorse the Trustor's name upon any check in payment of proceeds. The proceeds shall be applied first toward reimbursement of all costs and expenses of the Beneficiary in collecting the proceeds and then toward payment of the Liabilities or any portion of it, whether or not then due or payable, at its option, may apply the proceeds, or any part of the proceeds or the Beneficiary, at its option, may apply the proceeds, or any part of the proceeds, to the repair or rebuilding of the Premises provided that the Trustor (a) is not then or at any time during the course of restoration of the Premises in default under this Deed of Trust and (b) has complied with all requirements for application of the proceeds to restoration of the Premises as the Beneficiary, in its sole discretion may establish. The Trustor shall also provide and maintain comprehensive general liability insurance in such coverage amounts as the Beneficiary may request, with the Beneficiary being named as an additional insured on such policies. Evidence of the renewal of such liability insurance shall be delivered to

the Beneficiary at the same time as evidence of the renewal of the property insurance required above must be delivered to the Beneficiary. Unless the Trustor provides the Beneficiary with evidence of all the insurance coverage required herein, including the policies, certificates and renewals thereof, or fails to pay the premiums when such premiums are due, the Beneficiary may purchase insurance at the Trustor's expense to protect the Beneficiary's interest in the Premises. This insurance may, but need not, protect the Trustor's interests, may not pay any claim that Trustor may make or any claim that is made against the Trustor in connection with the Premises. The Trustor may later cancel any insurance purchased by the Beneficiary pursuant to this provision, but only after providing satisfactory evidence that the Trustor has obtained the required insurance. If the Beneficiary purchases insurance, the Trustor will be responsible for the costs of such insurance, including interest and any other charges that the Beneficiary may impose in connection with the placement of such insurance until the effective date of the cancellation or expiration of such insurance, and such costs may be included in the Liabilities. The costs of the insurance purchased by the Beneficiary may be more than the cost of insurance that the Trustor may otherwise be able to obtain.

5. Reserves for Taxes and Insurance. The Trustor shall, if requested by the Beneficiary, pay to the Beneficiary, at the time of and in addition to the scheduled installments of principal and/or interest due under the Liabilities, a sum equal to (a) the amount estimated by the Beneficiary to be sufficient to enable the Beneficiary to pay, at least thirty (30) days before they become due and payable, all taxes, assessments and other similar charges levied against the Premises, plus (b) the amount of the annual premiums on any policies of insurance required to be carried by the Trustor, divided by (c) the number of installments due each year ((a) and (b) are collectively referred to as the "Charges"). Upon notice at any time, the Trustor will, within ten (10) days, deposit such additional sum as may be required for the payment of increased Charges. These sums may be commingled with the general funds of the Beneficiary and no interest shall be payable on them, nor shall these sums be deemed to be held in trust for the benefit of the Trustor. Notwithstanding payment of any sums by the Trustor to the Beneficiary under the terms of this Section, the Beneficiary shall have no obligation to pay any Charges. The obligation of the Trustor to pay the Charges is not affected or modified by the arrangements set out in this Section. Payment by the Beneficiary on any one or more occasions of all or any part of the Charges shall not be construed as obligating it to pay any Charges on any other occasion. If the Beneficiary elects to pay any Charge, it shall not be required to do so at any time prior to the date on which penalties, interest or collection fees begin to accrue. If the Beneficiary elects to pay any premium on any policy of insurance required to be carried by the Trustor, it may do so at any time prior to the cancellation of the policy.

In the event of the sale of the Premises by power of sale, or of the foreclosure of this Deed of Trust as a mortgage, any of the moneys then remaining on deposit with the Beneficiary or its agent shall be applied against the Liabilities prior to the commencement of such sale or such foreclosure proceedings. Any default by the Trustor in the performance of the provisions of this Section shall constitute a default under this Deed of Trust.

6. Compliance with Laws and Operations at Premises. All business activities and operations on or at the Premises, including but not limited to those of any tenants, shall comply with all federal, state and local laws, regulations, ordinances, and rules now or hereafter in effect, including without limitation federal marijuana laws. Without limiting the foregoing, there shall not be conducted on or at the Premises any Direct Marijuana Business or Indirect Marijuana Business. For purposes of this provision, "Indirect Marijuana Business" means any business that derived any of its revenue for the previous fiscal year, or projects to derive any revenue for the current or future fiscal years, from sales to Direct Marijuana Businesses of products or services that could reasonably be determined to support the use, growth, enhancement or other development of marijuana (such as testing services, grow lights, or hydroponic equipment), and any business that sells smoking devices, pipes, bongs, inhalants, or other products that may be used in connection with marijuana if the products are primarily intended or designed for such use or if the business markets the products for such use; and, "Direct Marijuana Business" means any business that grows, produces, processes, distributes, or sells marijuana or marijuana products, edibles, or derivatives, regardless of the amount of such activity, whether for personal use or medical use, or if the business is legal under local or state law.

7. Waste, Abandonment. The Trustor shall not abandon the Premises, commit or permit waste on the Premises, or do any other act causing the Premises to become less valuable. The Trustor will keep the Premises in good order and repair and in compliance in all material respects with any law, regulation, ordinance or contract affecting the Premises and, from time to time, will make all needful and proper replacements so that all fixtures and improvements will at all times be in good condition, fit and proper for their respective purposes. Without limitation of the foregoing, nonpayment of the Charges shall constitute waste. Should the Trustor fail to effect any necessary repairs, the Beneficiary may, at its option and at the expense of the Trustor, make the repairs for the account of the Trustor. The Beneficiary and/or the Trustee, or their authorized agents, shall have the right to enter upon and inspect the Premises at all reasonable times. The Trustor unconditionally agrees to timely pay all fees with respect to inspections of the Premises.

8. Appraisals. Beneficiary or its authorized agents shall have the right to enter onto the Premises at any reasonable time to perform appraisals. Beneficiary shall be further entitled, where not otherwise prohibited by law, to recover from the Trustor all appraisal costs incurred by Beneficiary.

9. Owner Occupied Real Estate. 50% or more of the net leasable space of the Premises is occupied by the Borrower or any guarantor of the Liabilities.

10. Alterations, Removal. No building, structure, improvement or fixture constituting any part of the Premises shall be removed, demolished or substantially altered without the prior written consent of the Beneficiary.

11. Payment of Other Obligations. The Trustor shall also pay all other obligations which may become liens or charges against the Premises for any present or future repairs or improvements made on the Premises, or for any other goods, services, or utilities furnished to the Premises and shall not permit any lien or charge of any kind securing the repayment of borrowed funds (including the deferred purchase price for any property) to accrue and remain outstanding against the Premises.

12. Reimbursement of Advances. If the Trustor fails to perform any of its obligations under this Deed of Trust, or if any action or proceeding is commenced which materially affects the Trustee's or the Beneficiary's interest in the Premises (including but not limited to a lien priority dispute, eminent domain, code enforcement, insolvency, bankruptcy or probate proceedings), then the Beneficiary at its sole option may make appearances, disburse sums and take any action it deems necessary to protect the Beneficiary's and/or the Trustee's interests (including but not limited to disbursement of reasonable attorneys' fees and court costs and entry upon the Premises to make repairs). Any amounts disbursed shall become additional Liabilities and shall bear interest at the highest rate permitted under any of the instruments evidencing any of the Liabilities and, at Beneficiary's option, shall (a) be immediately due and payable upon notice from the Beneficiary to the Trustor, or (b) be added to the balance of any of the instruments evidencing any of the Liabilities and be apportioned among and be payable with any installment payments to become due during either, at Beneficiary's option (i) the term of any applicable insurance policy, (ii) the remaining term of such instrument, or (iii) be treated as a balloon payment which will be due and payable at such instrument's maturity. The Beneficiary's rights under this Section shall be in addition to all other rights and remedies of the Beneficiary and/or the Trustee under this Deed of Trust and the other Related Documents. Any action taken by the Beneficiary under this Section shall not be construed as curing any default that gave rise to such action by the Beneficiary.

13. Due on Transfer. If all or any part of the Premises or any interest in the Premises is transferred without the Beneficiary's prior written consent, the Beneficiary may, at its sole option, declare the Liabilities to be immediately due and payable.

14. No Additional Lien. The Trustor covenants not to execute any mortgage, deed of trust or other agreement granting a lien against the interest of the Trustor in the Premises without the prior written consent

of the Beneficiary, and then only when the document granting that lien expressly provides that it shall be subject to the lien of this Deed of Trust for the full amount secured by this Deed of Trust and shall also be subject and subordinate to all present and future leases affecting the Premises.

15. Eminent Domain. Notwithstanding any taking under the power of eminent domain, alteration of the grade of any road, alley, or the like, or other injury or damage to or decrease in value of the Premises by any public or quasi-public authority or corporation, the Trustor shall continue to pay the Liabilities in accordance with the terms of the Related Documents. By executing this Deed of Trust, the Trustor assigns, transfers and conveys the entire proceeds of any award or payment and any interest to the Beneficiary. The Trustor will notify the Beneficiary of any action or proceeding related to any taking of all or any part of the Premises, shall defend that action or proceeding in consultation with the Beneficiary and shall, if requested by the Beneficiary, deliver to the Beneficiary all documents and instruments that may be required to allow the Beneficiary to directly participate in or control such action or proceeding. The proceeds of any taking or grant in lieu of any taking shall be applied first toward reimbursement of all costs and expenses of the Beneficiary in collecting the proceeds, including reasonable attorneys' fees and court costs, and then toward payment of the Liabilities, whether or not then due or payable, or the Beneficiary, at its option, may apply the proceeds, or any part, to the alteration, restoration or rebuilding of the Premises.

16. Events of Default; Remedies. If any of the Liabilities are not paid at maturity, whether by acceleration or otherwise, or if a default occurs by anyone under the terms of this Deed of Trust, or any Related Documents, then the Beneficiary and/or the Trustee may exercise all of the rights, powers and remedies expressly or impliedly conferred on or reserved to them under this Deed of Trust or any other Related Document, or now or later existing at law or in equity, including without limitation the following: (i) the Beneficiary may declare the Liabilities to be immediately due and (ii) the Beneficiary and/or the Trustee may proceed at law or in equity to collect the Liabilities, sell the Premises by power of sale, foreclose this Deed of Trust as a mortgage, including selling the Premises in accordance with the Deed of Trust Act of the State of Washington, or otherwise pursue any of their rights or remedies available at law, in equity, pursuant to this Deed of Trust or pursuant to any of the other Related Documents. The Beneficiary, shall be entitled to the appointment of a receiver for the Premises as a matter of right and without notice (without regard to the value of the Premises) and the Trustor specifically consents to that appointment without notice. Without limitation, the receiver shall have the power to protect and preserve the Premises, operate the Premises prior to and during any foreclosure proceedings, to collect any rents and apply the proceeds, over and above the costs of the receivership, to the Liabilities. The receiver shall serve without bond, if permitted by law.

Upon the occurrence of a default hereunder, the Trustee, his successor or substitute, is authorized and empowered and it shall be the Trustee's special duty at the request of the Beneficiary to sell the Premises or any part thereof in accordance with the procedures and requirements of the Deed of Trust Act of the State of Washington as then existing. After each sale, the Trustee shall make to the purchaser or purchasers at such sale good and sufficient conveyances in the name of the Trustor, conveying the property so sold to the purchaser or purchasers in fee simple with general warranty of title, and shall receive the proceeds of said sale or sales and apply the same as herein provided. Any and all statements of fact or other recitals made in any deed or deeds given by the Trustee or any successor or substitute appointed hereunder related to the Liabilities or the exercise of rights and remedies by the Beneficiary hereunder, or as to the refusal, failure or inability to act of the Trustee or any substitute or successor, shall be taken as prima facie evidence of the truth of the facts so stated and recited. The Trustee, his successor or substitute, may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by the Trustee, including, without limitation, the posting of notices and the conducting of sales, but in the name and on behalf of the Trustee, his successor or substitute. To the extent not prohibited by applicable law, including, without limitation, pursuant to Section 61.24.100 of the Revised Code of Washington ("RCW"), the Beneficiary may seek and obtain a deficiency judgment following the completion of a judicial foreclosure or a trustee's sale of all or a portion of the security for the Liabilities.

The proceeds of any sale of the Premises, whether by power of sale or foreclosure, shall be retained by the Beneficiary, up to the amount due on the Liabilities, including costs of sale and any environmental remediation or other costs and expenses incurred by the Beneficiary and/or the Trustee in connection with the Liabilities and/or the Premises, including without limitation, attorneys' fees and court costs. After deducting all costs, fees and expenses of the Trustee and of this trust, including the cost of evidence of title search and title insurance and reasonable counsel fees in connection with the sale, the Trustee shall apply the proceeds of sale to the Liabilities in such order as the Beneficiary may determine and the remainder, if any, to the clerk of the superior court of the county in which the sale took place, as provided in RCW 61.24.080, including any revision or replacement of such statute or rule hereafter enacted, or shall otherwise pay or apply such remainder as permitted by applicable law. By executing this Deed of Trust, the Trustor waives, in the event of a sale of the Premises by power of sale, a foreclosure of this Deed of Trust as a mortgage or the enforcement by the Beneficiary and/or the Trustee of any other rights and remedies in this Deed of Trust, any right otherwise available in respect to marshalling of assets which secure the Liabilities or to require the Beneficiary or the Trustee to pursue their remedies against any other such assets. The Trustor waives all errors and imperfections in any proceedings instituted by the Beneficiary and/or the Trustee to enforce any of their rights and remedies. The exercise of any one right or remedy by the Beneficiary and/or the Trustee under this Deed of Trust or any of the other Related Documents shall not impair or waive the Beneficiary's and/or the Trustee's right to exercise any other rights or remedies available to either of them at law, in equity, under this Deed of Trust or under any of the other Related Documents, all such rights and remedies being cumulative. All fees, costs and expenses incurred by the Beneficiary and/or the Trustee in pursuing or enforcing their rights and remedies at law, in equity, under this Deed of Trust or under any of the other Related Documents, whether or not a lawsuit or legal action is filed, including attorneys' and paralegals' fees, shall be payable by the Trustor to the Beneficiary on demand and shall be secured by this Deed of Trust.

17. Pledge. If the Trustor is not the Borrower, then the Trustor agrees that:

1. If any moneys become available from any source other than the Premises that the Beneficiary can apply to the Liabilities, the Beneficiary may apply them in any manner it chooses, including but not limited to applying them against obligations, indebtedness or liabilities which are not secured by this Deed of Trust.
2. The Beneficiary may take any action against the Borrower, the Premises or any other collateral for the Liabilities, or any other person or entity liable for any of the Liabilities.
3. The Beneficiary may release the Borrower or anyone else from the Liabilities, either in whole or in part, or release the Premises in whole or in part or any other collateral for the Liabilities, and need not perfect a security interest in the Premises or any other collateral for the Liabilities.
4. The Beneficiary does not have to exercise any rights that it has against the Borrower or anyone else, or make any effort to realize on the Premises or any other collateral for the Liabilities, or exercise any right of setoff.
5. Without notice or demand and without affecting the Trustor's obligations hereunder, from time to time, the Beneficiary is authorized to: (a) renew, modify, compromise, rearrange, restate, consolidate, extend, accelerate or otherwise change the time for payment of, or otherwise change the terms of the Liabilities or any part thereof, including increasing or decreasing the rate of interest thereon; (b) release, substitute or add any one or more sureties, endorser, or guarantors; (c) take and hold other collateral for the payment of the Liabilities, and enforce, exchange, substitute, subordinate, impair, waive or release any such collateral; (d) proceed against the Premises or any other collateral for the Liabilities and direct the order or manner of sale as the Beneficiary in its discretion may determine; and (e) apply any and all payments received by the Beneficiary in connection with the Liabilities, or recoveries from the Premises or any other collateral for the Liabilities, in such order or manner as the Beneficiary in its discretion may determine.
6. The Trustor's obligations hereunder shall not be released, diminished or affected by (a) any act or omission of the Beneficiary, (b) the voluntary or involuntary liquidation, sale or other disposition of all or substantially all of the assets of the Borrower, or any receivership, insolvency, bankruptcy, reorganization, or other similar proceedings affecting the Borrower or any of its assets or any other obligor on the Liabilities or that obligor's assets, (c) any change in the composition or structure of the

Borrower or any other obligor on the Liabilities, including a merger or consolidation with any other person or entity, or (d) any payments made upon the Liabilities.

7. The Trustor expressly consents to any impairment of any other collateral for the Liabilities, including, but not limited to, failure to perfect a security interest and release of any other collateral for the Liabilities and any such impairment or release shall not affect the Trustor's obligations hereunder.
8. The Trustor waives and agrees not to enforce any rights of subrogation, contribution, reimbursement, exoneration or indemnification that it may have against the Borrower, any person or entity liable on the Liabilities, or the Premises, until the Borrower and the Trustor have fully performed all their obligations to the Beneficiary, even if those obligations are not covered by this Deed of Trust.
9. The Trustor waives (a) to the extent not prohibited by applicable law, all rights and benefits under any laws or statutes regarding sureties, as may be amended, (b) any right the Trustor may have to receive notice of the following matters before the Beneficiary enforces any of its rights: (i) the Beneficiary's acceptance of this Deed of Trust, (ii) incurrence or acquisition or material alteration of any Liabilities, any credit that the Beneficiary extends to the Borrower, (iii) the Borrower's default, (iv) any demand, diligence, presentment, dishonor and protest, (v) any action that the Beneficiary takes regarding the Borrower, anyone else, any other collateral for the Liabilities, or any of the Liabilities, which it might be entitled to by law or under any other agreement, or (vi) any adverse facts that would affect the Trustor's risk, (c) any right it may have to require the Beneficiary to proceed against the Borrower, any guarantor or other obligor on the Liabilities, the Premises or any other collateral for the Liabilities, or pursue any remedy in the Beneficiary's power to pursue, (d) any defense based on any claim that the Trustor's obligations exceed or are more burdensome than those of the Borrower, (e) the benefit of any statute of limitations affecting the Trustor's obligations hereunder or the enforcement hereof, (f) any defense arising by reason of any disability or other defense of the Borrower or by reason of the cessation from any cause whatsoever (other than payment in full) of the obligation of the Borrower for the Liabilities, (g) any defense based on or arising out of any defense that the Borrower may have to the payment or performance of the Liabilities or any portion thereof and (h) any defense based on or arising out of the Beneficiary's negligent administration of the Liabilities. The Beneficiary may waive or delay enforcing any of its rights without losing them. Any waiver affects only the specific terms and time period stated in the waiver.
10. The Trustor agrees to fully cooperate with the Beneficiary and not to delay, impede or otherwise interfere with the efforts of the Beneficiary to secure payment from the assets which secure the Liabilities including actions, proceedings, motions, orders, agreements or other matters relating to relief from automatic stay, abandonment of property, use of cash collateral and sale of the Beneficiary's collateral free and clear of all liens.
11. The Trustor has (a) without reliance on the Beneficiary or any information received from the Beneficiary and based upon the records and information the Trustor deems appropriate, made an independent investigation of the Borrower, the Borrower's business, assets, operations, prospects and condition, financial or otherwise, and any circumstances that may bear upon those transactions, the Borrower or the obligations, liabilities and risks undertaken pursuant to this agreement; (b) adequate means to obtain from the Borrower on a continuing basis information concerning the Borrower and the Beneficiary has no duty to provide any information concerning the Borrower or other obligor on the Liabilities to the Trustor; (c) full and complete access to the Borrower and any and all records relating to any Liabilities now or in the future owing by the Borrower; (d) not relied and will not rely upon any representations or warranties of the Trustor not embodied in this agreement or any acts taken by the Trustor prior to or after the execution or other authentication and delivery of this agreement (including but not limited to any review by the Trustor of the business, assets, operations, prospects and condition, financial or otherwise, of the Borrower); and (e) determined that the Trustor will receive benefit, directly or indirectly, and has or will receive fair and reasonably equivalent value, for the execution and delivery of this agreement and the rights provided to the Beneficiary. By entering into this agreement, the Trustor does not intend: (i) to incur or believe that the Trustor will incur debts that would be beyond the Trustor's ability to pay as those debts mature; or (ii) to hinder, delay or defraud any creditor of the Trustor. The Trustor is neither engaged in nor about to engage in any business or transaction for which the remaining assets of the Trustor are unreasonably small in relation to the business or transaction, and any property remaining

with the Trustor after the execution or other authentication of this agreement is not unreasonably small capital.

Reinstatement. The Trustor agrees that to the extent any payment or transfer is received by the Beneficiary in connection with the Liabilities, and all or any part of such payment or transfer is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be transferred or repaid by the Beneficiary or paid over to a trustee, receiver or any other person or entity, whether under any bankruptcy act or otherwise (any of those payments or transfers is hereinafter referred to as a "Preferential Payment"), then this Deed of Trust shall continue to be effective or shall be reinstated, as the case may be, even if all Liabilities have been paid in full, and whether or not the Beneficiary is in possession of this Deed of Trust or whether this Deed of Trust has been marked paid, cancelled, released or returned to the Borrower or the Trustor, and, to the extent of the payment or repayment or other transfer by the Beneficiary, the Liabilities or part intended to be satisfied by the Preferential Payment shall be revived and continued in full force and effect as if the Preferential Payment had not been made. If this Deed of Trust must be reinstated, the Trustor agrees to execute and deliver to the Beneficiary any new deeds of trust and agreements, if necessary or if requested by the Beneficiary, in form and substance acceptable to the Beneficiary, covering the Premises. The obligations of Trustor under this section shall survive the termination of this Deed of Trust.

18. Representations by the Trustor. Each Trustor represents that: (a) it owns the Premises in fee title subject only to the Permitted Encumbrances; (b) the execution and delivery of this Deed of Trust and the performance of the obligations it imposes do not violate any law, conflict with any agreement by which it is bound or require the consent or approval of any governmental authority or any third party; (c) this Deed of Trust is a valid and binding agreement enforceable according to its terms; (d) any balance sheets, profit and loss statements, and other financial statements furnished to the Beneficiary in connection with the Liabilities are accurate and fairly reflect the financial condition of the organizations and persons to which they apply on their effective dates, including contingent liabilities of every type, which financial condition has not changed materially and adversely since those dates; (e) it shall not permit any proceedings in foreclosure or otherwise that would affect the Premises, and (f) no portion of the Premises is being used as the Trustor's business or residential homestead.

19. Notice. Any notices and demands under or related to this Deed of Trust shall be in writing and delivered to the intended party at its address stated herein, and if to the Beneficiary, at its main office if no other address of the Beneficiary is specified herein, by one of the following means: (a) by hand; (b) by a nationally recognized overnight courier service; or (c) by certified mail, postage prepaid, with return receipt requested. Notice shall be deemed given: (a) upon receipt if delivered by hand; (b) on the Delivery Day after the day of deposit with a nationally recognized courier service; or (c) on the third Delivery Day after the notice is deposited in the mail. "Delivery Day" means a day other than a Saturday, a Sunday or any other day on which national banking associations are authorized to be closed. Any party may change its address for purposes of the receipt of notices and demands by giving notice of such change in the manner provided in this provision. This notice provision shall be inapplicable to any judicial or non-judicial proceeding where state law governs the manner and timing of notices in foreclosure or receivership proceedings.

20. Miscellaneous. If any provision of this Deed of Trust is in conflict with any statute or rule of law or is otherwise unenforceable for any reason whatsoever, then that provision is null and void to the extent of the conflict or unenforceability and shall be severed from but shall not invalidate any other provision of this Deed of Trust. No waiver by the Beneficiary or the Trustee of any right or remedy granted or failure to insist on strict performance by the Trustor waives any other right or remedy of the Beneficiary and/or the Trustee or waives or bars the subsequent exercise of the same right or remedy by the Beneficiary and/or the Trustee for any subsequent default by the Trustor. All rights and remedies of the Beneficiary and the Trustee are cumulative.

These promises and agreements bind and these rights benefit the parties and their respective successors and assigns. If there is more than one Trustor, the obligations under this Deed of Trust are joint and several and

their agreements, representations, warranties and covenants shall be individual, joint and several. The Trustor agrees that the Beneficiary may at any time sell or transfer interests in all or any part of the Liabilities to one or more purchasers whether or not related to the Beneficiary.

This Deed of Trust and the Related Documents constitute the entire understanding of the parties hereto and may not be amended or altered except by a written instrument that has been signed by the party(ies) against which enforcement of the amendment or alteration is sought.

Captions in this Deed of Trust are for convenience of reference only and do not limit the provisions of this Deed of Trust.

Time is of the essence in this Deed of Trust.

There shall be no merger of the estate or interest created by this Deed of Trust with any other estate or interest in the Premises at any time held by or for the benefit of the Beneficiary, in any capacity, without the written consent of the Beneficiary.

The Beneficiary, at its option, from time to time, and more than once, may appoint in writing a successor or substitute trustee, with or without cause, including the resignation, absence, death, inability, refusal or failure to act of the Trustee. The successor or substitute trustee may be appointed without ever requiring the resignation of the former trustee and without any formality except for the execution and acknowledgment of the appointment by the Beneficiary of this Deed of Trust. The successor or substitute trustee shall then succeed to all rights, obligations, and duties of the Trustee. If the Beneficiary is a national banking association or corporation and such appointment is executed on its behalf by an officer of such national banking association or corporation, such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of the association or corporation. The Trustee shall not be liable for any error or judgment or act done by the Trustee in good faith, or be otherwise responsible or accountable under any circumstances whatsoever (including, without limitation, the Trustee's negligence) except for the Trustee's gross negligence or willful misconduct. The Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by him hereunder, believed by him in good faith to be genuine.

21. Governing Law and Venue. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of Washington; EXCEPT THAT, NOTWITHSTANDING ANY PROVISION OF THIS DEED OF TRUST TO THE CONTRARY, MATTERS REGARDING INTEREST TO BE CHARGED BY THE BANK AND THE EXPORTATION OF INTEREST SHALL BE GOVERNED BY FEDERAL LAW (INCLUDING WITHOUT LIMITATION 12 U.S.C. SECTIONS 85 AND 1831u) AND THE LAW OF THE STATE OF OHIO, WHERE THE MAIN OFFICE OF THE BANK IS LOCATED. The Trustor agrees that any legal action or proceeding with respect to any of its obligations under this Deed of Trust may be brought by the Beneficiary in any state or federal court located in the State of Washington, as the Beneficiary in its sole discretion may elect. By the execution and delivery of this Deed of Trust, the Trustor submits to and accepts, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of those courts. The Trustor waives any claim that the State of Washington is not a convenient forum or the proper venue for any such suit, action or proceeding. The extension of credit that is the subject of this Deed of Trust is being made by the Bank in Ohio.

One or more loans secured by this Deed of Trust was made under a United States Small Business Administration ("SBA") nationwide program which uses tax dollars to assist small business owners (each an "SBA Loan" and each underlying promissory note an "SBA Note"). If the United States is seeking to enforce this Deed of Trust, then under SBA regulations, a) when SBA is the holder of an SBA Note, this Deed of Trust and all documents evidencing or securing the related SBA Loan, to the extent they relate to the SBA

Loan, will be interpreted and enforced under federal law, and b) Lender or SBA may use local or state procedures for purposes such as filing papers, recording documents, giving notice, foreclosing liens, and other purposes. By using these procedures, SBA does not waive any federal immunity from local or state control, penalty, tax or liability. No Borrower or guarantor of an SBA Loan may claim or assert against SBA any local or state law to deny any obligation of a Borrower, or defeat any claim of SBA with respect to an SBA Loan. Any clause in this Deed of Trust requiring arbitration is not enforceable against the SBA when SBA is the holder of an SBA Note secured by this Deed of Trust.

22. Indemnification. In addition to the indemnification provisions described in the Certificate and Indemnity Agreement Regarding Hazardous Substances, the Trustor agrees to indemnify, defend and hold the Beneficiary, its parent companies, subsidiaries, affiliates, their respective successors and assigns and each of their respective shareholders, directors, officers, employees and agents (collectively the "Indemnified Persons") harmless from and against any and all loss, liability, obligation, damage, penalty, judgment, claim, deficiency, expense, interest, penalties, attorneys' fees (including the fees and expenses of attorneys engaged by the Indemnified Person at the Indemnified Person's reasonable discretion) and amounts paid in settlement ("Claims") to which any Indemnified Person may become subject arising out of or relating to this agreement or the Collateral, except to the limited extent that the Claims are proximately caused by the Indemnified Person's gross negligence or willful misconduct. The indemnification provided for in this Section shall survive the termination of this agreement and shall not be affected by the presence, absence or amount of or the payment or nonpayment of any claim, under, any insurance.

The Trustor's indemnity obligations under this Section shall not in any way be affected by the presence or absence of covering insurance, or by the amount of such insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under any insurance policy or policies affecting the Trustor's assets or the Trustor's business activities. Should any Claim be made or brought against any Indemnified Person by reason of any event as to which Trustor's indemnification obligations apply, then, upon any Indemnified Person's demand, the Trustor, at its sole cost and expense, shall defend such Claim in the Trustor's name, if necessary, by the attorneys for the Trustor's insurance carrier (if such Claim is covered by insurance), or otherwise by such attorneys as any Indemnified Person shall approve. Any Indemnified Person may also engage its own attorneys at its reasonable discretion to defend the Indemnified Person and to assist in its defense and the Trustor agrees to pay the fees and disbursements of such attorneys.

WITHOUT LIMITATION OF THE FOREGOING, IT IS THE INTENTION OF TRUSTOR AND TRUSTOR AGREES THAT THE FOREGOING INDEMNITIES SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO CLAIMS, OBLIGATIONS, DAMAGES, LOSSES, COSTS, EXPENSES (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES), DEMANDS, LIABILITIES, PENALTIES, FINES AND FORFEITURES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF THE NEGLIGENCE OF SUCH (AND/OR ANY OTHER) INDEMNIFIED PERSON.

23. Information Waiver. The Trustor agrees that the Beneficiary may provide any information or knowledge the Beneficiary may have about the Trustor or about any matter relating to this Deed of Trust or the Related Documents to JPMorgan Chase & Co., or any of its subsidiaries or affiliates or their successors, or to any one or more purchasers or potential purchasers of all or any part of the Liabilities and/or the Related Documents.

24. WAIVER OF SPECIAL DAMAGES. THE TRUSTOR WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT THE UNDERSIGNED MAY HAVE TO CLAIM OR RECOVER FROM THE BENEFICIARY IN ANY LEGAL ACTION OR PROCEEDING ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES.

25. JURY WAIVER. TO THE MAXIMUM EXTENT NOT PROHIBITED BY APPLICABLE LAW, THE TRUSTOR AND THE BENEFICIARY (BY THEIR ACCEPTANCE HEREOF) HEREBY

VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED ON CONTRACT, TORT, OR OTHERWISE) BETWEEN THE TRUSTOR AND THE BENEFICIARY ARISING OUT OF OR IN ANY WAY RELATED TO THIS DOCUMENT. THIS PROVISION IS A MATERIAL INDUCEMENT TO THE BENEFICIARY TO PROVIDE THE FINANCING DESCRIBED HEREIN.

ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY, EXTEND CREDIT, OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW.

THIS AGREEMENT AND THE OTHER WRITTEN LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES.

THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.
