THIS DEED OF TRUST WITH ASSIGNMENT OF RENTS AND LEASES, SECURITY AGREEMENT AND FIXTURE FILING (this "Deed of Trust") is executed as of April 10, 2025, by 222 FERRY STREET, LLC ("Grantor"), as grantor, to CHICAGO TITLE INSURANCE COMPANY ("Trustee"), as trustee for the benefit of WELLS FARGO BANK, NATIONAL ASSOCIATION as administrative agent under the Credit Agreement (as hereinafter defined), for the benefit of the lenders party thereto ("Beneficiary").

ARTICLE 1. GRANT IN TRUST

1.1 Grant. For the purposes and upon the terms and conditions in this Deed of Trust, Grantor irrevocably grants, conveys and assigns to Trustee, in trust for the benefit of Beneficiary, with power of sale and right of entry and possession, Grantor's interest in: (a) all real property located in Skagit County, Washington, and described on Exhibit A attached hereto; (b) all easements, rights-of-way and rights used in connection with or as a means of access to any portion of said real property; (c) all tenements, hereditaments and appurtenances thereof and thereto; (d) all right, title and interest of Grantor, now owned or hereafter acquired, in and to any land lying within the right-of-way of any street, open or proposed, adjoining said real property, and any and all sidewalks, alleys and strips and gores of land adjacent to or used in connection with said real property; (e) all buildings, improvements and landscaping now or hereafter erected or located on said real property; (f) all development rights, governmental or quasi-governmental licenses, permits or approvals, zoning rights and other similar rights or interests which relate to the development, use or operation of, or that benefit or are appurtenant to said real property; (g) all mineral rights, oil and gas rights, air rights, water or water rights, including without limitation, all wells, canals, ditches and reservoirs of any nature and all rights thereto, appurtenant to or

associated with said real property, whether decreed or undecreed, tributary or non-tributary, surface or underground, appropriated or unappropriated, and all shares of stock in any water, canal, ditch or reservoir company, and all well permits, water service contracts, drainage rights and other evidences of any such rights; and (h) all interest or estate which Grantor now has or may hereafter acquire in said real property and all additions and accretions thereto, and all awards or payments made for the taking of all or any portion of said real property by eminent domain or any proceeding or purchase in lieu thereof, or any damage to any portion of said real property (collectively, the "Subject Property"). The listing of specific rights or property shall not be interpreted as a limitation of general terms.

1.2 Address. The address of the Subject Property (if known) is: 222 Ferry Street, Sedro Woolley, Washington 98284. Neither the failure to designate an address nor any inaccuracy in the address designated shall affect the validity or priority of the lien of this Deed of Trust on the Subject Property as described on Exhibit A. In the event of any conflict between the provisions of Exhibit A and said address, Exhibit A shall control.

ARTICLE 2. OBLIGATIONS SECURED

2.1 Obligations Secured. Grantor makes this grant and assignment for the purpose of securing the following obligations (each, a "Secured Obligation" and collectively, the "Secured Obligations"):

(a) payment to Beneficiary of all sums at any time owing, with interest as provided thereon, and performance of all other obligations arising under or in connection with that certain Credit Agreement dated on or about the date hereof (the "Credit Agreement") among Janicki Industries, Inc., a Washington corporation, Sedro Aero Group, Inc., Beneficiary and the various Lender parties thereto, together with the payment and performance of any other indebtedness or obligations incurred in connection with the credit accommodation evidenced by the Credit Agreement, whether or not specifically referenced therein (capitalized terms herein which are not otherwise defined herein shall have the meanings assigned thereto as set forth in the Credit Agreement); and

(b) payment and performance of all obligations of Grantor under this Deed of Trust, together with all advances, payments or other expenditures made by Beneficiary or Trustee as or for the payment or performance of any such obligations of Grantor; and

(c) payment and performance of all obligations, if any, and the contracts under which they arise, which any rider attached to and recorded with this Deed of Trust recites are secured hereby; and

(d) payment to Beneficiary of all liability, whether liquidated or unliquidated, defined, contingent, conditional or of any other nature whatsoever, and performance of all other obligations, arising under any swap, derivative, foreign exchange or hedge transaction or arrangement (or other similar transaction or arrangement howsoever described or defined) at any time entered into with Beneficiary in connection with any Secured Obligation; and

(e) payment and performance of all future advances and other obligations that the then record owner of the Subject Property may agree to pay and/or perform (whether as principal, surety

or guarantor) for the benefit of Beneficiary, when any such advance or other obligation is evidenced by a writing which recites that it is secured by this Deed of Trust; and

(f) all modifications, extensions and renewals of any of the Secured Obligations (including without limitation, (i) modifications, extensions or renewals at a different rate of interest, or (ii) deferrals or accelerations of the required principal payment dates or interest payment dates or both, in whole or in part), however evidenced, whether or not any such modification, extension or renewal is evidenced by a new or additional promissory note or notes.

2.2 Obligations. The term “obligations” is used herein in its most comprehensive sense and includes any and all advances, debts, obligations and liabilities heretofore, now or hereafter made, incurred or created, whether voluntary or involuntary and however arising, whether due or not due, absolute or contingent, liquidated or unliquidated, determined or undetermined, joint or several, including without limitation, all principal, interest, charges, including prepayment charges and late charges, and loan fees at any time accruing or assessed on any Secured Obligation.

2.3 Incorporation; Future Advances. All terms of the Secured Obligations are incorporated herein by this reference. All persons who may have or acquire an interest in the Subject Property are hereby deemed to have notice of the terms of the Secured Obligations and that this Deed of Trust secures future advances, and to have notice, if provided therein, that: (a) the Credit Agreement or any other Secured Obligation may permit borrowing, repayment and reborrowing; and (b) the rate of interest on one or more of the Secured Obligations may vary from time to time. Funds may be advanced by Beneficiary, repaid by Grantor and subsequently readvanced by Beneficiary. Absent Default under the terms of the Secured Obligations, all advances thereunder by Beneficiary are obligatory and are secured by this Deed of Trust. All such obligatory advances shall have the same priority as the funds initially advanced under any such Secured Obligation.

ARTICLE 3. ASSIGNMENT OF RENTS

3.1 Assignment. For the purposes and upon the terms and conditions set forth herein, Grantor irrevocably assigns to Beneficiary all of Grantor’s right, title and interest in, to and under all leases, licenses, rental agreements and other agreements of any kind relating to the use or occupancy of any of the Subject Property, whether existing as of the date hereof or at any time hereafter entered into, together with all guarantees of and security for any tenant’s or lessee’s performance thereunder, and all amendments, extensions, renewals and modifications thereto (each, a “Lease” and collectively, the “Leases”), together with any and all other rents, issues and profits of the Subject Property (collectively, “Rents”). This assignment shall not impose upon Beneficiary any duty to produce Rents from the Subject Property, nor cause Beneficiary to be: (a) a “mortgagee in possession” for any purpose; (b) responsible for performing any of the obligations of the lessor or landlord under any Lease; or (c) responsible for any waste committed by any person or entity at any time in possession of the Subject Property or any part thereof, or for any dangerous or defective condition of the Subject Property, or for any negligence in the management, upkeep, repair or control of the Subject Property. This is an absolute assignment, not an assignment for security only, and Beneficiary’s right to Rents is not contingent upon and may be exercised without taking possession of the Subject Property. Grantor agrees to execute and deliver to Beneficiary, within five (5) days of Beneficiary’s written request, such additional documents as Beneficiary or

Trustee may reasonably request to further evidence the assignment to Beneficiary of any and all Leases and Rents. Beneficiary or Trustee, at Beneficiary's option and without notice, may notify any lessee or tenant of this assignment of the Leases and Rents.

3.2 Protection of Security. To protect the security of this assignment, Grantor agrees:

(a) At Grantor's sole cost and expense: (i) to perform each obligation to be performed by the lessor or landlord under each Lease and to enforce or secure the performance of each obligation to be performed by the lessee or tenant under each Lease; (ii) not to modify any Lease in any respect that could reasonably be determined to be adverse to the interest of the Beneficiary, nor accept surrender under or terminate the term of any Lease; (iii) not to anticipate the Rents under any Lease; and (iv) not to waive or release any lessee or tenant of or from any Lease obligations. Grantor assigns to Beneficiary all of Grantor's right and power to (aa) modify the terms of any Lease, (bb) to accept a surrender under (cc) terminate the term of or (dd) anticipate the Rents under any Lease, and (ee) to waive or release any lessee or tenant of or from any Lease obligations, all of the foregoing rights in clauses (aa) – (ee) in favor of Beneficiary to be effective upon the occurrence of a Default, and any attempt on the part of Grantor to exercise any such rights or powers without Beneficiary's prior written consent shall be a breach of the terms hereof.

(b) At Grantor's sole cost and expense, to defend any action in any manner connected with any Lease or the obligations thereunder, and to pay all costs of Beneficiary or Trustee, including reasonable attorneys' fees, in any such action in which Beneficiary or Trustee may appear.

(c) That, should Grantor fail to do any act required to be done by Grantor under a Lease, following any applicable notice and cure period, then Beneficiary or Trustee, but without obligation to do so and without notice to Grantor and without releasing Grantor from any obligation hereunder, may make or do the same in such manner and to such extent as Beneficiary or Trustee deems necessary to protect the security hereof, and, in exercising such powers, Beneficiary or Trustee may employ attorneys and other agents, and Grantor shall pay necessary costs and reasonable attorneys' fees incurred by Beneficiary or Trustee, or their agents, in the exercise of the powers granted herein. Grantor shall give prompt notice to Beneficiary of any default by any lessee or tenant under any Lease, and of any notice of default on the part of Grantor under any Lease received from a lessee or tenant thereunder, together with an accurate and complete copy thereof.

(d) To pay to Beneficiary promptly upon demand all sums expended under the authority hereof, including reasonable attorneys' fees, together with interest thereon at the highest rate per annum payable under any Secured Obligation, and the same, at Beneficiary's option, may be added to any Secured Obligation and shall be secured hereby.

3.3 License. Beneficiary confers upon Grantor a license ("License") to collect and retain the Rents as, but not before, they come due and payable, until the occurrence and continuance of any Default. Upon the occurrence and continuance of any Default, the License shall be automatically revoked, and Beneficiary or Trustee may, at Beneficiary's option and without notice, either in person or by agent, with or without bringing any action, or by a receiver to be appointed by a court: (a) enter, take possession of, manage and operate the Subject Property or any

part thereof; (b) make, cancel, enforce or modify any Lease; (c) obtain and evict tenants, fix or modify Rents, and do any acts which Beneficiary or Trustee deems proper to protect the security hereof; and (d) either with or without taking possession of the Subject Property, in its own name, sue for or otherwise collect and receive all Rents, including those past due and unpaid, and apply the same in accordance with the provisions of this Deed of Trust. The entering and taking possession of the Subject Property, the collection of Rents and the application thereof as aforesaid, shall not cure or waive any Default, nor waive, modify or affect any notice of default hereunder, nor invalidate any act done pursuant to any such notice. The License shall not grant to Beneficiary or Trustee the right to possession, except as provided in this Deed of Trust.

3.4 Assignment of Leases Perfected. The assignment by Grantor of the Leases and Rents in this Article III is intended to be specific, perfected and choate upon the recording of this Deed of Trust as provided in RCW 7.28.230(3).

ARTICLE 4. SECURITY AGREEMENT AND FIXTURE FILING

4.1 Security Interest. Grantor hereby grants and assigns to Beneficiary a security interest, to secure payment and performance of all of the Secured Obligations, in all of the following described personal property in which Grantor now or at any time hereafter has any interest and which is located on or used in connection with the Subject Property (collectively, the "Collateral"):

All goods, building and other materials, supplies, inventory, work in process, equipment, machinery, fixtures, furniture, furnishings, signs and other personal property and embedded software included therein and supporting information, wherever situated, which are or are to be incorporated into, used in connection with, or appropriated for use on the Subject Property; together with all payments and other rents and security deposits derived from the Subject Property; all inventory, accounts, cash receipts, deposit accounts, accounts receivable, contract rights, licenses, agreements, general intangibles, payment intangibles, software, chattel paper (whether electronic or tangible), instruments, documents, promissory notes, drafts, letters of credit, letter of credit rights, supporting obligations, insurance policies, insurance and condemnation awards and proceeds, proceeds of the sale of promissory notes, any other rights to the payment of money, trade names, trademarks and service marks arising from or related to the ownership, management, leasing, operation, sale or disposition of the Subject Property or any business now or hereafter conducted thereon by Grantor; all development rights and credits, and any and all permits, consents, approvals, licenses, authorizations and other rights granted by, given by or obtained from, any Governmental Authority with respect to the Subject Property; all water and water rights, wells and well rights, canals and canal rights, ditches and ditch rights, springs and spring rights, and reservoirs and reservoir rights appurtenant to or associated with the Subject Property, whether decreed or undecreed, tributary, non-tributary or not non-tributary, surface or underground or appropriated or unappropriated, and all shares of stock in water, ditch, lateral and canal companies, well permits and all other evidences of any of such rights; all deposits or other security now or hereafter made with or given to utility companies by Grantor with respect to the Subject Property; all advance payments of insurance premiums made by Grantor with respect to the Subject Property; all plans, drawings and specifications relating to the Subject Property; all loan funds held by Beneficiary, whether or not disbursed; all funds deposited with Beneficiary pursuant to any credit agreement; all reserves, deferred payments, deposits, accounts, refunds, cost savings and

payments of any kind related to the Subject Property or any portion thereof; all of Grantor's right, title and interest, now or hereafter acquired, to the payment of money from Beneficiary to Grantor under any swap, derivative, foreign exchange or hedge transaction or arrangement (or similar transaction or arrangement howsoever described or defined) at any time entered into between Grantor and Beneficiary in connection with the Credit Agreement; together with all replacements and proceeds of, and additions and accessions to, any of the foregoing; together with all books, records and files relating to any of the foregoing.

As to all of the above described personal property which is or which hereafter becomes a "fixture" under applicable law, this Deed of Trust constitutes a fixture filing under the Washington Uniform Commercial Code, as amended or recodified from time to time ("UCC").

4.2 **Rights of Beneficiary.** Upon the occurrence and continuance of a Default, Beneficiary shall have all the rights of a "Secured Party" under the UCC. In addition to such rights, Beneficiary may, but shall not be obligated to, at any time without notice and at the expense of Grantor: (a) give notice to any person of Beneficiary's rights hereunder and enforce such rights at law or in equity; (b) insure, protect, defend and preserve the Collateral or any rights or interests of Beneficiary therein; (c) inspect the Collateral; and (d) endorse, collect and receive any right to payment of money owing to Grantor under or from the Collateral. Beneficiary may: (i) upon written notice, require Grantor to assemble any or all of the Collateral and make it available to Beneficiary at a place designated by Beneficiary; (ii) without prior notice, enter upon the Subject Property or other place where any of the Collateral may be located and take possession of, collect, sell, and dispose of any or all of the Collateral, and store the same at locations acceptable to Beneficiary at Grantor's expense; and/or (iii) sell, assign and deliver at any place or in any lawful manner all or any part of the Collateral and bid and become the purchaser at any such sales. Notwithstanding the above, in no event shall Beneficiary be deemed to have accepted any property other than cash in satisfaction of any obligation of Grantor to Beneficiary unless Beneficiary shall make an express written election of said remedy under the UCC or other applicable law.

Grantor acknowledges and agrees that a disposition of the Collateral in accordance with Beneficiary's rights and remedies as heretofore provided is a disposition thereof in a commercially reasonable manner and that ten days prior notice of such disposition is commercially reasonable notice. Grantor further agrees that any sale or other disposition of all or any portion of the Collateral may be applied by Beneficiary first to the reasonable expenses in connection therewith, including reasonable attorneys' fees and disbursements, and then to the payment of the Secured Obligations.

ARTICLE 5. RIGHTS AND DUTIES OF THE PARTIES

5.1 **Title.** Grantor warrants that, except as disclosed to Beneficiary prior to the date hereof in a writing which refers to this warranty, Grantor lawfully possesses and holds fee simple title to or, if permitted by Beneficiary in writing, a leasehold interest in, the Subject Property without limitation on the right to encumber, as herein provided, and that this Deed of Trust is a valid lien on the Subject Property and all of Grantor's interest therein.

5.2 **Taxes and Assessments.** Subject to the right, if any, of Grantor to contest payment of the following pursuant to any other agreement between Grantor and Beneficiary, Grantor shall

pay prior to delinquency all taxes, assessments, levies and charges imposed: (a) by any public or quasi-public authority or utility company which are or which may become a lien upon or cause a loss in value of the Subject Property or any interest therein; or (b) by any public authority upon Beneficiary by reason of its interest in any Secured Obligation or in the Subject Property, or by reason of any payment made to Beneficiary pursuant to any Secured Obligation; provided however, that Grantor shall have no obligation to pay any income taxes of Beneficiary. Promptly upon request by Beneficiary, Grantor shall furnish to Beneficiary satisfactory evidence of the payment of all of the foregoing. Beneficiary is hereby authorized to request and receive from the responsible governmental and non-governmental personnel written statements with respect to the accrual and payment of any of the foregoing.

5.3 Performance of Secured Obligations. Grantor shall promptly pay and perform each Secured Obligation when due.

5.4 Liens, Encumbrances and Charges. Grantor shall promptly discharge any lien on the Subject Property not approved by Beneficiary in writing. Except as otherwise provided in any Secured Obligation or other agreement with Beneficiary, Grantor shall pay when due all obligations secured by or reducible to liens and encumbrances which shall now or hereafter encumber the Subject Property, whether senior or subordinate hereto, including without limitation, any mechanics' liens.

5.5 Insurance. Grantor shall insure the Subject Property against loss or damage by fire and such other risks as specified in and required under Section 8.6 of the Credit Agreement.

5.6 Tax and Insurance Impounds. At Beneficiary's option and upon its demand, during the existence of a Default, Grantor shall, until all Secured Obligations have been paid in full, pay to Beneficiary monthly, annually or as otherwise directed by Beneficiary an amount estimated by Beneficiary to be equal to: (a) all taxes, assessments, levies and charges imposed by any public or quasi-public authority or utility company which are or may become a lien upon the Subject Property and will become due for the tax year during which such payment is so directed; and (b) premiums for fire, other hazard and mortgage insurance next due. If Beneficiary determines that amounts paid by Grantor are insufficient for the payment in full of such taxes, assessments, levies and/or insurance premiums, Beneficiary shall notify Grantor of the increased amount required for the payment thereof when due, and Grantor shall pay to Beneficiary such additional amount within thirty (30) days after notice from Beneficiary. All amounts so paid shall not bear interest, except to the extent and in the amount required by law. So long as no Default remains continuing, Beneficiary shall apply said amounts to the payment of, or at Beneficiary's sole option release said funds to Grantor for application to and payment of, such taxes, assessments, levies, charges and insurance premiums. If a Default has occurred and remains continuing, Beneficiary at its sole option may apply all or any part of said amounts to any Secured Obligation and/or to cure such Default, in which event Grantor shall be required to restore all amounts so applied, as well as to cure any Default not cured by such application. Grantor hereby grants and transfers to Beneficiary a security interest in all amounts so paid and held in Beneficiary's possession, and all proceeds thereof, to secure the payment and performance of each Secured Obligation. Upon assignment of this Deed of Trust, Beneficiary shall have the right to assign all amounts collected and in its possession to its assignee, whereupon Beneficiary and Trustee shall be released from all liability with respect thereto. The existence of said impounds shall not limit Beneficiary's rights under any

other provision of this Deed of Trust or any other agreement, statute or rule of law. Within ninety-five (95) days following full repayment of all Secured Obligations (other than as a consequence of a foreclosure or conveyance in lieu of foreclosure of the liens and security interests securing any Secured Obligation), or at such earlier time as Beneficiary in its discretion may elect, the balance of all amounts collected and in Beneficiary's possession shall be paid to Grantor, and no other party shall have any right of claim thereto.

5.7 Damages, Insurance and Condemnation Proceeds.

(a) (i) All awards of damages and all other compensation payable directly or indirectly by reason of a condemnation or proposed condemnation (or transfer in lieu thereof) for public or private use affecting the Subject Property; (ii) all other claims and awards for damages to or decrease in value of the Subject Property; (iii) all proceeds of any insurance policies payable by reason of loss sustained to the Subject Property; and (iv) all interest which may accrue on any of the foregoing, are all absolutely and irrevocably assigned to and shall be paid to Beneficiary or, in the case of clause (iii) shall be paid to Beneficiary in accordance with the terms of the Credit Agreement. At the absolute discretion of Beneficiary, subject to Section 5.7(b), whether or not its security is or may be impaired, but subject to applicable law if any, and without regard to any requirement contained in any other Section hereof, Beneficiary may apply all or any of the proceeds it receives to its expenses in settling, prosecuting or defending any such claim and apply the balance to the Secured Obligations in any order, and release all or any part of the proceeds to Grantor upon any conditions Beneficiary may impose. Beneficiary may commence, appear in, defend or prosecute any assigned claim or action, and may adjust, compromise, settle and collect all claims and awards assigned to Beneficiary; provided however, that in no event shall Beneficiary be responsible for any failure to collect any claim or award, regardless of the cause of the failure.

(b) At its sole option, Beneficiary may permit insurance or condemnation proceeds held by Beneficiary to be used for repair or restoration but may condition such application upon reasonable conditions, including, without limitation: (i) the deposit with Beneficiary of such additional funds which Beneficiary determines are needed to pay all costs of the repair or restoration, (including, without limitation, taxes, financing charges, insurance and rent during the repair period); (ii) the establishment of an arrangement for lien releases and disbursement of funds acceptable to Beneficiary (the arrangement contained in the Loan Agreement for obtaining lien releases and disbursing loan funds shall be deemed reasonable with respect to disbursement of insurance or condemnation proceeds); (iii) the delivery to Beneficiary of plans and specifications for the work, a contract for the work signed by a contractor acceptable to Beneficiary, a cost breakdown for the work and a payment and performance bond for the work, all of which shall be acceptable to Beneficiary; and (iv) the delivery to Beneficiary of evidence acceptable to Beneficiary: (aa) that after completion of the work the income from the Property will be sufficient to pay all expenses and debt service for the Property; (bb) of the continuation of Leases acceptable to and required by Beneficiary; (cc) that upon completion of the work, the size, capacity and total value of the Property will be at least as great as it was before the damage or condemnation occurred; (dd) that there has been no material adverse change in the financial condition or credit of Grantor and Borrower and any guarantors since the date of this Deed of Trust; and (ee) of the satisfaction of any additional conditions that Beneficiary may reasonably establish to protect its security. Grantor hereby acknowledges that the conditions described above are reasonable, and, if such conditions have not been satisfied within thirty (30) days of receipt by Beneficiary of such

insurance or condemnation proceeds, then Beneficiary may apply such insurance or condemnation proceeds to pay the Secured Obligations in such order and amounts as Beneficiary in its sole discretion may choose.

5.8 Maintenance and Preservation of Subject Property. Subject to the provisions of any Secured Obligation, Grantor covenants:

- (a) to keep the Subject Property in good condition and repair;
- (b) except with Beneficiary's prior written consent, and except for commercially reasonable tenant improvements made in conjunction with any lease or sublease of the Subject Property, not to remove or demolish the Subject Property, nor alter, restore or add to the Subject Property, nor initiate or acquiesce in any change in any zoning or other land classification which affects the Subject Property;
- (c) to restore promptly and in good workmanlike manner any portion of the Subject Property which may be damaged or destroyed, unless Beneficiary requires that all of the insurance proceeds be used to reduce the Secured Obligations as provided in Section 5.7 hereof entitled Damages: Insurance and Condemnation Proceeds;
- (d) to comply with and not to suffer violation of any or all of the following which govern acts or conditions on, or otherwise affect the Subject Property: (i) laws, ordinances, regulations, standards and judicial and administrative rules and orders; (ii) covenants, conditions, restrictions and equitable servitudes, whether public or private; and (iii) requirements of insurance companies and any bureau or agency which establishes standards of insurability;
- (e) not to commit or permit waste of the Subject Property; and
- (f) to do all other acts which from the character or use of the Subject Property may be reasonably necessary to maintain and preserve its value.

5.9 Protection of Security. Grantor shall, at Grantor's sole expense: (a) protect, preserve and defend the Subject Property and Grantor's title and right to possession of the Subject Property against all adverse claims; (b) if Grantor's interest in the Subject Property is a leasehold interest or estate, pay and perform in a timely manner all obligations to be paid and/or performed by the lessee or tenant under the lease or other agreement creating such leasehold interest or estate; and (c) protect, preserve and defend the security of this Deed of Trust and the rights and powers of Beneficiary and Trustee under this Deed of Trust against all adverse claims. Grantor shall give Beneficiary and Trustee prompt notice in writing of the assertion of any claim, the filing of any action or proceeding, or the occurrence of any damage, condemnation offer or other action relating to or affecting the Subject Property and, if Grantor's interest in the Subject Property is a leasehold interest or estate, of any notice of default or demand for performance under the lease or other agreement pursuant to which such leasehold interest or estate was created or exists.

5.10 Acceptance of Trust; Powers and Duties of Trustee. Trustee accepts this trust when this Deed of Trust is executed. From time to time, upon written request of Beneficiary and, to the extent required by applicable law presentation of this Deed of Trust for endorsement, and without affecting the personal liability of any person for payment of any indebtedness or performance of

any of the Secured Obligations, Beneficiary, or Trustee at Beneficiary's direction, may, without obligation to do so or liability therefor and without notice: (a) reconvey all or any part of the Subject Property from the lien of this Deed of Trust; (b) consent to the making of any map or plat of the Subject Property; and (c) join in any grant of easement or any declaration of covenants and restrictions with respect to the Subject Property, or any extension agreement or any agreement subordinating the lien or charge of this Deed of Trust. Trustee or Beneficiary may from time to time apply to any court of competent jurisdiction for aid and direction in the execution of the trusts and the enforcement of its rights and remedies available under this Deed of Trust, and may obtain orders or decrees directing, confirming or approving acts in the execution of said trusts and the enforcement of said rights and remedies. Trustee has no obligation to notify any party of any pending sale or any action or proceeding (including, but not limited to, actions in which Grantor, Beneficiary or Trustee shall be a party) unless held or commenced and maintained by Trustee under this Deed of Trust. Trustee shall not be obligated to perform any act required of it under this Deed of Trust unless the performance of the act is requested in writing and Trustee is reasonably indemnified against all losses, costs, liabilities and expenses in connection therewith.

5.11 Compensation; Exculpation; Indemnification.

(a) Unless due to Beneficiary's or Trustee's gross negligence or willful misconduct, as determined in a final adjudication by a court of competent jurisdiction, Grantor shall pay all Trustee's fees and reimburse Trustee for all expenses in the administration of this trust, including reasonable attorneys' fees. Grantor shall pay Beneficiary reasonable compensation for services rendered concerning this Deed of Trust, including without limitation, the providing of any statement of amounts owing under any Secured Obligation. Beneficiary shall not directly or indirectly be liable to Grantor or any other person as a consequence of: (i) the exercise of any rights, remedies or powers granted to Beneficiary in this Deed of Trust; (ii) the failure or refusal of Beneficiary to perform or discharge any obligation or liability of Grantor under this Deed of Trust or any Lease or other agreement related to the Subject Property; or (iii) any loss sustained by Grantor or any third party as a result of Beneficiary's failure to lease the Subject Property after any Default or from any other act or omission of Beneficiary in managing the Subject Property after any Default unless such loss is caused by the willful misconduct or gross negligence of Beneficiary; and no such liability shall be asserted or enforced against Beneficiary, and all such liability is hereby expressly waived and released by Grantor.

(b) Unless due to Beneficiary's or Trustee's gross negligence or willful misconduct as determined in a final adjudication by a court of competent jurisdiction, Grantor shall indemnify Trustee and Beneficiary against, and hold them harmless from, any and all losses, damages, liabilities, claims, causes of action, judgments, court costs, reasonable attorneys' fees and other legal expenses, costs of evidence of title, costs of evidence of value, and other expenses which either may suffer or incur: (i) by reason of this Deed of Trust; (ii) by reason of the execution of this trust or the performance of any act required or permitted hereunder or by law; (iii) as a result of any failure of Grantor to perform Grantor's obligations; or (iv) by reason of any alleged obligation or undertaking of Beneficiary to perform or discharge any of the representations, warranties, conditions, covenants or other obligations contained in any other document related to the Subject Property, including without limitation, the payment of any taxes, assessments, rents or other lease obligations, liens, encumbrances or other obligations of Grantor under this Deed of Trust. Grantor's duty to indemnify Trustee and Beneficiary shall survive the payment, discharge

or cancellation of the Secured Obligations and the release or reconveyance, in whole or in part, of this Deed of Trust.

(c) Grantor shall pay all indebtedness arising under this Section promptly upon demand by Trustee or Beneficiary, together with interest thereon from the date of demand until paid in full at the highest rate per annum payable under any Secured Obligation. Beneficiary may, at its option, add any such indebtedness to any Secured Obligation.

5.12 Substitution of Trustees. From time to time, by a writing signed and acknowledged by Beneficiary and recorded in the Office of the Recorder of each County in which the Subject Property is situated, Beneficiary may appoint another trustee to act in the place and stead of Trustee or any successor. Such writing shall set forth the recordation date and any recording or other information required by law. The recordation of such instrument of substitution shall discharge Trustee herein named and shall appoint the new trustee as the trustee hereunder with the same effect as if originally named Trustee herein. A writing recorded pursuant to the provisions of this Section shall be conclusive proof of the proper substitution of such new Trustee.

5.13 Due on Sale or Encumbrance. Except as permitted by the provisions of any Secured Obligation or applicable law, if the Subject Property or any interest therein shall be sold, transferred (including without limitation, where applicable, through sale or transfer of a majority or controlling interest of the corporate stock, or any general partnership, limited liability company or other similar interests, of Grantor), mortgaged, assigned, encumbered or leased, whether voluntarily, involuntarily or by operation of law (each of which actions and events is called a "Transfer"), without Beneficiary's prior written consent, THEN Beneficiary may, at its sole option, declare all Secured Obligations immediately due and payable in full. Grantor shall notify Beneficiary in writing of each Transfer within ten (10) days of the date thereof.

5.14 Releases, Extensions, Modifications and Additional Security. Without notice to or the consent, approval or agreement of any persons or entities having any interest at any time in the Subject Property or in any manner obligated under any Secured Obligation (each, an "Interested Party"), Beneficiary may, from time to time, release any Interested Party from liability for the payment of any Secured Obligation, take any action or make any agreement extending the maturity or otherwise altering the terms or increasing the amount of any Secured Obligation, accept additional security, and enforce, waive, subordinate or release all or a portion of the Subject Property or any other security for any Secured Obligation. None of the foregoing actions shall release or reduce the personal liability of any Interested Party, nor release or impair the priority of the lien of this Deed of Trust upon the Subject Property.

5.15 Reconveyance. Upon Beneficiary's written request, and solely to the extent required by applicable law upon surrender of this Deed of Trust and every promissory note or other instrument setting forth any Secured Obligations to Trustee for cancellation, Trustee shall reconvey, without warranty, the Subject Property, or that portion thereof then covered hereby, from the lien of this Deed of Trust. The recitals of any matters or facts in any reconveyance executed hereunder shall be conclusive proof of the truthfulness thereof. To the extent permitted by law, the reconveyance may describe the grantee as "the person or persons legally entitled thereto." Neither Beneficiary nor Trustee shall have any duty to determine the rights of persons claiming to be rightful grantees of any reconveyance. When the Subject Property has been fully

reconveyed, the last such reconveyance shall operate as a reassignment of all future Rents to the person or persons legally entitled thereto. Upon Beneficiary's demand, Grantor shall pay all reasonable costs and expenses incurred by Beneficiary in connection with any reconveyance.

5.16 Subrogation. Beneficiary shall be subrogated to the lien of all encumbrances, whether released of record or not, paid in whole or in part by Beneficiary pursuant to this Deed of Trust or by the proceeds of any Secured Obligation.

5.17 Grantor Different From Obligor ("Third Party Grantor"). As used in this Section, the term "Obligor" shall mean each person or entity obligated in any manner under any of the Secured Obligations; and the term "Third Party Grantor" shall mean (1) each person or entity included in the definition of Grantor herein and which is not an Obligor under all of the Secured Obligations, and (2) each person or entity included in the definition of Grantor herein if any Obligor is not included in said definition.

(a) Representations and Warranties. Each Third Party Grantor represents and warrants to Beneficiary that: (i) this Deed of Trust is executed at an Obligor's request; (ii) this Deed of Trust complies with all agreements between each Third Party Grantor and any Obligor regarding such Third Party Grantor's execution hereof; (iii) Beneficiary has made no representation to any Third Party Grantor as to the creditworthiness of any Obligor; and (iv) each Third Party Grantor has established adequate means of obtaining from each Obligor on a continuing basis financial and other information pertaining to such Obligor's financial condition. Each Third Party Grantor agrees to keep adequately informed from such means of any facts, events or circumstances which might in any way affect such Third Party Grantor's risks hereunder. Each Third Party Grantor further agrees that Beneficiary shall have no obligation to disclose to any Third Party Grantor any information or material about any Obligor which is acquired by Beneficiary in any manner. The liability of each Third Party Grantor hereunder shall be reinstated and revived, and the rights of Beneficiary shall continue if and to the extent that for any reason any amount at any time paid on account of any Secured Obligation is rescinded or must otherwise be restored by Beneficiary, whether as a result of any proceedings in bankruptcy or reorganization or otherwise, all as though such amount had not been paid. The determination as to whether any amount so paid must be rescinded or restored shall be made by Beneficiary in its sole discretion; provided however, that if Beneficiary chooses to contest any such matter at the request of any Third Party Grantor, except due to the willful misconduct or gross negligence of Beneficiary each Third Party Grantor agrees to indemnify and hold Beneficiary harmless from and against all reasonable costs and expenses, including reasonable attorneys' fees, expended or incurred by Beneficiary in connection therewith, including without limitation, in any litigation with respect thereto.

(b) Waivers.

(i) Each Third Party Grantor waives any right to require Beneficiary to: (A) proceed against any Obligor or any other person; (B) marshal assets or proceed against or exhaust any security held from any Obligor or any other person; (C) give notice of the terms, time and place of any public or private sale or other disposition of personal property security held from any Obligor or any other person; (D) take any other action or pursue any other remedy in Beneficiary's power; or (E) make any presentment or demand for performance, or give any notice of nonperformance, protest, notice of protest or notice of dishonor hereunder or in connection with

any obligations or evidences of indebtedness held by Beneficiary as security for or which constitute in whole or in part the Secured Obligations, or in connection with the creation of new or additional obligations.

(ii) Each Third Party Grantor waives any defense to its obligations hereunder based upon or arising by reason of: (A) any disability or other defense of any Obligor or any other person; (B) the cessation or limitation from any cause whatsoever, other than payment in full, of any Secured Obligation; (C) any lack of authority of any officer, director, partner, agent or any other person acting or purporting to act on behalf of any Obligor which is a corporation, partnership or other type of entity, or any defect in the formation of any such Obligor; (D) the application by any Obligor of the proceeds of any Secured Obligation for purposes other than the purposes represented by any Obligor to, or intended or understood by, Beneficiary or any Third Party Grantor; (E) any act or omission by Beneficiary which directly or indirectly results in or aids the discharge of any Obligor or any portion of any Secured Obligation by operation of law or otherwise, or which in any way impairs or suspends any rights or remedies of Beneficiary against any Obligor; (F) any impairment of the value of any interest in any security for the Secured Obligations or any portion thereof, including without limitation, the failure to obtain or maintain perfection or recordation of any interest in any such security, the release of any such security without substitution, and/or the failure to preserve the value of, or to comply with applicable law in disposing of, any such security; (G) any modification of any Secured Obligation, in any form whatsoever, including without limitation the renewal, extension, acceleration or other change in time for payment of, or other change in the terms of, any Secured Obligation or any portion thereof, including increase or decrease of the rate of interest thereon; or (H) any requirement that Beneficiary give any notice of acceptance of this Deed of Trust. Until all Secured Obligations shall have been paid in full, no Third Party Grantor shall have any right of subrogation, and each Third Party Grantor waives any right to enforce any remedy which Beneficiary now has or may hereafter have against any Obligor or any other person, and waives any benefit of, or any right to participate in, any security now or hereafter held by Beneficiary. Each Third Party Grantor further waives all rights and defenses it may have arising out of: (1) any election of remedies by Beneficiary, even though that election of remedies, such as a non-judicial foreclosure with respect to any security for any portion of the Secured Obligations, destroys such Third Party Grantor's rights of subrogation or such Third Party Grantor's rights to proceed against any Obligor for reimbursement; or (2) any loss of rights any Third Party Grantor may suffer by reason of any rights, powers or remedies of any Obligor in connection with any anti-deficiency laws or any other laws limiting, qualifying or discharging any Obligor's obligations, whether by operation of the Washington Deed of Trust Act at Ch. 61.24 RCW as from time to time amended, or otherwise, including any rights any Third Party Grantor may have to a fair market value hearing to determine the size of a deficiency following any trustee's foreclosure sale or other disposition of any security for any portion of the Secured Obligations.

(iii) If any of said waivers is determined to be contrary to any applicable law or public policy, such waiver shall be effective to the extent permitted by applicable law or public policy.

ARTICLE 6. DEFAULT PROVISIONS

6.1 Default. The occurrence of an “Event of Default” under and as defined in Section 10.1 of the Credit Agreement, as the same may be amended, supplemented or modified from time to time, shall constitute a “Default” under this Deed of Trust.

6.2 Rights and Remedies. Upon the occurrence and continuance of any Default, and at any time thereafter, Beneficiary and Trustee shall have all the following rights and remedies:

(a) With or without notice, to declare all Secured Obligations immediately due and payable in full.

(b) With or without notice, without releasing Grantor from any Secured Obligation and without becoming a mortgagee in possession, to cure any Default of Grantor and, in connection therewith: (i) to enter upon the Subject Property and to do such acts and things as Beneficiary or Trustee deems necessary or desirable to protect the security of this Deed of Trust, including without limitation, to appear in and defend any action or proceeding purporting to affect the security of this Deed of Trust or the rights or powers of Beneficiary or Trustee hereunder; (ii) to pay, purchase, contest or compromise any encumbrance, charge, lien or claim of lien which, in the judgment of either Beneficiary or Trustee, is senior in priority to this Deed of Trust, the judgment of Beneficiary or Trustee being conclusive as between the parties hereto; (iii) to obtain, and to pay any premiums or charges with respect to, any insurance required to be carried hereunder; and (iv) to employ counsel, accountants, contractors and other appropriate persons to assist them.

(c) To commence and maintain an action or actions in any court of competent jurisdiction to foreclose this Deed of Trust as a mortgage or to obtain specific enforcement of the covenants of Grantor under this Deed of Trust, and Grantor agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy. For the purposes of any suit brought under this subsection, Grantor waives the defenses of laches and any applicable statute of limitations.

(d) To apply to a court of competent jurisdiction for and obtain appointment of a receiver of the Subject Property as a matter of strict right and without regard to: (i) the adequacy of the security for the repayment of the Secured Obligations; (ii) the existence of a declaration that the Secured Obligations are immediately due and payable; or (iii) the filing of a notice of default; and Grantor consents to such appointment.

(e) To take and possess all documents, books, records, papers and accounts of Grantor or the then owner of the Subject Property; to make or modify Leases of, and other agreements with respect to, the Subject Property upon such terms and conditions as Beneficiary deems proper; and to make repairs, alterations and improvements to the Subject Property deemed necessary, in Trustee's or Beneficiary's judgment, to protect or enhance the security hereof.

(f) To execute or cause Trustee to execute a written notice of such Default and of its election to cause the Subject Property to be sold in accordance with the Washington Deed of Trust Act at Ch. 61.24 RCW to satisfy the Secured Obligations. Trustee shall give and record such notice as the law then requires as a condition precedent to a trustee's sale. When the minimum period of time required by law after such notice has elapsed, Trustee, without notice to or demand upon

Grantor, except as otherwise required by law, shall sell the Subject Property at the time and place of sale fixed by it in the notice of sale, at one or several sales, either as a whole or in separate parcels and in such manner and order, all as directed by Beneficiary in its sole discretion, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Except as required by law, neither Grantor nor any other person or entity shall have the right to direct the order in which the Subject Property is sold. Subject to requirements and limits imposed by law, Trustee may postpone any sale of the Subject Property by public announcement at such time and place of sale, and from time to time may postpone such sale by public announcement at the time and place fixed by the preceding postponement. Trustee shall deliver to the purchaser at such sale a deed conveying the Subject Property or portion thereof so sold, but without any covenant or warranty, express or implied. The recitals in said deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustee, Grantor or Beneficiary, may purchase at such sale.

(g) To resort to and realize upon the security hereunder and any other security now or later held by Beneficiary concurrently or successively and in one or several consolidated or independent judicial actions or lawfully taken non-judicial proceedings, or both, and to apply the proceeds received in accordance with Section 6.3 hereof entitled Application of Foreclosure Sale Proceeds, all in such order and manner as Beneficiary shall determine in its sole discretion.

(h) Upon sale of the Subject Property at any judicial or non-judicial foreclosure, Beneficiary may credit bid (as determined by Beneficiary in its sole discretion) all or any portion of the Secured Obligations. In determining such credit bid, Beneficiary may, but is not obligated to, take into account all or any of the following: (i) appraisals of the Subject Property as such appraisals may be discounted or adjusted by Beneficiary in its sole underwriting discretion; (ii) expenses and costs incurred by Beneficiary with respect to the Subject Property prior to foreclosure; (iii) expenses and costs which Beneficiary anticipates will be incurred with respect to the Subject Property after foreclosure, but prior to resale, including without limitation, costs of structural reports and other due diligence, costs to carry the Subject Property prior to resale, costs of resale (e.g., commissions, reasonable attorneys' fees, and taxes), Hazardous Materials clean-up and monitoring, deferred maintenance, repair, refurbishment and retrofit, and costs of defending or settling litigation affecting the Subject Property; (iv) declining trends in real property values generally and with respect to properties similar to the Subject Property; (v) anticipated discounts upon resale of the Subject Property as a distressed or foreclosed property; (vi) the existence of additional collateral, if any, for the Secured Obligations; and (vii) such other factors or matters that Beneficiary deems appropriate. Grantor acknowledges and agrees that: (A) Beneficiary is not required to use any or all of the foregoing factors to determine the amount of its credit bid; (B) this Section does not impose upon Beneficiary any additional obligations that are not imposed by law at the time the credit bid is made; (C) the amount of Beneficiary's credit bid need not have any relation to any loan-to-value ratios specified in any agreement between Grantor and Beneficiary or previously discussed by Grantor and Beneficiary; and (D) Beneficiary's credit bid may be, at Beneficiary's sole discretion, higher or lower than any appraised value of the Subject Property.

6.3 Application of Foreclosure Sale Proceeds. After deducting all costs, fees and expenses of Trustee, and of this trust, including costs of evidence of title and reasonable attorneys' fees in connection with a sale, all proceeds of any foreclosure sale shall be applied first, to payment of all Secured Obligations (including without limitation, all sums expended by Beneficiary under

the terms hereof and not then repaid, with accrued interest at the highest rate per annum payable under any Secured Obligation), in such order and amounts as Beneficiary in its sole discretion shall determine; and the remainder, if any, to the person or persons legally entitled thereto.

6.4 Application of Other Sums. All Rents or other sums received by Beneficiary or any agent or receiver hereunder, less all costs and expenses incurred by Beneficiary or such agent or receiver, including reasonable attorneys' fees, shall be applied to payment of the Secured Obligations in such order as Beneficiary shall determine in its sole discretion; provided however, that Beneficiary shall have no liability for funds not actually received by Beneficiary.

6.5 No Cure or Waiver. Neither Beneficiary's, Trustee's or any receiver's entry upon and taking possession of the Subject Property, nor any collection of Rents, insurance proceeds, condemnation proceeds or damages, other security or proceeds of other security, or other sums, nor the application of any collected sum to any Secured Obligation, nor the exercise of any other right or remedy by Beneficiary, Trustee or any receiver shall impair the status of the security of this Deed of Trust, or cure or waive any breach, Default or notice of default under this Deed of Trust, or nullify the effect of any notice of default or sale (unless all Secured Obligations and any other sums then due hereunder have been paid in full and Grantor has cured all other Defaults), or prejudice Beneficiary or Trustee in the exercise of any right or remedy, or be construed as an affirmation by Beneficiary of any tenancy, lease or option of the Subject Property or a subordination of the lien of this Deed of Trust.

6.6 Costs, Expenses and Attorneys' Fees. Grantor agrees to pay to Beneficiary promptly upon demand the full amount of all payments, advances, charges, reasonable costs and expenses, including court costs and reasonable attorneys' fees (to include outside counsel fees and all allocated costs of Beneficiary's in-house counsel), expended or incurred by Trustee or Beneficiary pursuant to this Article VI, whether incurred at the trial or appellate level, in an arbitration proceeding or otherwise, and including any of the foregoing incurred in connection with any bankruptcy proceeding (including without limitation, any adversary proceeding, contested matter or motion brought by Beneficiary or any other person) relating to Grantor or in any way affecting any of the Subject Property or Beneficiary's ability to exercise any of its rights or remedies with respect thereto. All of the foregoing shall be paid by Grantor with interest from the date of demand until paid in full at the highest rate per annum payable under any Secured Obligation.

6.7 Power to File Notices and Cure Defaults. Grantor hereby irrevocably appoints Beneficiary and its successors and assigns as Grantor's true attorney-in-fact to perform any of the following powers, which agency is coupled with an interest: (a) to execute and/or record any notices of completion, cessation of labor, or any other notices that Beneficiary deems appropriate to protect Beneficiary's interest; and (b) upon the occurrence of any event, act or omission which with the giving of notice or the passage of time, or both, would constitute a Default, to perform any obligation of Grantor hereunder; provided however, that Beneficiary, as such attorney-in-fact, shall only be accountable for such funds as are actually received by Beneficiary, and Beneficiary shall not be liable to Grantor or any other person or entity for any failure to act under this Section.

6.8 Remedies Cumulative; No Waiver. All rights, powers and remedies of Beneficiary and Trustee hereunder are cumulative and are in addition to all rights, powers and remedies

provided by law or in any other agreements between Grantor and Beneficiary. No delay, failure or discontinuance of Beneficiary in exercising any right, power or remedy hereunder shall affect or operate as a waiver of such right, power or remedy; nor shall any single or partial exercise of any such right, power or remedy preclude, waive or otherwise affect any other or further exercise thereof or the exercise of any other right, power or remedy.

ARTICLE 7. MISCELLANEOUS PROVISIONS

7.1 No Merger. No merger shall occur as a result of Beneficiary's acquiring any other estate in, or any other lien on, the Subject Property unless Beneficiary specifically consents to a merger in writing.

7.2 Execution of Documents. Grantor agrees, upon demand by Beneficiary or Trustee, to execute any and all documents and instruments required to effectuate the provisions hereof.

7.3 Right of Inspection. Beneficiary or its agents or employees may enter onto the Subject Property at any reasonable time and, during the absence of the confirmation of a Default, upon at least 24 hours' prior written notice (except in the case of an emergency) and subject to any greater notice periods or other restrictions required by any lease and/or sublease of the Subject Property, for the purpose of inspecting the Subject Property and ascertaining Grantor's compliance with the terms hereof.

7.4 Notices. All notices, requests and demands which Grantor or Beneficiary is required or may desire to give to the other party must be in writing, delivered to Beneficiary at the following address:

WELLS FARGO BANK, NATIONAL ASSOCIATION
MAC P6478-059
205 108th Ave NE, Suite 500
Bellevue, Washington 98004
Attention: Lachlan Pegg

and to Grantor at its address set forth at the signature lines below, or at such other address as either party shall designate by written notice to the other party in accordance with the provisions hereof.

7.5 Successors; Assignment. This Deed of Trust shall be binding upon and inure to the benefit of the heirs, executors, administrators, legal representatives, successors and assigns of the parties hereto; provided however, that this Section does not waive the provisions of Section 5.13 hereof entitled Due on Sale or Encumbrance. Beneficiary reserves the right to sell, assign, transfer, negotiate or grant participations in all or any part of, or any interest in, Beneficiary's rights and benefits under the Credit Agreement, any and all other Secured Obligations and this Deed of Trust. In connection therewith, Beneficiary may disclose all documents and information which Beneficiary now has or hereafter acquires relating to the Subject Property, all or any of the Secured Obligations and/or Grantor and, as applicable, any partners, joint venturers or members of Grantor, whether furnished by any Grantor or otherwise.

7.6 Rules of Construction. (a) When appropriate based on the identity of the parties or other circumstances, the masculine gender includes the feminine or neuter or both, and the singular

number includes the plural; (b) the term "Subject Property" means all and any part of or interest in the Subject Property; (c) all Section headings herein are for convenience of reference only, are not a part of this Deed of Trust, and shall be disregarded in the interpretation of any portion of this Deed of Trust; (d) if more than one person or entity has executed this Deed of Trust as "Grantor," the obligations of all such Grantors hereunder shall be joint and several; (e) all terms of Exhibit A, and each other exhibit and/or rider attached hereto and recorded herewith, are hereby incorporated into this Deed of Trust by this reference; and (f) any reference to a statute, regulation or other similar provision shall refer to such statute, regulation or other such provision as it may be amended, modified, re-enacted or replaced.

7.7 Severability of Provisions. If any provision of this Deed of Trust shall be held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity without invalidating the remainder of such provision or any remaining provisions of this Deed of Trust.

7.8 Recourse to Separate Property. Any married person who executes this Deed of Trust as a Grantor and who is obligated under any Secured Obligation agrees that any money judgment which Beneficiary or Trustee obtains pursuant to the terms of this Deed of Trust or any other obligation of that married person secured by this Deed of Trust may be collected by execution upon that person's separate property, and any community property of which that person is a manager.

7.9 Nonagricultural Use. The Subject Property is not used principally for agricultural or farming purposes.

7.10 Governing Law. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of Washington.

7.11 Arbitration.

(a) Arbitration. The parties hereto agree, upon demand by any party, to submit to binding arbitration all claims, disputes and controversies between or among them (and their respective employees, officers, directors, attorneys, and other agents), whether in tort, contract or otherwise in any way arising out of or relating to this Deed of Trust and its negotiation, execution, collateralization, administration, repayment, modification, extension, substitution, formation, inducement, enforcement, default or termination. In the event of a court ordered arbitration, the party requesting arbitration shall be responsible for timely filing the demand for arbitration and paying the appropriate filing fee within 30 days of the abatement order or the time specified by the court. Failure to timely file the demand for arbitration as ordered by the court will result in that party's right to demand arbitration being automatically terminated.

(b) Governing Rules. Any arbitration proceeding will (i) proceed in a location in Washington selected by the American Arbitration Association ("AAA"); (ii) be governed by the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the documents between the parties; and (iii) be conducted by the AAA, or such other administrator as the parties shall mutually agree upon, in accordance with the AAA's commercial dispute resolution procedures, unless the claim or counterclaim is at least

\$1,000,000.00 exclusive of claimed interest, arbitration fees and costs in which case the arbitration shall be conducted in accordance with the AAA's optional procedures for large, complex commercial disputes (the commercial dispute resolution procedures or the optional procedures for large, complex commercial disputes to be referred to herein, as applicable, as the "Rules"). If there is any inconsistency between the terms hereof and the Rules, the terms and procedures set forth herein shall control. Any party who fails or refuses to submit to arbitration following a demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any dispute. Nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under 12 U.S.C. §91 or any similar applicable state law.

(c) No Waiver of Provisional Remedies, Self-Help and Foreclosure. The arbitration requirement does not limit the right of any party to (i) foreclose against real or personal property collateral; (ii) exercise self-help remedies relating to collateral or proceeds of collateral such as setoff or repossession; or (iii) obtain provisional or ancillary remedies such as replevin, injunctive relief, attachment or the appointment of a receiver, before during or after the pendency of any arbitration proceeding. This exclusion does not constitute a waiver of the right or obligation of any party to submit any dispute to arbitration or reference hereunder, including those arising from the exercise of the actions detailed in sections (i), (ii) and (iii) of this paragraph.

(d) Arbitrator Qualifications and Powers. Any arbitration proceeding in which the amount in controversy is \$5,000,000.00 or less will be decided by a single arbitrator selected according to the Rules, and who shall not render an award of greater than \$5,000,000.00. Any dispute in which the amount in controversy exceeds \$5,000,000.00 shall be decided by majority vote of a panel of three arbitrators; provided however, that all three arbitrators must actively participate in all hearings and deliberations. The arbitrator will be a neutral attorney licensed in the State of Washington or a neutral retired judge of the state or federal judiciary of Washington, in either case with a minimum of ten years experience in the substantive law applicable to the subject matter of the dispute to be arbitrated. The arbitrator will determine whether or not an issue is arbitratable and will give effect to the statutes of limitation in determining any claim. In any arbitration proceeding the arbitrator will decide (by documents only or with a hearing at the arbitrator's discretion) any pre-hearing motions which are similar to motions to dismiss for failure to state a claim or motions for summary adjudication. The arbitrator shall resolve all disputes in accordance with the substantive law of Washington and may grant any remedy or relief that a court of such state could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award. The arbitrator shall also have the power to award recovery of all costs and fees, to impose sanctions and to take such other action as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Washington Rules of Civil Procedure or other applicable law. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

(e) Discovery. In any arbitration proceeding, discovery will be permitted in accordance with the Rules. All discovery shall be expressly limited to matters directly relevant to the dispute being arbitrated and must be completed no later than 20 days before the hearing date.

Any requests for an extension of the discovery periods, or any discovery disputes, will be subject to final determination by the arbitrator upon a showing that the request for discovery is essential for the party's presentation and that no alternative means for obtaining information is available.

(f) Class Proceedings and Consolidations. No party hereto shall be entitled to join or consolidate disputes by or against others in any arbitration, except parties who have executed this Deed of Trust or any other contract, instrument or document relating to any Secured Obligation, or to include in any arbitration any dispute as a representative or member of a class, or to act in any arbitration in the interest of the general public or in a private attorney general capacity.

(g) Payment Of Arbitration Costs And Fees. The arbitrator shall award all costs and expenses of the arbitration proceeding.

(h) Miscellaneous. To the maximum extent practicable, the AAA, the arbitrators and the parties shall take all action required to conclude any arbitration proceeding within 180 days of the filing of the dispute with the AAA. No arbitrator or other party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. If more than one agreement for arbitration by or between the parties potentially applies to a dispute, the arbitration provision most directly related to the documents between the parties or the subject matter of the dispute shall control. This arbitration provision shall survive termination, amendment or expiration of any of the documents or any relationship between the parties.

(i) Small Claims Court. Notwithstanding, anything herein to the contrary, each party retains the right to pursue in Small Claims Court any dispute within that court's jurisdiction. Further, this arbitration provision shall apply only to disputes in which either party seeks to recover an amount of money (excluding attorneys' fees and costs) that exceeds the jurisdictional limit of the Small Claims Court.

ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY, EXTEND CREDIT OR TO FORBEAR ENFORCING REPAYMENT OF A DEBT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW.
