MASTER FORM DEED OF TRUST

Recorded by Washington Mortgage Correspondence Association, a Washington corporation, pursuant to C. 148 L. 1967

The Grantor(s) covenants and agrees as follows:

1. The following described estate, property and rights of Grantor(s) are also included as a security for the performance of each covenant and agreement of Grantor(s) contained herein or in the Short Form Deed of Trust and the payment of all sums of money secured hereby:
 - (a) All the estate and rights of Grantor(s) in and to said property and in and to land lying in streets and roads adjoining said premises, and all access, rights, and easements appertaining thereto.
 - (b) All buildings, structures, improvements, fixtures, and articles of property now or hereafter attached to, or used or adapted for use in the operation of, the said premises, including but without being limited to, all heating and incinerating apparatus and equipment whatsoever, all boilers, engines, motors, dynamos, generating equipment, piping and plumbing fixtures, ranges, cooking apparatus and mechanical kitchen-equipment, refrigerators, cooling, ventilating, sprinkling and vacuum cleaning systems, fire extinguishing apparatus, gas and electric fixtures, carpeting, underpadding, elevators, escalators, partitions, mantels, built-in mirrors, window shades, blinds, screens, storm sash, awnings, furnishings of public spaces, halls and lobbies, and shrubbery and plants; and including also all interest of any owner of the said premises in any of such items hereafter at any time acquired under conditional sale contract, chattel mortgage or other title retaining or security instrument, all of which property mentioned in this paragraph shall be deemed part of the realty and not severable wholly or in part without material injury to the freehold.
 - (c) All and singular the lands, tenements, privileges, water rights, hereditaments, and appurtenances thereto belonging or in anywise appertaining, and the reversion and reversions, remainder and remainders, rents, issues, and profits thereof, and all the estate, rights, title, claim, interest and demand whatsoever of the Grantor(s), either in law or equity, of, in and to the bargained premises. TO HAVE AND TO HOLD said premises bargained and described, together with all and singular the lands, tenements, privileges, water rights, hereditaments, and appurtenances thereto belonging or in anywise appertaining, and the reversion and reversions, remainder and remainders, rents, issues, and profits thereof, and all of the estate, right, title, claim, and demands whatsoever of the Grantor(s), either in law or in equity, of, in and to the above bargained premises, forever as security for the faithful performance of the promissory note secured hereby and as security for the faithful performance of each and all of the covenants, agreements, terms, and conditions of this Deed of Trust, SUBJECT, HOWEVER, to the right, power, and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues, and profits.
 - (d) All of Grantor(s)'s rights further to encumber said property for debt except by such encumbrance which by its actual terms and specifically expressed intent shall be and at all times remain subject and subordinate to (i) any and all tenancies in existence when such encumbrance becomes effective and (ii) any tenancies thereafter created; Grantor(s) hereby (i) representing as a special inducement to Beneficiary to make this loan that as of the date hereof there are no encumbrances to secure debt junior to this Deed of Trust and (ii) covenanting that there are to be none as of the date when this Deed of Trust becomes of record, except in either case encumbrances having the prior written approval of Beneficiary, and all of Grantor(s)'s rights to enter into any lease or lease agreement which would create a tenancy that is or may become subordinate in any respect to any mortgage or deed of trust other than this Deed of Trust.
2. When and if Grantor(s) and Beneficiary shall respectively become the Debtor and Secured Party in any Uniform Commercial Code Financing Statement affecting property either referred to or described herein, or in any way connected with the use and enjoyment of these premises, this Deed of Trust shall be deemed a Security Agreement as defined in said Uniform Commercial Code and the remedies for any violation of the covenants, terms, and conditions of the agreements herein contained shall be (i) as prescribed herein, or (ii) by general law, or (iii) as to

such part of the security which is also reflected in said Financing Statement by the specific statutory consequences now or hereafter enacted and specified in the Uniform Commercial Code, all at Beneficiary's sole election. Grantor(s) and Beneficiary agree that the filing of such a Financing Statement in the records normally having to do with personal property shall never be construed as in anywise derogating from or impairing this declaration and hereby stated intention of the parties hereto, that everything used in connection with the production of income from the property that is the subject of this Deed of Trust and/or adapted for use therein and/or which is described or reflected in this Deed of Trust is, and at all times and for all purposes and in all proceedings both legal or equitable shall be, regarded as part of the real estate irrespective of whether (i) any such item is physically attached to the improvements, (ii) serial numbers are used for the better identification of certain equipment items capable of being thus identified in a recital contained in the short form Deed of Trust or in any list filed with the Beneficiary, (iii) any such item is referred to or reflected in any such Financing Statement so filed at any time.

3. To pay all debts and monies secured hereby, when from any cause the same shall become due. To keep the property free from statutory and governmental liens of any kind. That the Grantor(s) is/are seized in fee simple of the property and owns outright every part thereof, that there are no liens or encumbrances against or upon the same and none superior to this Deed of Trust, will be created or suffered to be created by the Grantor(s) during the life of this Deed of Trust, that he has good right to make this Deed of Trust and that he will forever warrant and defend said property unto the Beneficiary, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof. The Grantor(s) upon request by mail will furnish a written statement duly acknowledged of the amount due on this Deed of Trust and whether any offsets or defenses exist against the debt secured hereby.
4. To pay to Beneficiary, if Beneficiary so requires, together with and in addition to the monthly payments of principal and interest payable under the terms of the said note, on the date set forth therein for the making of monthly payments each month, until said note is fully paid, a sum, as estimated by the Beneficiary, equal to the ground rents, if any, and the taxes and special assessments next due on the premises covered by this Deed of Trust, plus the premiums that will next become due and payable on insurance policies as may be required under paragraph 10 hereof, Grantor(s) agreeing to deliver promptly to beneficiary all bills and notices thereof, less all sums already paid therefor, divided by the number of months to elapse before two months prior to the date when such ground rents, premiums, taxes, and special assessments will become delinquent, such sums to be held by the Beneficiary in trust to pay said ground rents, premiums, taxes, and special assessments. All payments mentioned in this paragraph and all payments to be made under said note shall be added together and the aggregate amount thereof shall be paid by the Grantor(s) each month in a single payment to be applied by Beneficiary to the following items in the order set forth: (1) ground rents, if any, taxes, special assessments, fire and other hazard insurance premiums; (2) interest on the note secured hereby; and, (3) amortization of the principal of said note. Any deficiency in the amount of any such aggregate monthly payment shall constitute an event of default under this Deed of Trust. The arrangement provided for in the paragraph 4 is solely for the added protection of the Beneficiary and entails no responsibility on the Beneficiary's part beyond the allowing of due credit, without interest, for the sums actually received by it. Upon assignment of this Deed of Trust by the Beneficiary, any funds on hand shall be turned over to the assignee and any responsibility of the assignor with respect thereto shall terminate. Each transfer of the property that is the subject of this Deed of Trust shall automatically transfer to the grantee all rights of the Grantor(s) with respect to any funds accumulated hereunder.
5. In the event that any payment or portion thereof is not paid within fifteen (15) days commencing with the date it is due, Beneficiary may collect, and the Grantor(s) agree(s) to pay with such payment, a "late charge" of two cents (\$.02) for each dollar so overdue as liquidated damages for the additional expense of handling such delinquent payments.
6. If the total of the payments (herein called reserves) made under paragraph 4 hereof relating to reserves for ground rents, taxes, special assessments, and premiums on insurance policies, shall exceed the amount of payments actually made by Beneficiary for the purposes set forth in paragraph 4, plus such amounts as have been reasonably accumulated in such reserves toward payments therefrom next to become due, such excess may, provided no default then exists under the terms of this instrument nor under the terms of the promissory note hereby secured, but not otherwise, be credited by beneficiary in payment of subsequent aggregate, but not partial, payments to be made by Grantor(s) or, at the option of the Beneficiary, refunded to the Grantor(s) or his/her/their successors in interest as may appear upon the records of the Beneficiary. If, however, the monthly payments accumulating such reserves shall not

be sufficient to pay the sums required when the same shall become due and payable, the Grantor(s) shall pay to Beneficiary any amount necessary to make up the deficiency within thirty (30) days after written notice to Grantor(s) stating the amount of the deficiency. If there shall be a default under any of the provisions of this Deed of Trust and thereafter a sale of the property in accordance with the provisions hereof, or if the Beneficiary acquires the property otherwise after default, the Beneficiary shall apply, at the time of commencement of such proceedings or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under paragraph 4, less such sums as will become due and payable during the pendency of the proceedings, as a credit against the amounts secured hereby.

7. To maintain the buildings and other improvements on the property in a rentable and tenantable condition and state of repair, to neither commit nor suffer any waste, to promptly comply with all requirements of the federal, state, and municipal authorities and all other laws, ordinances, regulations, covenants, conditions, and restrictions respecting said property or the use thereof, and pay all fees or charges of any kind in connection therewith. The Beneficiary may recover as damages for any breach of this covenant the amount it would cost to put the property in the condition called for herein. In the event of breach of any requirement of this paragraph, the Beneficiary may, in addition to any other rights or remedies, at any time thereafter declare the whole of said principal sum immediately due and payable. Proof of impairment of security shall be unnecessary in any suit or proceeding under this paragraph. Grantor(s) shall permit Beneficiary or its agents the opportunity to inspect the property, including the interior of any structure at reasonable times and after reasonable notice.
8. To complete or restore promptly and in good workmanlike manner any building or improvement which may be constructed, damaged, or destroyed thereon, and pay when due all costs incurred therefor, and, if the loan secured hereby or any part thereof is being obtained for the purpose of financing construction of improvements on said property, Grantor(s) further agree(s):
 - (a) To commence construction promptly and in any event within thirty (30) days from the date of this instrument, and complete the same in accordance with any agreements relating to construction and plans and specifications satisfactory to Beneficiary within eight months of the date of this instrument.
 - (b) To allow Beneficiary to inspect said property at all times during construction.
 - (c) To replace any work or materials unsatisfactory to Beneficiary, within fifteen (15) calendar days after written notice to Grantor(s) of such fact.
 - (d) That work shall not cease on the construction of such improvements for any reason whatsoever for a period of fifteen (15) consecutive days.

The Trustee, upon presentation to it of an affidavit signed by Beneficiary setting forth facts showing a default by Grantor(s) under this numbered paragraph, is authorized to accept as true and conclusive all facts and statements therein, and to act thereon hereunder.

9. No building or other improvement on the property shall be structurally altered, removed, or demolished, without the Beneficiary's prior written consent, nor shall any fixture or chattel covered by this Deed of Trust and adapted to the proper use and enjoyment of the premises be removed at any time without like consent unless actually replaced by an article of equal suitability, owned by the Grantor(s), free and clear of any lien or security interest except such as may be approved in writing by the Beneficiary.
10. To provide to the Beneficiary, at least thirty (30) days prior to expiration of existing insurance, and maintain unceasingly, insurance, with premiums prepaid, on all of the property that is the subject of this Deed of Trust, or hereafter becoming part of said property, against loss by fire and other hazards, casualties, and contingencies, including war damage, as may be required from time to time by the Beneficiary in such amounts and for such period of time, with loss payable clauses (without contribution) in favor of and in form satisfactory to the Beneficiary, and to deliver all policies to Beneficiary, which delivery shall constitute an assignment to Beneficiary of all return premiums. All insurance shall be carried in companies approved by Beneficiary. Beneficiary may at its option require

Grantor(s) to maintain said required policies in Grantor(s)'s possession in lieu of delivering said policies to Beneficiary, in which event said policies shall be kept available by Grantor(s) at all times for return to the Beneficiary or for inspection by Beneficiary, its agents or insurers, and said requirement may be withdrawn by Beneficiary at any time. In event of foreclosure of this Deed of Trust or other transfer of title to the subject property in extinguishment of some or all of the indebtedness secured hereby, all interest of the Grantor(s) in any insurance policies in force shall pass to the purchaser or Grantee to pay to Beneficiary as Beneficiary may require a reasonable fee to cover costs of substituting policies in the event the Grantor(s) replace(s) any policy prior to its expiration. Grantor(s) will reimburse Beneficiary for any premiums paid for such insurance by the Beneficiary upon the Grantor(s)'s default in so insuring the buildings or other improvements or default in assigning and delivering of such policies to the beneficiary so endorsed.

11. To appear in and defend any suit, action, or proceeding that might affect the value of this security instrument or the security itself or the rights and powers of Beneficiary or Trustee; and should Beneficiary or Trustee elect also to appear in or defend any such action or proceeding, be made a party to such by reason of this Deed of Trust or elect to prosecute such action as appears necessary to preserve said value, the Grantor(s) will, at all times, indemnify from, and, on demand reimburse Beneficiary or Trustee for any and all loss, damage, expense, or cost, including cost of evidence of title and attorney's fees, arising out of or incurred in connection with any such suit, action, or proceeding, and the sum of such expenditures shall be secured by this Deed of Trust with interest as provided in the note secured hereby and shall be due and payable on demand. To pay costs of suit, cost of evidence of title and a reasonable attorney's fee in any proceeding or suit brought by Beneficiary to foreclose this Deed of Trust.
12. To pay in full at least thirty (30) days before delinquent all rents, taxes, assessments, and encumbrances, charges or liens with interest, that may now or hereafter be levied, assessed, or claimed upon the property that is the subject of this Deed of Trust or any part thereof, which at any time appear to be prior or superior hereto for which provision has not been made heretofore, and upon request will exhibit to Beneficiary official receipts therefor, and to pay all taxes imposed upon, reasonable costs, fees, and expenses of this Trust. On default under this paragraph Beneficiary may, at its option, pay, or pay out of reserves accumulated under paragraph 4, any such sums, without waiver of any other right of Beneficiary by reason of such default of Grantor(s), and Beneficiary shall not be liable to Grantor(s) for a failure to exercise any such option.
13. To repay immediately on written notice to Grantor(s) all sums expended or advanced hereunder by or on behalf of Beneficiary or Trustee, with interest from the date of such advance or expenditure at the rate of ten percent (10%) per annum until paid, and the repayment thereof shall be secured hereby. Failure to repay such expenditure or advance and interest thereon within ten (10) days of the mailing of such notice will, at Beneficiary's option, constitute an event of default hereunder, or, Beneficiary may, at its option, commence an action against Grantor(s) for the recovery of such expenditure or advance and interest thereon, and in such event Grantor(s) agree(s) to pay, in addition to the amount of such expenditure or advance, all costs and expenses incurred in such action, together with a reasonable attorney's fee.
14. Should Grantor(s) fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Grantor(s) and without releasing Grantor(s) from any obligation hereof, may: Make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon the property for such purposes; commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest, or compromise any encumbrance, charge, or lien which in the judgment of either appears to be prior or superior hereto, and in exercising any such power, incur any liability, expend whatever amounts in its absolute discretion it may deem necessary therefor including cost of evidence of title, employ counsel, and pay his/her/their reasonable fees.
15. (a) To fully comply with all of the terms, conditions, and provisions of all leases on said property so that the same shall not become in default and to do all that is needful to preserve all said leases in force.
(b) To permit no assignment of any lease, or any subletting thereunder unless the right to assign or sublet is expressly reserved by the lessee under such lease.

- (c) That save and except for taxes and assessments provided to be paid by Grantor(s) as specified in paragraph 12 hereof, Grantor(s) will not create or suffer or permit to be created, subsequent to the date of the execution and delivery of this Deed of Trust any lien or encumbrance which may be or become superior to any lease affecting said property.
- (d) That if any part of the automobile parking areas included within said property is taken by condemnation, or before said areas are otherwise reduced, Grantor(s) will provide parking facilities in kind, size, and location to comply with all leases, and before making any contract for such substitute parking facilities, Grantor(s) will furnish to Beneficiary satisfactory assurance of completion thereof free of liens and in conformity with all governmental zoning and regulations.
16. Should the property or any part or appurtenance thereof or right or interest therein be taken or damaged by reason of any public or private improvement, condemnation proceeding (including change of grade), fire, earthquake, or other casualty, or in any other manner, Beneficiary may, at its option, commence, appear in and prosecute, in its own name, any action or proceeding, or make any compromise or settlement, in connection with such taking or damage, and obtain all compensation, awards, or other relief therefor. All such compensation, awards, damages, rights of action and proceeds, including the proceeds of any policies or insurance affecting the property, are hereby assigned to beneficiary, which may, after deducting therefrom all its expenses, including attorney's fees, release any monies so received by it, or apply the same on any indebtedness secured hereby or apply the same to the repair or restoration of the property, as it may elect. Grantor(s) further assigns to Beneficiary any return premiums or other repayments upon any insurance at any time provided for the benefit of the Beneficiary, refunds or rebates made of taxes or assessments on said property, and Beneficiary may at any time collect said return premiums, repayments, refunds, rebates, etc., notwithstanding that no sum secured hereby be overdue when such right to collection be asserted. Grantor(s) also agree(s) to execute such further assignments of any such compensation, award, damages, rebates, return of premiums, repayments, rights of action, and proceeds as Beneficiary or Trustee may require.
17. Time is of the essence hereof in connection with all obligations of the Grantor(s) herein or in said note. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.
18. At any time upon written request of Beneficiary, payment of its fees and presentation of this Deed and said note for endorsement (in case of full reconveyance, for cancellation and retention), without affecting the liability of any person for the payment of the indebtedness Trustee may (a) consent to the making of any map or plat of said property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this Deed or the lien or charge thereof; (d) reconvey, without warranty, all or any part of the property. The Grantee in any reconveyance may be described as the "Person or persons legally entitled thereto," and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Grantor(s) agrees to pay a reasonable trustee's fee for full or partial reconveyance, together with a recording fee if Trustee, at its option, elects to record said reconveyance.
19. In case of a sale under this Deed of Trust, the said property, real, personal and mixed, may be sold in one parcel.
20. The Grantor(s) shall not, without first obtaining the Beneficiary's written consent, assign any of the rents or profits of the property or collect any rent for more than one month in advance or change the general nature of the occupancy or initiate or acquiesce in any zoning reclassification, or do or suffer any act or thing which would impair the security for said debt or the Beneficiary's lien upon said property or the rents thereof. In the event of breach of any requirement of this paragraph, the Beneficiary may, in addition to any other rights or remedies, at any time thereafter declare the whole of said principal sum immediately due and payable.
21. The holder of this Deed of Trust, in any action to foreclose it, shall be entitled (without notice and without regard to the adequacy of any security for said debt) to the appointment of a receiver of the rents and profits of the property and such receiver shall have, in addition to all the rights and powers customarily given to and exercised by such receiver, all the rights and powers granted to the Beneficiary by the covenants contained in paragraph 23 hereof.

22. As further security for the payment of all indebtedness herein mentioned, all Grantor(s)'s rents and profits of said property and the right, title, and interest of the Grantor(s) in and under all leases now or hereafter affecting said property, are hereby assigned and transferred to the Beneficiary. So long as no default shall exist in compliance with any requirement hereof or of any further instrument at any time executed with respect to this Deed of Trust the Grantor(s) may collect assigned rents and profits as the same fall due, but upon the occurrence of any such default, or at such later time as the Beneficiary in its sole discretion may fix by written notice, all right of the Grantor(s) to collect or receive rents or profits shall wholly terminate. All rents or profits of Grantor(s) receivable from or in respect to said property which it shall be permitted to collect hereunder shall be received by it in trust to pay the usual and reasonable operating expenses of, and the taxes upon, said property and the sums owing the Beneficiary as they become due and payable as provided in this Deed of Trust or in the said note or in any modification of either. The balance of such rents and profits after payment of such operating expenses, taxes, and sums due the Beneficiary, and after the setting aside of accruals to date of such expenses, taxes, and sums, including amortization, shall be Grantor(s)'s absolute property. No lease of the whole or any part of the property involving an initial term of more than three (3) years shall be modified or terminated without the written consent of the Beneficiary, nor shall the surrender of any such lease be accepted nor any rental thereunder be collected for more than two (2) months in advance without like written consent. In the event of any default hereunder and the exercise by the Beneficiary of its rights hereby granted, Grantor(s) agree(s) that payments made by tenants or occupants to the Beneficiary shall, as to such tenants, be considered as though made to Grantor(s) and in discharge of tenants' obligations as such to Grantor(s). Nothing herein contained shall be construed as obliging the Beneficiary to perform any of Grantor(s)'s covenants under any lease or rental arrangement. Grantor(s) shall execute and deliver to the Beneficiary upon demand any further or supplemental assignments necessary to effectuate the intentions of this paragraph and upon failure of the Grantor(s) so to comply, Beneficiary may, in addition to any other right or remedy it has, declare the maturity of the indebtedness hereby secured.
23. In the event of default in compliance with any requirement of this Deed of Trust or of any further instrument at any time executed with respect to this Deed of Trust, and the continuance thereof for such period as would entitle the Beneficiary to declare said debt due and payable, or for ten (10) days if no such period be applicable, the Beneficiary may, at its option, enter upon and take possession of the said property and let the same or any part thereof, making therefor such alterations as it finds necessary, and may terminate in any lawful manner any tenancy or occupancy of said property, exercising with respect thereto any right or option available to the Grantor(s). From and after the occurrence of any such default, if any owner of said property shall occupy said property or part thereof, such owner shall pay to the Beneficiary in advance on the first day of each month a reasonable rental for the space so occupied, and upon failure so to do the Beneficiary shall be entitled to remove such owner from the property by any appropriate action or proceeding.
24. The entering upon and taking possession of said property, the collection of such rents, issues, and profits, or the proceeds of fire and other insurance policies or compensation, or awards for any taking or damage of the property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.
25. All sums secured hereby shall become immediately due and payable, at the option of the Beneficiary without demand or notice, after any of the following occur, each of which shall be an event of default: (a) default by Grantor(s) in the payment of any indebtedness secured hereby or in the performance or observance of any agreement contained herein, or (b) any assignment made by Grantor(s) or the then owner of said property for the benefit of creditors, or (c) any transfer of title made by the Grantor(s) or the then owner of said property to a Grantee or successors in interest without the assumption of all of the terms and conditions herein contained, or (d) any of the following shall occur, with respect to the property, the Grantor(s) or the then owner of said property: (i) the appointment of a receiver, liquidator, or Trustee; (ii) the adjudication as a bankrupt or insolvent, (iii) the filing of any Petition for Bankruptcy or reorganization; (iv) the institution of any proceeding for dissolution or liquidation, (v) if Grantor(s) be unable, or admit in writing an inability to pay his/her/their debts when due; or (vi) a default in any provision of any other instrument which may be held by Beneficiary as security for said note, including the loan agreement and related documents, the terms and covenants of which are incorporated herein by reference as though fully set forth herein. No waiver by Beneficiary of any default on the part of Grantor(s) shall be construed as a waiver of any subsequent default hereunder. In event of such default and upon written request of Beneficiary, Trustee shall sell the trust

property, in accordance with the Deed of Trust Act of the State of Washington (RCW Chapter 61.24 as existing now, or hereafter amended) and the Uniform Commercial Code of the State of Washington where applicable, at public auction to the highest bidder. Any person except Trustee may bid at Trustee's sale. Trustee shall apply the proceeds of the sale as follows: (a) to the expense of sale, including a reasonable Trustee's fee and attorney's fee; (b) to the obligation secured by this Deed of Trust; and (c) the surplus, if any, shall be distributed in accordance with said Deed of Trust Act. Trustee shall deliver to the purchaser at the sale its deed, without warranty, which shall convey to the purchaser the interest in the property which Grantor(s) had or had the power to convey at the time of his/her/their execution of this Deed of Trust, and such as he may have acquired thereafter. Trustee's deed shall recite the facts showing that the sale was conducted in compliance with all the requirements of law and of this Deed of Trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of bona fide purchasers and encumbrancers for value. The Power of Sale conferred by this Deed of Trust and by the Deed of Trust Act of the State of Washington is not an exclusive remedy and when not exercised, Beneficiary may foreclose this Deed of Trust as a mortgage. At any time Beneficiary may appoint in writing a successor trustee, or discharge and appoint a new Trustee in the place of any Trustee named herein, and upon the recording of such appointment in the mortgage records of the county in which this Deed of Trust is recorded, the successor trustee shall be vested with all powers of the Original Trustee. The Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Grantor(s), Trustee, or Beneficiary shall be a party, unless such action or proceeding is brought by the Trustee.

26. The property which is the subject of this Deed of Trust is not used principally or primarily for agricultural or farming purposes.
27. In the event of the passage after the date of this Deed of Trust of any federal, state, or local law, deducting from the value of real property for the purpose of taxation any lien thereon, or changing in any way the laws now in force for the taxation of mortgages, deeds of trust, or debts secured thereby, for federal, state or local purposes, or the manner of the collection of any such taxes so as to affect the interest of Beneficiary, then and in such event, Grantor(s) shall bear and pay the full amount of such taxes, provided that if for any reason payment by Grantor(s) of any such new or additional taxes would be unlawful or if the payment thereof would constitute usury or render the loan or indebtedness secured hereby wholly or partially usurious under any of the terms or provisions of the note, or the within Deed of Trust or otherwise. Beneficiary may, at its option, without demand or notice, declare the whole sum secured by this Deed of Trust with interest thereon to be immediately due and payable, or Beneficiary may, at its option, pay that amount or portion of such taxes as renders the loan or indebtedness secured hereby unlawful or usurious, in which event Grantor(s) shall concurrently therewith pay the remaining lawful and non-usurious portion or balance of said taxes.
28. If from any circumstances whatever fulfillment of any provision of this Deed of Trust or said note at the time performance of such provision shall be due shall involve transcending the limit of validity prescribed by the usury statute or any other law, the ipso facto the obligation to be fulfilled shall be reduced to the limit of such validity, so that in no event shall any exaction be possible under this Deed of Trust or under said note that is in excess of the limit of such validity; but such obligation shall be fulfilled to the limit of such validity. The provisions of this paragraph shall control every other provision of this Deed of Trust and said note.
29. In the event that this Deed of Trust is foreclosed as a mortgage and the property sold at a foreclosure sale, the purchaser may, during any redemption period allowed, make such repairs or alterations on said property as may be reasonably necessary for the proper operation, care, preservation, protection, and insuring thereof. Any sums so paid together with interest thereon from the time of such expenditure at the highest lawful rate shall be added to and become a part of the amount required to be paid for redemption from such sale.
30. Grantor(s) shall deliver to the Beneficiary within 20 days after written demand therefor a detailed operating statement in form satisfactory to the beneficiary covering the subject property and certified as correct by the Grantor(s). Grantor(s) shall permit the Beneficiary or its representative to examine all books and records pertaining to the said property, upon prior written demand of not less than ten (10) days. In default thereof Beneficiary shall, in addition to all other remedies, have the option of maturing the indebtedness hereby secured. The Beneficiary shall demand not more than one statement in any calendar year.

31. Beneficiary shall have the right at its option to foreclose this Deed of Trust subject to the rights of any tenant or tenants of the said property and the failure to make any such tenant or tenants a party defendant to any such suit or action or to foreclose his/her/their rights will not be asserted by the Grantor(s) as a defense in any action or suit instituted to collect the indebtedness secured hereby or any part thereof or any deficiency remaining unpaid after foreclosure and sale of the said property, any statute or rule of law at any time existing to the contrary notwithstanding.
32. Upon any default by Grantor(s) and following the acceleration of maturity as herein provided, a tender of payment of the amount necessary to satisfy the entire indebtedness secured hereby made at any time prior to foreclosure sale (including sale under power of sale) by the Grantor(s), its successors or assigns, or by anyone in behalf of the Grantor(s), its successors or assigns, shall constitute an evasion of the prepayment terms of said note and be deemed to be a voluntary prepayment thereunder and any such payment to the extent permitted by law, will, therefore, include the additional payment required under the prepayment privilege, if any, contained in said note or if at that time there be no prepayment privilege then such payment, will to the extent permitted by law include an additional payment of five percent (5%) of the then principal balance.
33. The Beneficiary shall be subrogated for further security to the lien, although released of record, of any and all encumbrances paid out of the proceeds of the loan secured by this Deed of Trust.
34. Grantor(s), from time to time, within fifteen (15) days after request by Beneficiary, shall execute, acknowledge and deliver to Beneficiary, such chattel mortgages, security agreements, or other similar security instruments, in form and substance satisfactory to Beneficiary, covering all property of any kind whatsoever owned by Grantor(s) or in which Grantor(s) has any interest which, in the sole opinion of Beneficiary, is essential to the operation of the said property covered by this Deed of Trust. Grantor(s) shall further from time to time, within fifteen (15) days after request by Beneficiary, execute, acknowledge, and deliver any financing statement, renewal, affidavit, certificate, continuation statement, or other document as Beneficiary may request in order to perfect, preserve, continue, extend or maintain the security interest under, and the priority of, this Deed of Trust and the priority of such chattel mortgage or other security instrument as a first lien. Grantor(s) further agree(s) to pay to beneficiary on demand all costs and expenses incurred by Beneficiary in connection with the preparation, execution, recording, filing, and refiling of any such instrument or document including the charges for examining title and the attorney's fee for rendering an opinion as to the priority of this Deed of Trust and of such chattel mortgage or other security instrument as a valid first and subsisting lien. However, neither a request so made by Beneficiary nor the failure of Beneficiary to make such request shall be construed as a release of such property, or any part thereof, from the conveyance of title by this Deed of Trust, it being understood and agreed that this covenant and any such chattel mortgage, security agreement, or other similar security instrument, delivered to beneficiary, are cumulative and given as additional security.
35. All Beneficiary's rights and remedies herein specified are intended to be cumulative and not in substitution for any right or remedy otherwise available and no requirement whatsoever may be waived at any time except by a writing signed by the Beneficiary, nor shall any waiver be operative upon other than a single occasion. This Deed of Trust cannot be changed or terminated orally. This Deed of Trust applies to, inures to the benefit of, and is binding not only on the parties hereto, but on his/her/their heirs, devisees, legatees, administrators, executors, successors, and assigns. All obligations of Grantor(s) hereunder are joint and several. The term "Beneficiary" shall mean the holder and owner, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. Without affecting the liability of any other person for the payment of any obligation herein mentioned (including Grantor(s) should he convey said property) and without affecting the lien hereof upon any property not released, Beneficiary may, without notice, release any person so liable, extend the maturity or modify the terms of any such obligation, or grant other indulgences, release, or reconvey, or cause to be released or reconveyed at any time all or part of the said property described herein, take or release any other security or make compositions or other arrangements with debtors. Beneficiary may also accept additional security, either concurrently herewith or thereafter, and sell same or otherwise realize thereon, either before, concurrently with, or after sale hereunder. This Deed of Trust shall be so construed

that wherever applicable, the use of the singular number shall include the plural number, the use of the plural number shall include the singular number, the use of any gender shall be applicable to all genders and shall likewise be so construed as applicable to and including a corporation. The word "note" shall include all notes evidencing the indebtedness secured hereby. If any of the provisions hereof shall be determined to contravene or be invalid under the laws of the State of Washington, such contravention or invalidity shall not invalidate any other provisions of this agreement, but it shall be construed as if not containing the particular provision or provisions held to be invalid, and all rights and obligations of the parties shall be construed and enforced accordingly. Any notices to be given to Grantor(s) by Beneficiary hereunder shall be sufficient if mailed postage prepaid, to the address of the Grantor(s) stated in the Short Form Deed of Trust, or to such other address as Grantor(s) has/have requested in writing to the Beneficiary, that such notices be sent. Any time period provided in the giving of any notice hereunder shall commence upon the date such notice is deposited in the mail.
