indemnify and save harmless Grantor against and from any and all liability, loss, costs and expense of whatever nature growing out of personal injury to or death of persons whomsoever, or loss or destruction of or damage to property whatsoever, where such personal injury, death, loss, destruction or damage arises in connection with or incident to the occupation or use of this Agreement and/or the Easement Area, by, or the presence thereon of, Grantee, Grantee's agents, contractors, employees, licensees, invitees or any other person whose presence on the Easement Area arises out of or relates to Grantee and/or this Agreement.

- 6) The Grantor shall not be liable for, and Grantee will indemnify and save Grantor harmless from, any damage or injury, either to persons or personal property, sustained by Grantee or others, caused by any condition or defects now or hereafter existing or occurring in the Easement Area, regardless of whether such condition, defect or lack of repair was discoverable by reasonable care or not, or caused by the act or omission of Grantee, Grantee's agents, contractors, employees, licensees, invitees or any other person whose presence on the Easement Area arises out of or relates to Grantee and/or this Agreement.
- 7) The Grantee agrees to comply with all applicable air and water pollution control and prevention laws, regulations and state and federal air pollution and water pollution control agencies' recommendations in the maintenance of all improvements located on the Easement Area. The Grantee agrees to comply with all federal and state laws and regulations regarding hazardous waste or substances. In the event of any discharge by Grantee or Grantee's agents of hazardous or toxic substances on or to the Easement Area, Grantee shall immediately notify Grantor and restore the Easement Area to its previous condition.
- 8) The Grantee hereby indemnifies and holds harmless the Grantor, its successors and assigns, from any and all claims, damages, fines, judgments, penalties, costs, liabilities or losses (including, without limitation any and all sums paid for settlement (with Grantee's advance written approval), claims, attorneys' fees, consulting and expert fees) relating to or in connection with the presence or suspected presence of hazardous or toxic substances or materials ("hazardous substances") in or on the Easement Area, to the extent the hazardous substances are present as a result of the negligence, willful conduct or other acts of Grantee, Grantee's agents, employees, contractors or invitees, or which are present because the hazardous substances were physically placed upon the Easement Area after the date of execution of this Agreement through septic or utility improvements installed by Grantee. Without limitation of the foregoing, this indemnification shall include the reasonable costs incurred due to any investigation of the site confirming the presence of hazardous substances, and the reasonable cost of any cleanup, removal or restoration mandated by any federal, state or local agency or political subdivision.

V. GENERAL PROVISIONS

Grantor shall have the right, from time to time, to relocate the Easement Area to a new location on Grantor's property, which new location must provide substantially the same benefit to Grantee as the old location. Grantor shall provide thirty (30) days advance notice to Grantee of

such relocation. In the event of such relocation, Grantor shall, at Grantor's sole expense, relocate to the new Easement Area, all of Grantee's pipes, wires, drain fields and other improvements which are located in the former Easement Area. Following such relocation, Grantor shall prepare, Grantee and Grantor shall execute, and Grantor shall record an amendment to this Easement to identify the new location of this Easement.

In the event that either party causes identifiable damage to any improvements in the Easement Area, then the damaging party, at its own expense, shall, as soon as is reasonably possible, immediately repair the damage, leaving the Easement Area in as good or better condition as it was in prior to the damage.

The benefits, burdens, and covenants of the Easement granted herein shall be deemed to be appurtenant to and shall constitute a covenant and encumbrance running with the land and bind the Grantor's property, the Grantee's property, the Grantor and the Grantee, and their respective heirs, successors and assigns, and all persons possessing any of said property by, through, or under the parties hereto, or their respective heirs, successors or assigns.

This Easement shall be construed and governed by the laws of the State of Washington.

The invalidity or unenforceability of any provision hereof shall not affect or impair any other provisions hereof.

This Easement may not be modified or amended except by written agreement signed and acknowledged by all parties.

If by reason of any breach or default on the part of either party hereto it becomes necessary for the other party hereto to employ an attorney, then the non-breaching party shall have and recover against the other party in addition to costs allowed by law, reasonable attorneys' fees and litigation-related expenses. The non-breaching party shall be entitled to recover reasonable attorneys' fees and costs and expenses, as provided above, regardless of whether litigation is actually commenced, including fees and costs and expenses relating to bankruptcy, appeal or post judgment matters.

The parties hereto do hereby consent to jurisdiction and venue of the Superior Court of Skagit County, State of Washington.

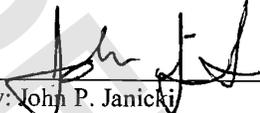

THE PARTIES HEREBY ACKNOWLEDGE THAT THEY HAVE READ THIS DOCUMENT, UNDERSTAND ITS CONTENTS AND AGREE TO BE BOUND BY THE TERMS HEREOF.

Dated effective as of the date set forth above.
