n. **Transfer of Assets.** To make any transfer of resources not prohibited under RCW Chapter 74.09 as now or hereafter amended or recodified, when the transfer is for the purpose of qualifying me for medical assistance or limited casualty program for the medically needy or for the purpose of preserving for me or my relative(s), the maximum amount of property allowed under applicable law if an application has been made for governmental medical assistance or in anticipation of such application. In addition to the authority herein granted, my Agent shall have the further authority to make transfers of resources not otherwise prohibited under state or federal law for the purpose of avoiding the application of any lien under RCW Chapter 74.09 and RCW 43.20B as now or later amended or recodified.

o. **Digital Assets.** To access, use and control my digital devices, including but not limited to, desktops, laptops, tablets, peripherals, storage devices, mobile telephones, smartphones and any similar digital device which currently exists or may exist as technology develops or such comparable items as technology develops for the purpose of accessing, modifying, deleting, controlling or transferring digital assets, and (ii) the power to access, modify, delete, control and transfer my digital assets, including but not limited to, my emails received, email accounts, digital music, digital photographs, digital videos, software licenses, social network accounts, file sharing accounts, financial accounts, domain registrations, DNS service accounts, web hosting accounts, tax preparation service accounts, online stores, affiliate programs, other online accounts and similar digital items which currently exist or may exist as technology develops or such comparable items as technology develops.

Specifically, my Agent shall have all powers granted to an agent under the laws of the State of Washington as now enacted or as may be subsequently amended or recodified to liberalize the authority granted to an agent under such laws. I hereby ratify and confirm whatever my Agent shall or may do by virtue hereof.

7. **Health Care Decisions.** During any period in which I do not have a separate power of attorney for health care decisions in effect:

a. **Consent to or Withhold Consent to Medical Care.** My Agent may consent to or withhold consent, during any period in which I am incapacitated due to mental or physical

illness, deficiency, disease, accident, chronic use of drugs or alcohol, or advanced age, to all nursing, hospital, medical, dental, surgical, or psychiatric/mental health care or procedures as may be prescribed or recommended for me by a licensed physician who is unrelated to me or my Agent.

b. Release of Protected Health Information Under HIPAA. My Agent may authorize access to, and may also authorize the use and disclosure of, protected health information as provided in the Privacy Rules of the Health Insurance Portability and Accountability Act of 1996, 42 U.S.C. Sec. 1320d, and the regulations promulgated thereunder ("HIPAA"), and in Chapter 70.02 of the Revised Code of Washington ("RCW"). I nominate my Agent as personal representative for these purposes.

8. Revocation. I may revoke my Agent's authority under this power of attorney at any time by giving the Agent written notice personally delivered or mailed to the last known address for the Agent.

9. Termination.

a. Death of Principal. This power of attorney shall terminate upon actual knowledge of, or written notice to, the Agent of my death.

b. Appointment of Guardian. This power of attorney shall terminate upon the appointment by the court of a guardian or conservator of my estate or appointment of another fiduciary charged with the management of all of my property. In the case of a limited guardianship in which a fiduciary is charged by the court with the management of some, but not all of my property, my Agent's power shall continue except to the extent ordered by the court.

10. Appointment of Guardian. Should the court need to appoint a guardian of my estate, it is my desire that the Agent or the alternate Agent herein named be appointed by the court.

11. Accounting. My Agent shall be required to account to a guardian of my estate, trustee of my revocable trust, special representative designated in my revocable trust, or personal representative of my estate, if requested by any of them.

12. Reliance; Copies. My Agent and any person dealing with my Agent shall be entitled to rely upon this power of attorney so long as such party has not received actual knowledge or actual notice of revocation, suspension, or termination of the power of attorney by my death or otherwise. Any action so taken in good faith, unless otherwise invalid or unenforceable, shall be binding on my heirs, legatees, devisees, trustee, and personal representative. Third parties shall be entitled to rely upon a copy, however produced or transmitted, of the signed original.

13. Indemnification. My estate shall hold harmless and indemnify my Agent from any and all liability for acts done in good faith.

**DURABLE POWER OF ATTORNEY - 4**

14. **Liability for Delegation to Third Parties.** If my Agent engages another person on my behalf and exercises care, competence, and diligence in selecting and monitoring that person, my Agent shall not be liable for the acts of that person so long as the acts are not discretionary acts that, if committed by my Agent, would result in liability to my Agent.

15. **Costs and Compensation.** My Agent shall be reimbursed for all costs and expenses reasonably incurred. In addition, my Agent shall be paid at least annually, without the necessity of court approval, such compensation for services performed by my Agent as is reasonable in the community for like services performed by an agent and/or a guardian of the estate. A bank or similar institution acting as my Agent shall be compensated based on its fee schedule for providing services as an agent under power of attorney.

16. **Applicable Law.** This power of attorney shall be construed in accordance with and governed by the laws of the State of Washington, as now existing or hereafter amended to liberalize the authority granted under such laws. This document is intended to be valid in any jurisdiction in which it is presented.

17. **Resignation of Agent.** My Agent may resign his or her duties by giving written notice to me and to any Coagent or successor Agent. If I am incapacitated and none of these persons are available, my Agent may resign by giving written notice to any person reasonably believed by my Agent to have sufficient interest in my welfare (including a court-appointed guardian, conservator, or other fiduciary), to a governmental agency having authority to protect my welfare, or by recording notice with the county recorder's or auditor's office in the county where I reside.
