2. **Secured Obligations.**

a. **Obligations.** Homeowner makes the grant, transfer and assignment set forth in Section 1 for the purpose of securing the following “**Obligations**”:

- (1) the payment and/or performance of all other obligations of Homeowner contained in the Option Purchase Agreement and Option Documents including, without limitation, payment of the Total Repurchase Amount;
- (2) each obligation of Homeowner contained in any renewal, extension, amendment, modification, consolidation, change of, or substitution or replacement for, all or any part of the Option Purchase Agreement

Attorneys' Fees shall include, Attorneys' Fees incurred in any state, federal or bankruptcy court, and in any bankruptcy case or insolvency proceeding, of any kind in any way related to this Security Instrument, to the interpretation or enforcement of the parties' rights under this Security Instrument, or to the Property.

b. **Investment.** Homeowner shall not be obligated to repay any part of the Investment (as defined in the Option Purchase Agreement); and therefore, such item shall not be included within the Obligations. The foregoing shall not, however, in any way limit any payment calculated and agreed by Homeowner to be paid pursuant to the Option Purchase Agreement.

3. **UCC Security Agreement and Fixture Filing.** This Security Instrument also is intended to be and shall constitute a "security agreement" within the meaning of the Washington Uniform Commercial Code ("UCC") for any items of personal property that constitute fixtures or are specified as part of the Property and that under applicable law may be subject to a security interest under the UCC. Homeowner hereby grants to Beneficiary a security interest in those items to secure the performance and payment of the Obligations.

a. Homeowner agrees that Beneficiary may file either this Security Instrument, or a copy of it, or a UCC-1 Financing Statement in the real estate records or other appropriate index and/or in the Office of the Secretary of State of the State of Washington or with the government entity responsible for the administration of the Uniform Commercial Code, as a financing statement for any of the items specified above as part of the Property.

b.

This Security Instrument constitutes a financing statement filed as a fixture filing pursuant to UCC §9502(c) and §9514, and any similar or successor provisions.

c. Beneficiary may file such extensions, renewals, amendments and releases as are appropriate to reflect the status of its security interest.

d. Homeowner shall pay all costs of filing such financing statements and any extensions, renewals, amendments, and releases of such statements, and shall pay all reasonable costs and expenses of any record searches for financing statements that Beneficiary may reasonably require.

e. On any default hereunder, Beneficiary shall have the remedies of a secured party under the UCC and may also invoke the remedies in Section 7 below. In exercising any of these remedies, Beneficiary may proceed against the items of Real Property, fixtures or improvements separately or together and in any order whatsoever without in any way affecting the availability of Beneficiary's remedies under the UCC or the remedies in Section 7 below.

4. **Assignment of Leases and Rents.** As additional security for the Obligations, Homeowner hereby irrevocably, absolutely and unconditionally assigns to Beneficiary and Trustee all of Homeowner's right, title and interest in and to all existing and future leases, subleases, and licensing relating to the use, occupancy or enjoyment of all or any part of the

Investment ID: H8DNEXC57

Property and all rents, income, revenues, profits, proceeds and earnings now or hereafter payable with respect to the ownership, use or occupancy of the Property (collectively, the "Rents"):

a. Homeowner hereby gives to, and confers upon, Beneficiary the right, power and authority, during the continuance of this Security Instrument, to collect the Rents, reserving unto Homeowner the right, prior to any default by Homeowner in payment of the Obligations secured hereby or in performance of any agreement hereunder, to collect and retain such Rents, as they become due and payable.

b. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver appointed by the court, and without regard to the adequacy of any security for the Obligations secured hereby, enter upon and take possession of the Property or any part of it, in its own name sue for or otherwise collect such Rents, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including Attorneys' Fees to the Obligations secured hereby, and in such order as Beneficiary may determine.

c. The entering upon and taking possession of the Property, the collection of such rents, issues and profits and the application of such rents, issues and profits pursuant to this Security Instrument, shall not cure or waive any default or notice of default under this Performance Deed of Trust or invalidate any act done pursuant to such notice.

d. Nothing in this section shall permit Homeowner to lease or rent the Property in contravention of any provision of the Option Purchase Agreement; nor shall anything in this section modify any provision in the Option Purchase Agreement relating to the use, lease or occupancy of the Property.

5. **Covenants, Representation and Warranties of the Homeowner.** Homeowner hereby agrees as follows:

(1) If Homeowner fails to make any payment or to do any act as provided in this Security Instrument, Beneficiary or Trustee may (but shall not be obligated to) make the payment or do the act in the required manner and to the extent deemed necessary by Beneficiary or Trustee to protect the security for this Security Instrument, which payments and related expenses (including Attorneys' Fees) shall also be secured by this Security Instrument.

(2) Such performance by Beneficiary or Trustee shall not require notice to, or demand on, Homeowner and shall not release Homeowner from any obligation under this Security Instrument.

(3) Beneficiary or Trustee shall have the following related rights and powers: (i) to enter upon the Property for the foregoing purposes, (ii) to appear in and defend any action or proceeding purporting to affect the Property or the rights or powers of Beneficiary or Trustee under this Security Instrument, (iii) to pay, purchase, contest or compromise any encumbrance, charge, or lien that in the judgment of Beneficiary or Trustee appears to be prior or superior to this Security Instrument, and (iv) to obtain counsel, and to pay such counsel necessary expenses and costs, including Attorneys' Fees.

Homeowner shall also comply with all laws affecting the Property or requiring any alterations or improvements to be made thereon and shall not permit any act upon the Property in violation of the law.

g. Not to initiate, join in, acquiesce in, or consent to any change in any private restrictive covenant, zoning law or other public or private restriction, limiting or defining the uses which may be made of the Property or any part thereof.

h. On demand, Homeowner shall fully cooperate with Beneficiary in filing and recording this Security Instrument and any of the other Option Documents creating a lien or security interest or evidencing the lien hereof, including without limitation any financing statements,

upon the Property and other collateral and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Beneficiary in, the Property.

i. Homeowner will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Option Documents, and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, assessments and charges arising out of or in connection with the execution and delivery of the Option Documents or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law so to do.

Homeowner, on demand, will execute and deliver and hereby authorizes Beneficiary to file one or more financing statements or execute in the name of Homeowner to the extent Beneficiary may lawfully do so, one or more chattel mortgages or other instruments, to evidence more effectively the security interest of Beneficiary in the Property. Homeowner grants to Beneficiary an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Beneficiary at law and in equity, including without limitation such rights and remedies available to Beneficiary pursuant to this clause (j).

6. **Power of Attorney.** Homeowner hereby irrevocably appoints Beneficiary as Owner's attorney-in-fact (such agency being coupled with an interest). As such attorney-in-fact Beneficiary may, after providing notice to Homeowner pursuant to the option Purchase Agreement (without the obligation to do so) in Beneficiary's name, or in the name of Homeowner, prepare, execute and file or record financing statements, continuation statements, applications for registration and like documents necessary to create, perfect or preserve any of Beneficiary's security interests and rights in or to any of the Property, and, upon a default under this Security Instrument, take any other action required of Homeowner; provided, however, that Beneficiary as such attorney-in-fact shall be accountable only for such funds as are actually received by Beneficiary.

7. **Default and Foreclosure and Power of Sale.**

Upon Homeowner's default under or breach of any of the rights and Obligations that are secured by this Security Instrument as specified above, Beneficiary may declare all

Investment ID: H8DNEXC57

performance and sums secured by this Security Instrument immediately due by delivery to Trustee and to Homeowner of written declaration of default. Beneficiary shall give notice of default to Homeowner prior to acceleration following Homeowner's breach of any covenant or agreement in this Security Instrument. At a minimum, the notice shall specify: (i) the default; (ii) the action required to cure the default; (iii) a date, not less than thirty (30) days from the date the notice is given to Homeowner, by which the default must be cured; and (iv) that failure to cure the default on or before the date specified in the notice may result in all sums secured by this Security Instrument becoming due and payable and sale of the Property. The notice shall further inform Homeowner of the right to cure after enforcement and the right to bring a court action to assert the non-existence of a default or any other defense of Homeowner to enforcement and sale. If the default is not cured on or before the date specified in the notice, Beneficiary at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Beneficiary shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 7, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Beneficiary invokes the power of sale, Beneficiary shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Beneficiary's election to cause the Property to be sold. Trustee shall cause this notice to be recorded in each county in which any part of the Property is located. Beneficiary or Trustee shall mail copies of the notice as prescribed by applicable law to Homeowner and to the other persons prescribed by applicable law. Trustee shall give public notice of sale to the persons and in the manner prescribed by applicable law.

After the time required by applicable law, Trustee, without demand on Homeowner, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, express or implied. The recitals in Trustee's deed shall be conclusive evidence of the truth of the statements made therein. Any person, including Homeowner, Trustee, or Beneficiary may purchase at such sale.

a. After deducting all costs, fees and expenses (including Attorneys' Fees) and this Trust, Trustee shall apply the proceeds of the sale in the following order: (i) to all expenses of the sale, including but not limited to, reasonable Trustee's and attorneys' fees; (ii) to all sums secured by this Performance Deed of Trust, and (iii) the remainder, if any, to the persons legally entitled to it.

9. **Late Performance.** By accepting performance of any obligation after its due date, Beneficiary does not waive its right either to require prompt performance when due of all other obligations or to declare default for such failure to perform.

10. **Trustee's Powers.** At any time or from time to time, without liability therefor upon written request of Beneficiary and presentation of this Security Instrument, and without affecting the personal liability of any person for the performance of the Option Purchase Agreement secured hereby, Trustee may: (a) reconvey any part of the Property; (b) consent to the making of any map or plat of the Property; (c) join in granting any easement thereon; and (d) join in any extension agreement or any agreement subordinating the lien or charge of this Security Instrument.

11. **Substitution of Trustee.** Beneficiary, or any successor in ownership of the Obligations, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named or acting under this Security Instrument, which instrument, when executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where the Property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from Trustee's predecessor, succeed to all its title, estate, rights, powers and duties. Such instrument must contain the name of the original Homeowner, Trustee and Beneficiary under this Security Instrument, the book and page where this Security Instrument is recorded, and the name and address of the new Trustee(s).

12. **Trustee's Compensation.** Homeowner shall pay Trustee's fees and reimburse Trustee for expenses in the administration of this Trust, including Attorney's Fees. 13. **Full Reconveyance or Release.** Upon written request of Beneficiary stating that all Obligations have been performed or paid, and upon payment of its fees, Trustee shall reconvey or release, without warranty, the Property then held under this Security Instrument. The recitals

Investment ID: H8DNEXC57

in such reconveyance or release of any matters or facts shall be conclusive proof of the truthfulness of such recitals. The grantee in such reconveyance or release may be described as "the person or persons legally entitled thereto." Trustee shall submit for recording a satisfaction of this Security Instrument within the timeframe prescribed by applicable law after all Obligations have been performed. If permitted by law, such person or persons will pay any recordation costs associated with such reconveyance or release.

The term "**Beneficiary**" shall include any successor or assignee of Beneficiary's rights in the option Purchase Agreement and in this Security Instrument, whether or not named as Beneficiary in this Performance Deed of Trust. In this Security Instrument, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and the singular number includes the plural.

16. **Multiple Homeowners.** If there are multiple Homeowners of the Property:

- a. this Security Instrument must be signed by each such Homeowner;

21. **Severability.** If any provision herein is declared invalid or unenforceable, such provision will be deemed modified to the extent necessary and possible to render it valid and enforceable. In any event, the unenforceability or invalidity of any provision shall not affect any other provision herein, and this Deed of Trust will continue in full force and effect, and be construed and enforced, as if such provision had not been included, or had been modified as above provided.
22. **Miscellaneous.**
- a. **No Merger.** So long as any of the Obligations remains outstanding and undischarged, unless Beneficiary otherwise consents in writing, the fee estate of Homeowner in the Property or

If Beneficiary invokes the power of sale, Beneficiary shall give written notice to Trustee of the occurrence of an Event of Default and of Beneficiary's election to cause the Property to be sold. Trustee and Beneficiary shall take such action regarding notice of sale and shall give such notices to Homeowner and to other persons as applicable law may require.
