(n) If any tenant under any Lease is or becomes the subject of any proceeding under the Federal Bankruptcy Code, as amended from time to time, or any other federal, state or local statute which provides for the possible termination or rejection of the Lease assigned hereby, Assignor covenants and agrees that if any such Lease is so terminated or rejected, no settlement for damages shall be made without the prior written consent of Assignee (not to be unreasonably withheld, conditioned or delayed), and any check in payment of damages for termination or rejection of any such Lease will be made payable both to Assignor and Assignee. At any time upon or following the occurrence and continuance of any Event of Default, Assignee, at its option, may, in accordance with applicable law, exercise any one or more of the following rights and remedies without any obligation to do so, without in any way waiving such Event of Default, without further notice or demand on Assignor, without regard to the adequacy of the security for the obligations secured hereby, without releasing Assignor or any guarantor of the Term Loan A Note from any obligation, and with or without bringing any action or proceeding to foreclose the Deed of Trust or any other lien or security interest granted by the Financing Agreements:

This Assignment shall constitute an authorization and direction to the tenants under the Leases to pay all rents and other amounts payable under the Leases to Assignee, without proof of default hereunder, upon receipt from Assignee of written notice to thereafter pay all such rents and other amounts to Assignee and to comply with any notice or demand by Assignee for observance or performance of any of the covenants, terms, conditions and agreements contained in the Leases to be observed or performed by the tenants thereunder, and Assignor shall facilitate in all reasonable ways Assignee's collection of such rents, issues, income and profits, and upon request will execute written notices to the tenants under the Leases to thereafter pay all such rents and other amounts to Assignee; and

Any and all such liability, loss, damage, costs, expenses and fees shall be secured by this Assignment. Nothing set forth herein or in the Deed of Trust, and no exercise by Assignee of any of the rights set forth herein or in the Deed of Trust shall constitute or be construed as constituting Assignee a "mortgagee in possession" of the Premises, in the absence of the taking of actual possession of the Premises by Assignee pursuant to the provisions hereof or of the Deed of Trust.

10. No Waiver. Nothing contained in this Assignment and no act done or omitted to be done by Assignee pursuant to the rights and powers granted to it hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under any of the Financing Agreements.
