RCW 84.38.100 creates a lien in favor of the State of Washington on the property described herein. The lien is for real property taxes and special assessments, the payment of which was deferred pursuant to RCW 84.38.030. The lien also includes interest from the time the deferred amount could have been paid, before delinquency, until the deferred amount is paid and all charges and expenses of and concerning said taxes and assessments. The interest rate is 8% per annum for all deferrals made prior to January 1, 2007, and 5% for all deferrals made on or after that date. To determine the amount of the real property taxes and special assessments that have been deferred, including interest, contact the address listed at the top of this page.

The lien created by RCW 84.38.100 covers all deferrals on the property described herein up to 80 percent of the amount of the claimant's [as defined in RCW 84.38.020(1)] equity value in said property. The lien shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which the real property may become charged or liable; provided, that the interest of a mortgage or purchase contract holder who is required to co-sign a declaration of deferral under RCW 84.38.090 shall have priority over this lien. No further public notice shall be given for any deferrals subsequent to this notice. Notice shall be given when the above said lien is satisfied.

The undersigned on behalf of the State of Washington claims the lien created by RCW 84.38.100 upon the property herein described.
