

RECORD OF THE PROCEEDINGS
SKAGIT COUNTY BOARD OF COMMISSIONERS

Wednesday, July 13, 1988

9:00 a.m. Continuation of Public Hearing - Samish Point Road (Hearing held at the gate on Samish Point Road)

The Skagit County Board of Commissioners met in regular session on Wednesday, July 13, 1988, with Commissioners Vaux, Walberg and Rohrer present.

Continuation of Public Hearing - Samish Point Road

Approximately fifteen to twenty people were present for the public hearing, held at Samish Point Road. All present walked to the site of the proposed gate.

Doris Mast, a resident of Samish Island, stated that she felt the new gate would not solve the problem, but only serve to move the parking problem to the new gate location.

Don Simmons, a property owner, addressed the comment by pointing out where the traffic congestion is presently located, and how the new location would effect the congestion.

Herb and Theresa Goldston also pointed out specific problem areas and concerns about the location of the present gate.

Milt Schayes felt that the new location would also be preferable.

Janice Brown inquired as to whether anyone had contacted the residents of a home located near the proposed vacation.

Dr. Goldston stated that they were proposing placing the gate north of Marshall Road to avoid the problem in front of the home in question. They would also place parking spaces, culverts, fill in ditches, etc., to allow for the parking needs.

A sketch of the proposal was submitted by Herbert Goldston.

Inquiries were answered regarding the price of the property to be vacated.

Commissioner Walberg moved to continue the hearing to Tuesday, July 19, 1988 at 10:00 a.m. in the Commissioner's Hearing Room. Commissioner Rohrer seconded the motion. The motion carried unanimously.

ADJOURNMENT

Commissioner Walberg motioned to adjourn the proceedings. Commissioner Rohrer seconded the motion. The motion was carried unanimously.
