

RECORD OF THE PROCEEDINGS
SKAGIT COUNTY BOARD OF COMMISSIONERS

Wednesday, September 25, 1991

4:00 p.m. - 4:30 p.m. Discussion - Septic Systems - Shorty Oldfield.

The Skagit County Board of Commissioners met in regular session on Wednesday, September 25, 1991, with Commissioners W. W. Vaux, Robby Robinson and Ruth Wylie present.

DISCUSSION - SEPTIC SYSTEMS - SHORTY OLDFIELD.

Mr. Oldfield had requested this time with the Board of Commissioners to discuss his aerobic treatment device for septic systems.

In addition to product guidelines produced by the State Department of Health provided by Tom Karsh, Environmental Planner, Mr. Oldfield provided information on his product.

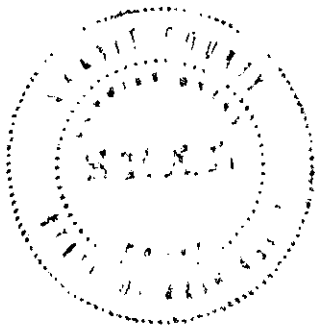

While Mr. Karsh contended that Mr. Oldfield had been afforded all of the permitting avenues the Planning Department has available, as evidenced in a State DOH list of certified proprietary devices on which Mr. Oldfield's product could be found, Mr. Oldfield felt that he had encountered opposition to his product from the Planning Department, causing him to not receive as much business as he should.

The Board agreed to ensure that Mr. Oldfield's name is included on a list of approved septic system treatment providers maintained in the Planning Department.

ADJOURNMENT:

Commissioner Wylie motioned to adjourn the proceedings. Commissioner Robinson seconded the motion. The motion was carried unanimously.
