

**RECORD OF THE PROCEEDINGS  
SKAGIT COUNTY BOARD OF COMMISSIONERS  
Thursday, January 15, 1998**

1:30 p.m. – 3:30 p.m.

Continuation of Review of Petitions Requesting Comprehensive Plan  
Map Redesignations.

The Skagit County Board of Commissioners met in regular session on Thursday, January 15, 1998, with Commissioners Robert Hart, Ted W. Anderson, and Harvey Wolden present.

Gary Christensen, Senior Planner, stated that this is a continuation of the Board's review of requests to amend the Comprehensive Plan. On Tuesday, Staff met with the Board and have tentatively or preliminarily identified an approach and a process to be taken. The Board and Staff have outlined which requests will be remanded back to the Planning Commission. Mr. Christensen summarized that it is the Board's intent to direct technical mapping errors identified by the Department and further discussion matters to the Planning Commission. Also, there are five or six sub-areas or regions which the board would like to have further analysis done by the Planning Commission regarding existing designation criteria and to see if there are additional technical mapping errors.

Mr. Christensen advised that Staff is prepared to work through the list of landowners who have requested comprehensive plan changes for which the Department had recommended denial.

The Board pointed out the areas that they would like to have closer examination made. These include the Sauk Valley area, Birdsvew, Trafton Lake Area (Fidalgo Island), Alger/Parsons Creek Area, and Natural Resource lands east of Big Lake Fire Mountain Area). A discussion ensued on the specific areas to be considered. They also agreed to include an area in the Urban Growth Area of Sedro Woolley, and the West Mount Vernon Urban Growth Area parcels including the Christiansen property along Memorial Highway).

The list of specific individuals and their requests was reviewed in detail.

It was decided that a Resolution memorializing the decisions made today would be presented on Tuesday, January 20, 1998, at 1:00 p.m.

**ADJOURNMENT.**

Chairman Hart made a motion to adjourn the proceedings. Commissioner Wolden seconded the motion and it passed unanimously.
