PRECEDING DOCUMENTS

Special Thanks & Acknowledgements	i
Point of Contact	iii
Record of Changes	iv
List of Plan Recipients.....	v
Promulgation	viii
How To Use This Plan.....	ix
Table of Contents	x

SECTION I: THE PLANNING PROCESS

Introduction.....	1
Plan Methodology.....	4
Plan Development Process	9
Plan Adoption	19
Plan Maintenance	21

SECTION II: MULTI-JURISDICTIONAL HAZARD IDENTIFICATION

Multi-Jurisdictional Community Profile.....	1
Maps:	
MJ – 1 (Skagit County Map)	
MJ – 2 (Skagit County Drainage Basins Map)	
MJ – 3 (Skagit County Average Precipitation Map)	
MJ – 4 (Skagit County Population Density by Census Block (2000) Map)	
MJ – 5 (Skagit County Projected Population Growth 2000-2025 Map)	
Avalanche	7
Drought	10
Earthquake	16
Fire	26
Maps:	
FIRE – 1 (Skagit County Fire Districts)	
FIRE – 2 (Skagit County Fire Districts and Industrial Forest Lands)	

Table of Contents (Continued)

SECTION II: MULTI-JURISDICTIONAL HAZARD IDENTIFICATION (Continued)

FIRE – 3 (Skagit County Wildland-Urban Interface Fire Risk Assessment Compartments based on NFPA299 Risk Assessment)	
FIRE – 4 (Skagit County Wildland-Urban Interface Fire Risk Assessment based on NFPA299 Risk Assessment)	
FIRE – 5 (Skagit County Wildland-Urban Interface Fire Risk Assessment based on NFPA299 Risk Assessment and Fire Causes)	
FIRE – 6 (Skagit County Wildland-Urban Interface Fire Risk Assessment based on NFPA299 Risk Assessment Total Acres Burned by Wildfire)	
Flood.....	35
Maps:	
FL – 1 (FEMA FIRM for Skagit County)	
FL – 2 (Skagit County FEMA Insured Parcels)	
FL - 3 (Washington State NFIP Repetitive Loss Project Skagit County)	
FL – 4 (Skagit County Land Use Designations and FEMA 100-year Floodplain)	
FL – 5 (Skagit County Dike Districts by Assessor Tax Role)	
FL – 6 (Skagit County Flood Fight Sectors)	
Land Movement	46
Maps:	
LM – 1 (Skagit County Slope Stability (Area of WADNR Soil Survey))	
LM – 2 (Skagit County Alluvial Fans)	
Severe Storms.....	53
Tsunami/Seiche.....	60
Volcanic Event.....	68

SECTION III: MULTI-JURISDICTION/MULTI-HAZARD MITIGATION

Multi-Jurisdiction/Multi-Hazard Mitigation Goals and Action Items.....	1
Stakeholder/Citizen Suggested Mitigation Strategies and Projects.....	10

SECTION IV: JURISDICTION-SPECIFIC INFORMATION; HAZARD VULNERABILITY ASSESSMENT AND PROPOSED MITIGATION STRATEGIES

Natural Hazard Rating Process	1
Natural Hazard Rating By Jurisdiction	2

Table of Contents (Continued)

SECTION IV: JURISDICTION-SPECIFIC INFORMATION; HAZARD VULNERABILITY ASSESSMENT AND PROPOSED MITIGATION STRATEGIES (Continued)

City of Anacortes

- Jurisdiction-Specific Vulnerability Assessment & Mitigation Strategies
- Current Land Uses and Potential for New Development
- Future Land Use and General Development Trends
- Comparison of Jurisdictional Relative Risk
- Neighborhood Types and Structure Characteristics
- Estimated Population at Risk by Hazard
- Estimated Value of Structures at Risk by Hazard
- Disaster Events
- Codes and Comprehensive Plans
- List of Information for Hazard Mitigation Plan
- Prioritization of Action Items
- Mitigation Strategies
- Action Plan for Natural Hazard Reduction
- Maps
 - ANA – 1 (Anacortes Neighborhoods Map)
 - ANA – 2 (Anacortes Tsunami Map)

City of Burlington

- Jurisdiction-Specific Vulnerability Assessment & Mitigation Strategies Overview
- Comparison of Jurisdictional Relative Risk
- Neighborhood Types and Structure Characteristics
- All Critical Facilities Identified
- City of Burlington 2003 Floodplain Management & Natural Hazard Mitigation Plan

Town of Concrete

- Jurisdiction-Specific Vulnerability Assessment & Mitigation Strategies Overview
- Current Land Uses and Potential for New Development
- Future Land Uses and General Development Trends
- Comparison of Jurisdictional Relative Risk
- Neighborhood Types and Structure Characteristics
- Estimated Population at Risk by Hazard
- Estimated Value of Structures at Risk by Hazard

Table of Contents (Continued)

SECTION IV: JURISDICTIONAL-SPECIFIC INFORMATION; VULNERABILITY ASSESSMENT AND MITIGATION STRATEGIES (Continued)

Town of Concrete (continued)

- All Critical Facilities Identified
 - Town of Concrete Water System
 - Town of Concrete Fire Department
 - Town of Concrete Sewer Plant
- Completed/Current Mitigation Measures
- Proposed Mitigation Measures
- Maps
 - CONC – 1 (Concrete Neighborhoods Map)
 - CONC – 2 (Concrete Volcanic Activity Map)
 - CONC – 3 (Concrete 100-year Floodplain Map)

Town of Hamilton

- Jurisdiction-Specific Vulnerability Assessment & Mitigation Strategies Overview
- Current Land Uses and Potential for New Development
- Future Land Uses and General Development Trends
- Comparison of Jurisdictional Relative Risk
- Neighborhood Types and Structure Characteristics
- Estimated Population at Risk by Hazard
- Estimated Value of Structures at Risk by Hazard
- Critical Facilities Identified
- Mitigation-Related Policy Statement and Citations
- Action Plan for Hazard Reduction
- Maps
 - HAM – 1 (Hamilton Neighborhoods Map)
 - HAM – 2 (Hamilton 100-year Floodplain Map)

Town of La Conner

- Jurisdiction-Specific Vulnerability Assessment & Mitigation Strategies Overview
- Current Land Uses and Potential for New Development
- Future Land Uses and General Development Trends
- Comparison of Jurisdictional Relative Risk
- Neighborhood Types and Structure Characteristics
- Estimated Population at Risk by Hazard
- Estimated Value of Structures at Risk by Hazard
- Critical Facilities Identified
- Mitigation-Related Policy Statements and Citations
- Action Plan for Hazard Reduction
- Maps
 - LACON – 1 (La Conner Neighborhoods Map)
 - LACON – 2 (La Conner 100-year Floodplain Map)
 - LACON – 3 (La Conner Tsunami Map)

Table of Contents (Continued)

SECTION IV: JURISDICTIONAL-SPECIFIC INFORMATION; VULNERABILITY ASSESSMENT AND MITIGATION STRATEGIES (Continued)

Town of Lyman

- Jurisdiction-Specific Vulnerability Assessment & Mitigation Strategies Overview
- Current Land Uses and Potential for New Development
- Future Land Uses and General Development Trends
- Comparison of Jurisdictional Relative Risk
- Neighborhood Types and Structure Characteristics
- Estimated Population at Risk by Hazard
- Estimated Value of Structures at Risk by Hazard
- Critical Facilities Identified
- Mitigation-Related Policy Statements and Citations
- Action Plan for Hazard Reduction
- Maps
 - LYM – 1 (Lyman Neighborhoods Map)
 - LYM – 2 (Lyman 100-year Floodplain Map)

City of Mount Vernon

- Introduction
- Current Land Uses and Potential for New Development
- Future Land Uses and General Development Trends
- Comparison of Jurisdictional Relative Risk
- Neighborhood Types and Structure Characteristics
- Estimated Population at Risk by Hazard
- Estimated Value of Structures at Risk by Hazard
- Critical Facilities Identified
- Mitigation Related Code
- Mitigation Strategies
- Maps
 - MV – 1 (Mount Vernon Neighborhoods Map)
 - MV – 2 (Mount Vernon 100-year Floodplain Map)

City of Sedro-Woolley

- Introduction
- Current Land Uses and Potential for New Development
- Future Land Uses and General Development Trends
- Comparison of Jurisdictional Relative Risk
- Neighborhood Types and Structure Characteristics
- Estimated Population at Risk by Hazard
- Estimated Value of Structures at Risk by Hazard

Table of Contents (Continued)

SECTION IV: JURISDICTIONAL-SPECIFIC INFORMATION; VULNERABILITY ASSESSMENT AND MITIGATION STRATEGIES (Continued)

City of Sedro-Woolley (continued)

- Critical Facilities Identified
- Mitigation Related Code & Potential Mitigation Projects
- Mitigation Strategies and Projects
- Maps
 - SW – 1 (Sedro-Woolley Neighborhoods Map)
 - SW – 2 (Sedro-Woolley 100-year Floodplain Map)

Unincorporated Skagit County

- Jurisdiction-Specific Vulnerability Assessment & Mitigation Strategies Overview
- Future Land Uses and General Development Trends
- Comparison of Jurisdictional Relative Risk
- Estimated Population at Risk by Hazard
- Estimated Value of Structures at Risk by Hazard
- Natural Hazard Events
- Mitigation Related Codes and Plans
- Fire Mitigation Related Policy Statements and Citations
- Current CRS Mitigation Activities
- Skagit County Government Suggested Mitigation Strategies and Projects
- Maps
 - SC – 1 (Skagit County Hazard Mitigation Neighborhoods Map)

Swinomish Indian Tribal Community

- Jurisdictional Specific Vulnerability Assessment and Mitigation Initiatives
- Jurisdiction Summary
- Current Land Uses and Potential for New Development
- Future Land Uses and General Development Trends
- Neighborhood Types and Structure Characterization
- Comparison of Jurisdictional Relative Risk
- Basic Demographic Information
- All Critical Facilities Identified
- Maps
 - Figure 1: Swinomish Tribal Community Neighborhood Map
 - Figure 2: Swinomish Tribal Community Critical Facilities Map
 - Figure 3: Swinomish Tribal Community Interim Zoning Map
 - Figure 4: Swinomish Tribal Community Aerial View
 - Figure 5: Swinomish Tribal Community Topography, Roads, and Buildings

Table of Contents (Continued)

SECTION IV: JURISDICTIONAL-SPECIFIC INFORMATION; VULNERABILITY ASSESSMENT AND MITIGATION STRATEGIES (Continued)

Upper Skagit Indian Tribe

- Introduction and Explanation
- Helmick Reservation Profile
- Skagit Valley Casino and Resort Profile
- Current Land Uses and Potential for New Development
- Future Land Uses and General Development Trends
- Comparison of Jurisdictional Relative Risk
- Neighborhood Types and Structure Characteristics
- Basic Demographic Information
- Hazard Events
- Critical Facilities Letter of Explanation
- Hazard Mitigation Action Plan
- Map:
 - Helmick Reservation

Special Purpose Districts

Dike Districts

- Dike District #1
- Dike District #3
- Dike District #4
- Dike/Drainage District #5
- Dike District #9
- Dike District #12 Mitigation Plan
- Dike District #12 Profile
- Dike District #17
- Dike District #19
- Dike District #20
- Dike District #22
- Dike District #25

Drainage Districts

- Drainage District #14
- Drainage District #15
- Drainage District #16
- Drainage District #17
- Drainage District #18
- Drainage District #19
- Drainage District #21
- Drainage District #22
- Drainage District #25

Table of Contents (Continued)

SECTION IV: JURISDICTIONAL-SPECIFIC INFORMATION; VULNERABILITY ASSESSMENT AND MITIGATION STRATEGIES (Continued)

Special Purpose Districts (continued)

Fire Districts

- Fire District #2
- Fire District #5
- Fire District #8
- Fire District #11
- Fire District #13
- Fire District #16
- Fire District #17

Hospital Districts

- Hospital District #1 (Skagit Valley Hospital)
- Hospital District #304 (United General Hospital)
- Hospital District #2 (DBA Island Hospital)

Housing Authority

- Housing Authority of Skagit County

Library Districts

- La Conner Regional Library District

Port Districts

- Port of Anacortes
- Port of Skagit County

School Districts

- Anacortes School District
- Burlington-Edison School District
- La Conner School District
- Mount Vernon School District
- Sedro-Woolley School District

Utilities

- Public Utility District #1
- Sewer District #1

SECTION V: APPENDICES

Appendix A	Washington State Department of Natural Resources Northwest Region R.A.M.S. Assessment
Appendix B	Public Notification
Appendix C	Mailing List
Appendix D	Federal Mitigation Funding Sources
Appendix E	Listing of Reference Documents
Appendix F	Adoption Resolutions
