

Special Thanks & Acknowledgements

This plan was originally developed in 2003 because of the gracious spirit of cooperation demonstrated by the Commissioners of Skagit County Dike District #12. Without their commitment and dedication to the hazard mitigation planning process and unselfish willingness to partner with the City of Burlington and Skagit County to obtain a Hazard Mitigation Planning Grant. As in 2003, Skagit County Dike District #12 has again stepped forward to provide both leadership and financial assistance to complete this 2008 revision of the Skagit County Natural hazards Mitigation Plan.

Thanks also to the members of the Skagit Natural Hazards Mitigation Steering Committee for the guidance and organization they contributed to the updating of this plan!

Charles Bennett, Commissioner, Skagit County Dike District #12
Karla Strand, Administrative Assistant, Skagit County Dike District #12
Margaret Fleek, Planning Director, City of Burlington
