

# SKYWARN WEATHER SPOTTER TRAINING ANNOUNCEMENT

**Site: Concrete Senior Center**  
**45821 Railroad Ave - Concrete**

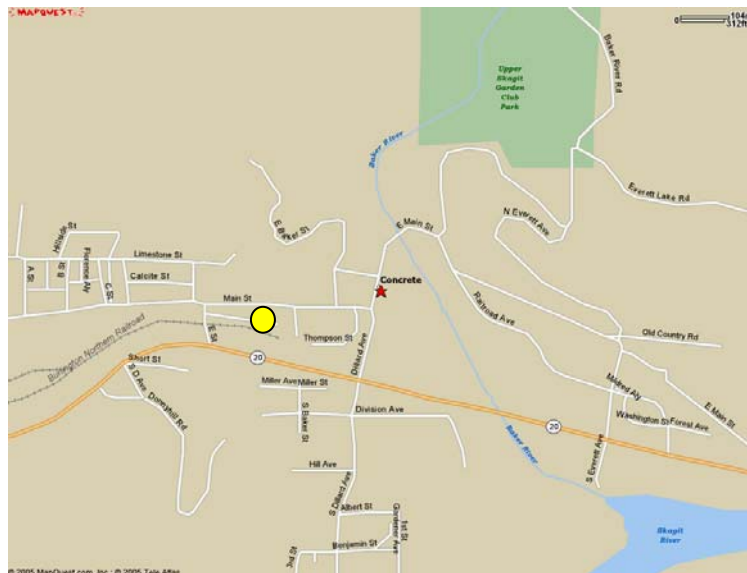

**Date: Monday, November 7, 2005**

**Time: 6:00 – 8:30 PM**

**RSVP: Skagit County Department of Emergency Management**  
**(360) 428-3250 E-mail: [markw@co.skagit.wa.us](mailto:markw@co.skagit.wa.us)**

The National Weather Service will train new or veteran spotters, including interested citizens, amateur radio, CERT, citizen corps, and law enforcement, fire, transportation and public works staff, on how to look for and report significant event-driven weather events. Training includes video demonstrations. Spotters are needed, particularly in the upper Skagit valley region, as well as among those who have weather instrumentation, such as an anemometer.

If planning to attend this spotter training session, please RSVP so an appropriate number of handout materials can be on hand. Class capacity is 30, so sign up early. We look forward to seeing you at this or other Skywarn Spotter training sessions, and receiving your hazardous weather reports.

From Hwy 20 in Concrete, go north on 'E' Street. Turn immediately right onto Railroad Ave. The Senior Center is at the end of this short street. Plenty of parking available.
