Thank you to BFD for allowing us to relocate the EMT Class until the 911 remodel is completed.

Ron Richeson Training Room Schedule

Skagit 911 Dispatch will be remodeling their dispatch floor and will move in to the EMS Training Room for the duration of the remodel. So, beginning 3/21/17-6/1/2017 the training room will be occupied by 911 Dispatch. All previously scheduled meetings/classes must be moved or cancelled.

This also affects the EMT class which will move locations beginning 3/21/17 through the remainder of the course.

Also, some previously scheduled BLS trainings have been moved or cancelled. Please see the current list of upcoming classes by using the link below.

Narcan Administration Form

It has been brought to our attention that not all Narcan administrations are being reported to the EMS office. This information is very important for EMS to track. Please encourage all providers who administer Narcan to fill out the brief form on the EMS website. The link is below.
