

EMT Class #61

Class starts August 22, 2017. Acceptance letters have been sent out the new class.

Initial BLS CPR/ BBP Training

EMS is offering an initial BLS CPR with High Performance CPR and Bloodborne Pathogens to Skagit County Fire/EMS Volunteers on Saturday, August 19, 2017 at 8 AM in the RRTF at EMS. If you have new staff or volunteers please register them for the class by calling the office or email Bev. The class size is limited, so register now!

SGA Endorsement for EMT's

Attention any Skagit County EMT missing the SGA endorsement on their Washington State Certification this is your chance to obtain the training to qualify for the endorsement. Thursday August 31, 2017 at 17:45-22:00 in the RRTF at Skagit County EMS. You must pre-register for this class by calling the Skagit County EMS office (360) 416-1830 Class size is limited.

BLS Orientation

Please contact EMS if you have staff that needs BLS Orientation BLS provider's will need a copy of WA State EMT Certification Card, copy of current driver's license, copy of NREMT Card, copy of training records if transferring into Skagit County as primary affiliation or signed document from previous agency showing all BLS training is current per WA DOH standards. (They can bring the originals and we will make copies at EMS if that is easier.)

ALS & BLS Training Schedules

Just a reminder to all Skagit County EMS Providers, the scheduled training dates/times is available on the EMS webpage. Please see the link below for upcoming trainings, including time and locations.
