2019

Vendor Passport Program

- Stickers can be obtained at commercial booths only (no food). Each booth will have a sticker representing one number. You will need to have one of each number (one # 1, one #2, one #3, etc. up to #9, or #10-18#, there are 2 different passports) placed on the appropriate box to complete your card.
- In order to complete the passport (obtain one of each number 1-9 or 10-18) participants must visit vendors all throughout the Fair. Numbers 1-9 and 10-18 are scattered around different vendor areas.
- Look for the sign >>>>>>>>>>>>>>> to find participating vendors.
