

4-H RABBITS

Superintendent: Jena Hayes, 360-824-0467, davidandjena@yahoo.com

Rabbit Barn Set-Up: Monday, August 7th, 1:00 – 4:00 pm.

Exhibitors must complete pre-registration paperwork before entering in ShoWorks. See entry limits, instructions, and pre-registration form at the end of this section. Note the June 15th deadline.

1. For additional important fair information, please read the General Rules, Veterinary Regulations, and Animal Exhibitor Guidelines at the beginning of the premium book.
2. Rabbits must be under the 4-H member's regular care and management for 45 days prior to the start of fair. Rabbits must meet ARBA minimum weight requirements and may be weighed upon barn entry. No expectant does or does with litters.
3. Rabbits need to have an ear number in their left ear for ID purposes. For County Fair, a permanent marker may be used. State Fair requires a permanent tattoo in the left ear.
4. Rabbits subject to Small Animal health check prior to barn entry. Any rabbits exhibiting signs of illness, parasites, aggression, or pregnancy, at vet check or during fair, will be excused. Rabbits excused from fair may not stay on the Fairgrounds.
5. Rabbits are to remain on exhibit all four days of fair, unless excused by the veterinarian or superintendent. No medications or supplements are to be given to rabbits at fair without superintendent's approval or written vet recommendation.
6. Exhibitors are to provide rabbit feed and equipment (bowls/water bottles/etc.). Food, labeled with Exhibitor's name, may be stored in the tack room in a hard plastic container. Sorry, there is no extra space in the tack room to store rabbit carriers, show clothes, costumes, or personal items.
7. Exhibitors are to report to the barn daily, by 9:30 AM, to feed, water, and clean cages for their own rabbits. Daily Rabbit Department meeting will follow, at 9:45 AM. Barn will lock nightly at 9:00 PM.
8. Parents will be required to participate in herdsmanship with each of their fair participant dependents. Each parent will need to sign up for a minimum of 1 hour per fair participant per day. This allows us to always have adequate oversight in the barn.
9. Exhibitors are to check on their rabbits every two hours while the barn is open. It is usually HOT at our fair! Make sure your rabbits always have plenty of water. Ultimate responsibility for the care and welfare of rabbits lies with exhibitors.
10. Required Rabbit Department events include Showmanship, Type, Herdsmanship, morning meeting attendance, and Saturday night barn clean out. Herdsmanship sign-up available the Sunday before fair (for exhibitors attending barn set-up) and Tuesday, at barn check-in. Rabbit department premium is dependent upon exhibitor participation in required events and animal care.
11. Exhibitors are to participate in Showmanship with their own rabbit. A substitution rabbit may be allowed, depending on circumstance, by Superintendent. Any exhibitors using an approved substitute rabbit for Showmanship, are only competing for Blue, Red, or White ribbons. They are not eligible to compete for Showmanship Grand Champion, Reserve Grand Champion, or High Blue Awards.
12. Showmanship attire: Black pants with a long sleeve, plain white shirt, or plain white showmanship jacket.
13. Exhibitors are responsible for getting their own rabbits to the Type table. 4-H rabbits will be judged and may be faulted and/or disqualified as set forth by the ARBA Standard of Perfection guide. Rabbits not present, may not be judged.
14. Registration for non-premium, ribbon-only Rabbit Department events (Cage Decorations, Costume Contest, Rabbit Races, Quiz Bowl, and Parent Rabbit Show) will happen Tuesday, during barn check-in.
15. Non-toxic cage decorations (created and displayed by 4-H members) may be used on cage exteriors for the Cage Decorating Contest. Make sure rabbits have plenty of ventilation and are still visible to the public.
16. Exhibitors and rabbits released Saturday night, following barn clean out.
17. No exceptions to these rules may be made without approval from the superintendent and the 4-H Program Coordinator

**Register each 4-H member once for Showmanship (Division A).
Register each rabbit for its appropriate Type Division (AA through U).**

2023 Skagit County Fair

4-H Rabbit Pre- Registration Instructions

***** Please Note the June 15th Deadline*****

Due to our growing rabbit project and limited barn space, rabbit exhibitors will pre-register before ShoWorks opens for online registration. Pre-registration forms are to be submitted to the Skagit County 4-H Extension Office, or directly to the 4-H Rabbit Superintendent by **June 15th**. Once rabbit entries are reviewed, exhibitors will be notified of ShoWorks opening. All rabbit exhibitors must pre-register to then be eligible for ShoWorks online registration.

Rabbit registration allowances:

- Skagit Exhibitors: Up to (6) non- market rabbits + (1) market rabbit
- Skagit Cloverbud Exhibitors: Up to (2) rabbits
- *Out-of-County Exhibitors: Up to (2) rabbits, including market rabbit

*Out-of-County entries are contingent upon space availability

Pre-Registration form instructions:

- Please complete exhibitor information, including Exhibitor's County at the top of the page.
- Register each rabbit, according to the entry allowances above.
- For non-market rabbits: All crossbreeds and spayed/neutered rabbits will show for type in pet class. Exhibitors can choose to show rabbits with an ARBA DQ in Pet Class as well.

If pre-registration entries exceed the barn capacity of 90 rabbits (4-H and FFA), Rabbits entries will be further limited. We will work with exhibitors to reduce entry numbers in a way that allows for all Skagit County pre-registered exhibitors to show at county fair, while keeping space for those Skagit County exhibitors that are working to qualify and take their full allotment of rabbits to state fair. Out-of-County entries are contingent upon cage/barn space availability. If there is a need to reduce rabbit entry numbers, "received date" of pre-registration form may be considered. Similarly, if there is extra space in the barn, the superintendent may invite exhibitors to register additional entries. Questions regarding pre-registration, registration, and the rabbit department in general should also be directed to the superintendent.

Pre-registration forms can be returned (via mail or drop-off) to:

Skagit County Extension/ Dorothy Elsner
11768 Westar Lane, Suite A
Burlington, WA 98233

or may be emailed directly to 4-H Rabbit Superintendent:
