Skagit County Burn Restrictions Modified

This change will be effective as of Tuesday, **July 15, 2014 at 8:00 am**.

- Fires must be in an enclosure that is a minimum of 16 inches high, no larger than three feet across, and made of cement block, stones, or #10 gauge steel.
- Burned materials must be kept lower than the sidewalls of the enclosure.
- The following must be in the immediate vicinity of the enclosure and present at all times during burning: A charged garden hose, or two, five-gallon buckets of water, or a 5 gallon class-A fire extinguisher, and a shovel.
- Fires must be 10 feet from any standing timber and there must be no tree branches within 10 feet above the enclosure.
- There must be at least one person 16 years of age or older who is capable of putting the fire out in attendance at all times.
