

This map is created using County data for properties existing into data assignments. It is important to note that these districts are subject to change as the result of boundary changes and are not necessarily by geographic boundaries. This map was created from public records and existing map sources not from field surveys. Errors may exist due to incomplete data and/or legal descriptions of the property boundaries. Skagit County GIS will review any information brought to our attention and supply map reviews where applicable. Skagit County disclaims any warranty of completeness or accuracy of these data or any warranty is made concerning the accuracy, currency, completeness or quality of data depicted on this map. Any user of this map assumes all responsibility for use thereof, and further agrees to hold Skagit County harmless from and against any damage, loss, or liability arising from use of this map.
