Discover the wonderful bicycling Skagit County has to offer.

The Skagit County Bike Map is intended to familiarize cyclists with the many great bicycling opportunities in Skagit County and to provide information to cyclists as they contemplate their own decisions as to which routes to select for their travels.

The 2018 edition of the map is made possible with support from funding from Skagit Regional Health Authority, Rotary Club of Burlington-Ferndale, Skagit County Park and Recreation Commission. Special thanks to Skagit County Geographical Information Services, Skagit County Parks and Recreation, Skagit County Geographical Information Services, Skagit County Parks and Recreation Commission members, Dave Estabrook, Jartine Halling, Steve Hagen, Liz McNett Crowl, Jeff Doss, and William Tiltman. Thanks to John Pitt, Pat Doss, and Liz McNett Crowl for their assistance with the map.

To contribute, request multiple copies, or leave comments and suggestions, contact info@skagitgov.com.
