*Safety zone restrictions are listed in Skagit County Code 14.16.210 (9)

All development within the AEO will be reviewed for potential impacts to aircraft and may be required to apply for a permit from the FAA. Material impacts are not limited to tall structures, but include electro-magnetic interference, lights, glare, visibility impairment, bird strike hazards, and other endangerment.

Anyone proposing construction exceeding the “permit contours” shown on AEO Map 2 must notify the FAA.

Maximum height limits are shown on AEO Map 3.
