

A horizontal number line representing distance. It starts at 0 and ends at 2 Kilometers. The line is divided into four major segments by tick marks at 0.25, 0.5, 1, 1.5, and 2. Above the line, the values 0, 0.25, 0.5, 1, 1.5, and 2 are labeled. Below the line, the labels "Miles" and "Kilometers" are placed above the 1 and 2 marks respectively.

A map showing a grid of numbered locations (1-25) over a terrain background. Locations 20, 21, 22, 39, 40, and 41 are highlighted with red boxes. Location 55 is highlighted with a purple box.
