These maps were created from available public records and existing map sources, not from field surveys. Map features from all sources have been adjusted to achieve a "best fit" registration to the Ownership Parcel map. While great care was taken in this process, maps from different sources rarely agree as to the precise location of geographic features. The relative positioning of map features to one another results from combining different map sources without field "ground truthing".

• THIS MAP IS NOT A SUBSTITUTE FOR FIELD SURVEY •

MAP USAGE WARNING

This map was produced with the intention of giving the user a general understanding of the geography in this area. This map was not intended to be used for purposes which require precise measurements.
