I, _____, of _____
(O&M Provider - Print Name) (Business Name)

hereby submit both my application and required documentation for the profession of On-Site Sewage System Monitoring & Maintenance Specialist which includes the monitoring and maintenance of septic systems for commercial and residential use in Skagit County, and includes the inspection, service, and repair of all components of septic systems in order to comply with Skagit County Sewage Code. I have read and understand the Rules and Regulations of the Skagit County On-Site Sewage Code (SCC 12.05) governing on-site sewage systems.
