CONTACTING A NEW PROVIDER

What to have on hand when you call a new provider:

- Insurance or health care card
- List of current medications

Questions to ask:

- Do you have experience with postpartum mood and anxiety disorders?
- Do you take my insurance? Will there be a co-pay?
- What is your experience working with women of color?
- Can I bring my baby?
- Can I bring someone else to the session with me? (partner, parent, friend, doula, etc.)
- When is your soonest appointment?
- Do you do phone appointments or tele-health? (note that insurance often won't cover this)

CHILDBIRTH/PARENTING CLASSES

Car & Booster Seat Clinics: Have your car or booster seats checked by nationally trained car seat technicians from Safe Kids Northwest. They will check your seat for safety, make sure you are using it correctly and show you how to properly install the seat in your car. Appointments required:
CarSeatsNW@gmail.com

Childbirth Education Series: This five-week series is designed to prepare parents-to-be for the arrival of their new baby. Prenatal health, stages of labor, coping techniques, pain relief options, breastfeeding, newborn care and more will be covered. (Class cost covered by Apple Health)

Breastfeeding Matters: This class is available to pregnant and postpartum women and their babies. Topics include getting started with breastfeeding and its benefits, breastfeeding in the early weeks of postpartum, in special situations and while working. Specific questions are welcome and will be addressed.

Family-Centered Cesarean: This class describes the cesarean process and how your family can support you in your birthing journey.

Grand-Parenting 101: This class describes ways grandparents can offer support and assistance to a new family, whether they live close or faraway. Class will include detailed information on car seat safety, presented by a Nationally Certified Child Passenger Safety Technician.

To learn more, view dates and to register for any of the above programs please visit islandhealth.org/classes or call (360) 299.4204.

HypnoBirthing® Childbirth Education Classes

Prepare for a calm and empowering birth! HypnoBirthing® is a comprehensive childbirth education course designed to guide you through deep relaxation, visualization, and effective breathing techniques. This course is ideal for expecting parents seeking a joyful, safe, gentle and informed birth journey. Both in-person and virtual classes available.

To learn more, view dates and to register please visit www.psychedupsuccess.com/work-with-jodie or call Jodie Solberg CHT: (425)608-1867

Prenatal Bonding (BA) with Jodie Solberg CHT:

Prenatal Bonding (BA) is a form of pregnancy support that uses a gentle, mindful approach offering parents the opportunity to connect at a deep level with their baby prior to birth through a pregnant mother's natural instincts and insights.

To learn more, please visit www.psychedupsuccess.com/work-with-jodie or call (425)608-1867
