

Skagit County Historical Museum Annual Berry Sale

We are so excited to be able to again offer locally sourced and frozen berries from Mike & Jean's Berry Barn! Picked in 2021, they are perfect for those homemade gifts of jams, jellies and pie!

Our berry sales directly impact our ability to keep our programs going, our exhibits intriguing, continued preservation of our local history, and our lights on!

This year we have a **Pay It Forward** option! You can add a pail or box of fruit to your order by simply indicating how many to donate below. Donated fruit will go to the **Skagit Food Distribution Center**, a program of Community Action of Skagit County. Your support for the Museum will go twice as far by not only supporting our farmers, but by helping put local produce in the hands of our most vulnerable population.
