

Henry Klein Homes: Light, Form and Materiality Through the Decades

November 22, 2019 – March 2020

Henry Klein is recognized as one of the most important and influential northwest architects of the region. He founded the Henry Klein Partnership in 1952 and, throughout his career, designed numerous iconic public buildings. Henry's work in the private residential sector is

equally significant. This exhibit will celebrate the houses that Henry designed and the people whose lives they touched.
