

Fund an Item

Help us rehabilitate Skagit City School.

As we near the completion of the rehabilitation of Skagit City School, we want to give you the unique opportunity to ‘fund an item’! We still need to pay for light fixtures, doors, tables, chairs, equipment — and paint (lots of paint!). See the list on the back of this flyer and consider helping as we continue to preserve Skagit History!

If you have any questions, or would like more information about the project, please contact Jo Wolfe at jwolfe@co.skagit.wa.us or 360-466-3365.
