## Invitation to Submit Letter of Interest for Skagit Homeless Crisis Response System Funding

Skagit County is accepting Letters of Interest (LOI) from qualified parties experienced in implementing projects to provide homeless crisis response services. The contract period will be July 1, 2026-June 30, 2028.

### LOI Process

In 2026, funding for the Skagit Homeless Crisis Response System will be released through a Request for Proposals (RFP). This process differs in important ways from Skagit County's previous annual Notice of Funding Availability (NOFA).

1. Submit LOI

Any eligible organization interested in applying for homeless crisis funding must first submit a LOI as described below. Submission of an LOI by the deadline is required to participate in the RFP process.

2. Submit full proposal (by invitation only)

Skagit County will invite organizations that submitted an LOI to then complete a full proposal.

Skagit County will only review proposals from organizations that submitted LOIs by the deadline.

### Eligible Program Categories

Proposals are sought in the following program categories:

- Diversion
- Emergency Shelter
- Transitional Housing

### Letters of Interest

Organizations interested in applying should submit a very brief LOI via email to [peterm@co.skagit.wa.us](mailto:peterm@co.skagit.wa.us).

LOIs must be received **no later than January 26, 2025, at 4:30 p.m.** Please include the following:

1. Organization information: agency name, address, primary contact person and contact details.
2. Program category or categories for which your organization intends to apply.
3. Meeting participation: indicate whether you, or a representative from your organization, plan to attend the upcoming information session on 2026 changes to the Skagit Homeless Crisis Response System solicitation process.
