

Housing Instability Insights

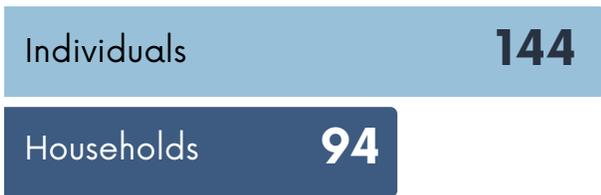

Skagit County - February 2026

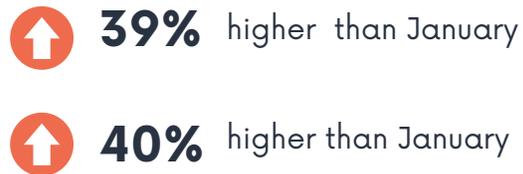

What is Coordinated Entry?

Coordinated Entry is a system used in Skagit County and other communities to ensure that all people experiencing homelessness are quickly and fairly connected to limited housing resources based on their level of need.

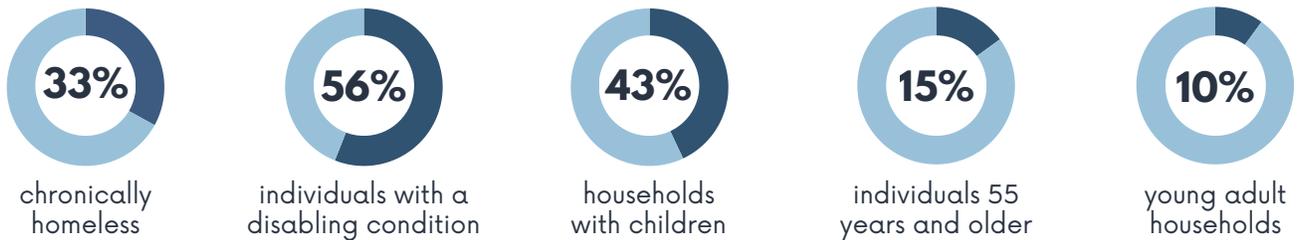

How many people sought and qualified for housing support?

How does this compare to January 2026?

Who sought housing support?

Referrals and Enrollments

	Referrals	Enrolled
Emergency Shelter	247	78
Rapid Rehousing	75	5
Prevention & Rental Assistance	97	18
Permanent Supportive Housing	128	1

Exit Destinations

When someone leaves housing or services part of the homeless response system, the next place they go is called an exit destination. Tracking this helps us understand how our response system is working.
