

Community Integration Project

A **partnership** of Skagit Valley College, Skagit County Community Action Agency and the Department of Corrections.

The **mission** is to integrate previously incarcerated individuals into Skagit Valley with housing, college opportunities and employment.

Are you....

- Thinking about entering college but just don't know where, when or how to begin?
- Returning to college after an absence?
- Uncertain of your career plans?
- Needing help with your academic success?
- Needing financial assistance?
- An adult learner involved with a variety of life transitions?
- Changing your career?
- Looking for a supportive environment to help you attain your goals?

Then:

- Explore career, academic and life management issues
- Discover the many opportunities, services and options available
- Make smooth transitions
- Overcome barriers unique to returning adults
- Successfully identify goals and make decisions

DON'T BE PUSHED BY YOUR PROBLEMS, BE LED BY YOUR DREAMS.

What will the program do for me?

You will be part of a support group.

You will get advising on student success courses.

You will be assisted with financial aid.

You will be assisted with housing.

You can earn your GED and/or a college degree.

You will take success courses:

CSS: College Success Skills

Computer basics

Reading courses

Communication courses

You will have an advisor to assist you.

You may be part of a personal reflection group.
