## **IV. Presentation: The Guardian RFID inmate monitoring system by Lt. Deanna Randall-Secret, Skagit County Community Justice Center**

Lt. Randall-Secret gave a presentation on the Guardian RFID inmate monitoring system and how using it will benefit the Skagit County Jail. Guardian RFID is a cloud based system that helps corrections personnel gain real-time operational awareness to create a safer, more secure, and more connected facility. The system manages, monitors, and tracks inmates in real-time, while leveraging Cloud +
