Staff Members and Representatives: Brian Adams

Members from the Public: None

The May minutes were discussed and passed unanimously without a modification.

Board Discussion:

-E-Bikes Resolution for Hearing: Brian shared the resolution and changes with the board. The proposed language for the code changes was shared and minor adjustments were made. There will be a hearing required and the notice for the hearing will need to be advertised in the newspaper of record.

Staff Report:

Presentin Park: We are still awaiting for approval from FEMA on our projects. Once projects are approved, we can move forward with a plan for repairs. We obtained an appraisal and are moving forward with title reports and drafting a PSA on the Balise property. We have an opportunity to purchase the land and sell the two homes. By selling the homes and keeping the land we should recover the expenditures.

NSRA: The work will commence this week and be completed by the end of September. We have interviewed camp hosts and want to have someone in place before August 15. There will be a demand for placards and we have a foundation that is willing to be the vendors.

Adjourn.
