

## APPENDIX C

### 2003 PUBLIC MEETINGS

1. Not safe to walk alone on trails, more people walk on the road. Too many trails would be waste of hard working tax paying people. Railroad right of way, on abandoned railroad, go back to the easement owner.
2. Organic community garden. Adult coed's and/or women's basketball teams/leagues.
3. Note: Thanks for your work on Sares Bluff 37 acres
4. Hiking trail for Dewey Beach/Yokeko area – along side of Deception Road, Yokeko Drive and Gibraltar Road
5. Reestablish east side of Sauk Mountain Trail from lake to Bar/Sutter Creek area.
6. Playfield for kids at Dewey Beach/Yokeko Point area.
7. Format for meeting was good. Bob answer all questions. Any trails included in Comp Plan must be open and completely visible. No secluded trails. Many concerns on secluded Cascade Trail sheriff's reports of sex assaults, home robberies, trespassing. Cascade Trail is in noncompliance with Skagit County Comp Plan, non compliance with Lyman, Concrete and Sedro Woolley Comp Plans. Cascade Trail must be eliminated from Parks and Recreation Comp Plan to be consistence with all other comp plans.
8. Build shooting facility
9. Dogs off leash park
10. I would like to see the county build a motocross track that is affordable
11. Public/Private partnerships.
12. Indoor recreation center
13. Time and place where and when 50+ men and women get together for softball – informal
14. Keep Best SELF going – very good for low income and migrant community
15. Recreation programs for person with various disabilities
16. Extend trail from Bayview to LaConner and from Bayview to Anacortes
17. Fees for Mayer – don't charge non-county residents more, but raise fees across the board (to be competitive with state parks, other counties, programs, etc.) and give county residents a discount!
18. Trail from HMSP to Concrete
19. Prevent loss of river shore access
20. Protection of boat ramps
21. Inter urban trail
22. Off leash park for dogs
23. Delete – Mayer Park S.V.

24. Add – define, create and preserve recreation open space corridor between Anacortes ACFL and Deception Pass State Park at west end of Campbell Lake to: a.) preserve existing rural open space/habitat corridor, b.) support and provide for Evergreen trail per 1998 plan, page IX-27. Cooperate with State parks which wants to purchase south end of corridor and with Fidalgo sub-area comp plan. Identify and implement creative ways to preserve and improve corridor – purchase, easements, zoning, etc.
