

## Weather Issues FAQ!

Hi,

Each year w/ the Boys S.W.I.S.H. Basketball League we get questions regarding weather and how it relates to games. Here's a quick FAQ for you.

FAQ's for weather and the Boys S.W.I.S.H. Basketball League:

- 1. What do we do when the weather is bad?** – Our desire is to have all gyms open for games during Adverse Weather conditions, if possible. The different facilities we use will communicate any updates affecting games with Skagit County Parks & Recreation, which we will keep coaches and team managers updated on via e-mail and via the [Youth Basketball Page](#), if there is time available to do so.
  - TEAMS – It is up to individual teams and players to decide whether it's safe for them to travel. Under these circumstances, we'll understand if you can't make a game. However, due to limitations w/ the schedule and gym space, there's no guarantee games can be made up, but we'll do our best.
- 2. Who do I notify if our team can not make a game due to weather conditions?** – Please E-MAIL me at [tonyt@co.skagit.wa.us](mailto:tonyt@co.skagit.wa.us) if you are impacted by any weather and/or traveling conditions. During inclement weather conditions, my e-mail is an easy way for me to remotely access feedback from teams and individuals. NOTE that individual players should contact you and then send one message per team (or any pertinent updates, as needed).
- 3. I'm worried if games will be cancelled?** – Again, it's our goal to have EVERY gym open, but we do have gyms in different areas that may be impacted differently. If you are worried about cancellations, just E-MAIL me (i.e. [tonyt@co.skagit.wa.us](mailto:tonyt@co.skagit.wa.us)). If games are impacted in anyway by weather conditions I'll be able to communicate back w/ you timely via e-mail.

Good Luck w/ your season and please travel safely!
