

TIEBREAKER CRITERIA:

- [Washington State Championships](#) – March 20th-22nd
- Top FOUR teams in the regular season from upper divisions qualify for the Washington State Championships (March 20th-22nd).
 - 4th Grade DD, 5th Grade DD, 6th Grade CC, 7th Grade BB, 8th Grade AA
- NOTE that team records, winning percentage and scores will be used for regular season games played from January 17th through February 14th for the 2026 season.
 - The purpose of the early qualifying is to qualify teams ahead of registration closing for state, which has happened by the end of February in recent years for some divisions.
- Here's how the tiebreaker will work.
 - Teams will be awarded points for the following criteria for regular season games played through February 14th (January 17th – February 14th). Teams will be notified on Wednesday, February 19th if they have qualified for state. Seeding Game results will NOT impact tiebreakers for state qualifying.
 - **1st = 4 points, 2nd = 3 points, 3rd = 2 points, 4th = 1 point**
 - Current Standings through 2/14 (1st-4th)
 - Winning Percentage through 2/14 (1st-4th)
 - Average of Points Allowed through 2/14; Lowest to Highest (1st-4th)
 - Head-to-Head – If there is a tie in points, any head-to-head games will be used. IF teams have played twice by 2/14 and split, the tiebreaker will be fewest points allowed in those two games.
 - The Boys SWISH Basketball League reserves the right to adjust these tiebreaker criteria up through February 14th games.

GOOD LUCK!!
