

**Subject:** Girls SWISH - CANCELLED for 12/13!!

Please note that the [Girls SWISH Basketball League](#) end of season League Tournament scheduled for Saturday, December 13<sup>th</sup> has been **CANCELLED!!** This is out of extreme precaution due to [projected record flooding in the Skagit Valley](#) area the end of this week. Several of our area School Districts that have gyms we were to use have already closed through the weekend.

Additionally, please note that the league tournament will not be re-scheduled and the Girls SWISH Basketball League will be finished for this season as a result. There are a lot of logistical and scheduling issues that prevent us from being able to make-up these additional games.

Please do what you can to support neighbors and anyone you know in our area communities that might be impacted this week. As for the Girls SWISH Basketball League, not having additional individuals in our communities Saturday, December 13<sup>th</sup> is what we need right now, too.

Thank You.
