Proposal Description

The proposal consists of twelve (12) proposed amendments to the Skagit County Comprehensive Plan, Land Use and Zoning Map, and Development Regulations under consideration through the 2019 Docket. The Board of County Commissioners (BOCC) established the 2019 Docket through Resolution # R20190052, approved March 19, 2019, following submittal of amendment proposals and requests by members of the public and the County, and a public hearing and written comment period before the board.

The proposal includes one (1) Land Use and Zoning Map amendment, the remaining amendments are proposed to the Comprehensive Plan narrative and policies and to Skagit County Code (SCC) Title 14, the Unified Development Code. Many of the proposed amendments are technical in nature, seeking to correct errors or omissions in the Land Use and Zoning Map or streamline and remove ambiguities from development regulations. A list of these amendments is available to view at:

SEPA Threshold Determination

Skagit County has determined that this non-project, legislative proposal does not have a probable significant adverse impact on the environment. An environmental impact statement is not required under the State Environmental Policy Act, RCW 43.21C.030(2)(c). This determination was made after review of a completed environmental checklist and other information on file with the lead agency and is available upon request.

This determination is issued pursuant to WAC 197-11-340(2). Skagit County will not act on this proposal during the comment period. Written comments regarding this Determination of Non-significance must be submitted by the deadline above and in the same manner as other comments. Pursuant to SCC 14.12.210, no administrative appeal process is available for this legislative action.

Date: December 11, 2019
