This annual includes Skagit County Capital Facilities and non-county facilities. The proposal, and a staff report summarizing the proposal, are available at the website above.

SEPA Threshold Determination

Skagit County has determined that this proposal does not have a probable significant adverse impact on the environment. An environmental impact statement is not required under the State Environmental Policy Act, RCW 43.21C.030(2)(c). This determination was made after review of a completed environmental checklist and other information on file with the lead agency and is available upon request and at the above listed website.

This determination is issued pursuant to WAC 197-11-340(2). Skagit County will not act on this proposal for at least 14 days from the publish date indicated in the table above. Written comments regarding this Determination of Nonsignificance must be submitted by the written comment deadline (above) and in the same manner as other comments. Pursuant to SCC 16.12.210, no administrative appeal process is available for this legislative action.
