Port of Skagit Wetlands

Port of Skagit County WIN

Port of Skagit County WIN Buffer

The 2006 Bayview Ridge Subarea Plan relied on the National Wetland Inventory (NWI) and interpretations of aerial photography to estimate the amount of wetlands in the portion of the Subarea not on Port property, and therefore outside the WIN program. The twenty-year-old NWI data is not a reliable source for estimating the specific size and location of wetlands. Wetlands will be delineated by project proponents as specific development projects are proposed.
