Re: 2012 Comprehensive Plan Amendment: Amend Skagit County Comprehensive Plan to incorporate by reference the 2012 Skagit County Parks and Recreation Comprehensive Plan

Date: November 25, 2013

At the Board's direction, the Skagit County Parks and Recreation department has in response to public comment and after consultation with the Parks Advisory Board drafted revisions to Chapter 5, Wildlife Habitat Conservation, to address subjective text, non-pertinent information, and old survey data. Primarily, the revisions strike those sections of Chapter 5 titled "Trends and Concerns." Their recommended edits are now available for review at the Skagit County website: [Comprehensive Plan Amendments 2012 Docket](#).

The Department and legal counsel views the revisions as within the Board's authority to adopt without further public comment. The Board of County Commissioners may take action to adopt the revisions as proposed or allow additional public comment.
