Subject: Skagit County CP Amendment: PL11-0250 (Lake Erie Trucking)

Importance: High

To Whom It May Concern:

We understand that a sizeable number of citizens living in the South Fidalgo Area are opposed to redesignating the 35 acres identified in PL11-0250. For several justifiable reasons, including drainage problems and the fact that the South Fidalgo Sub-Area plan is still on the drawing table, we agree with the position taken by those citizens.

Respectfully,

Diane Freethy, President
