**Ladies & Gentlemen:**

This is in regard to Bill Wooding's request to change a 35-acre parcel from Rural Resource (1 unit/40 acres) to Rural Reserve (1 unit/10 acres – 2 units/10 acres for a CaRD). The parcel is on Rosario Road just south of the sand pit. Although the parcel itself is less than 40 acres in size, it is part of a larger block of Rural Resource.

I ask that Skagit County deny Mr. Wooding's request because his proposed increase in rural density should only be allowed in conjunction with the development and completion of the South Fidalgo subarea plan.

Please put my name on the list to receive further mailings regarding this matter.
