The Motion of Evergreen Islands to intervene was heard on September 8, 2021, prior to a Prehearing Conference in the subject appeal. Kyle A. Loring, Attorney at Law, presented argument for the moving party. Jason D’ Avignon, Deputy Prosecuting Attorney, responded for the County. Spokesman Steve Taylor and Owner Bill Wooding participated for Appellant.

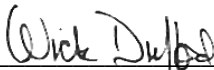

The Appeal relates to the timing of the Appellant’s response to the County’s request for information. The question presented is purely procedural and is an issue solely between the two existing parties.

The Examiner, after hearing argument, concluded that the moving party does not have a significant interest not otherwise adequately represented on the narrow matter presented.

Should the underlying application survive this appeal, Evergreen Island will be free to participate in the case in the ordinary course.

Therefore, the Motion is hereby **DENIED**.

**DONE**, this 13<sup>th</sup>, day of September, 2021
