

General Location

Agriculture-NRL (Ag-NRL) to La Conner UGA

Request
Number

CPA05-93

Summary:

Redesignate approximately 14 acres from Agriculture (Ag-NRL) to La Conner UGA to accommodate existing and potential future public facilities and uses and correct mapping error of the Town's original UGA boundary

Recommendation:

Recommend approval. Re-designation would recognize existing urban public facilities and stormwater management facilities operated by the Town. Situation is different from inclusion in UGA of undeveloped land.
