Sedro-Woolley UGA (URR) to Rural Reserve (RRv)

Request  
Number

CPA05-98

**General Location**

**Summary:**

Remove 14 acre parcel from the Sedro-Woolley UGA and rezone to Rural Reserve (RRv) due to flood hazard constraints.

**Recommendation:**

**Recommend approval. Supported by the City. Land capacity analysis is not needed because land meets Ag-NRL designation criteria therefore was previously designated UGA in error.**
